**DECLARATION OF COVENANTS, CONDITIONS AND
RESTRICTIONS FOR FOX HOLLOW SUBDIVISION**

KNOW ALL MEN BY THESE PRESENTS, that Nottingham Partners, a Michigan partnership, whose address is 8177 Goldie Road, Walled Lake, MI 48390 (the "Declarant") being the owner of all of the property contained in a development known as Fox Hollow Subdivision, and located in the Township of Northville, County of Wayne, Michigan, on the property described in Exhibit A hereto (the "Subdivision"), in consideration of the mutual benefits to be derived by the Declarant, its successors and assigns, and all intending purchasers and future owners of the various lots comprising the Subdivision, the Declarant, for itself, its successors, and assigns, does hereby publish, declare and make known to all intending purchasers and future Owners of the Lots comprising the Subdivision, that the same will and shall be used, owned, held, and/or sold expressly subject to the following conditions, easements, covenants, limitations, restrictions, uses and agreements which shall be incorporated by reference in all deeds of conveyance and contracts for the sale of said Lot and shall run with the land and be binding upon all grantees of individual Lots in the Subdivision and on the respective heirs, personal representatives, successors and assigns.

The Declarations contained herein are based on the following factual recitals:

A. Declarant wishes to permit the development of the Subdivision into a community suitable for family living and, at the same time, wishes to maintain, insofar as possible, the natural character of this beautiful property, and to require all manmade structures to blend into the natural background, rather than stand out against it.

B. Declarant desires to have all homes constructed within the Subdivision to be carefully tailored to the Lot, as well as being designed to tastefully harmonize with other homes in the development. It is the objective of this development to avoid a neighborhood where homes are too large for the lots and unrelated to each other.

C. Declarant desires to provide for the preservation and enhancement of the property values and amenities in the Subdivision and for the maintenance of certain common areas (the "common areas" as defined by law and "park commons" as noted on the Plat) and areas landscaped within the Wayne County Right-of-Way and to this end desires to subject the Subdivision and the common areas to the easements, covenants, limitations, restrictions, uses, conditions, charges, liens, and agreements set forth herein, each and all of which is and are for the benefit of the Subdivision and each Lot Owner therein.

D. It is essential to the value of the lots that the Subdivision be perpetually maintained in

a manner consistent with high environmental, aesthetic, and residential standards.

E. Declarant has deemed it desirable for the efficient preservation of the values and amenities in the Subdivision to create a legal entity to own, maintain, and administer the Common Areas; to collect and disburse the assessments and charges hereinafter created; and to promote the recreation, health, safety, welfare, common benefit and enjoyment of the Owners.

F. To accomplish the foregoing, Declarant desires to impose certain building and use restrictions, covenants, and conditions, as herein contained, upon and for the benefit of said lots and the Subdivision as a whole.

G. Declarant also desires to provide for the establishment and maintenance of private roadways and recreational easements to serve the parcels and their owners, and for the development of private driveway easements to serve certain of the parcels.

H. Declarant is willing to sell the lots, but all buyers and subsequent owners must accept such lots subject to the declarations, covenants, restrictions, assessments, and conditions set forth herein.

All Lots shall be used for single-family residential purposes only, and no building of any kind whatsoever shall be erected, reerected, moved, or maintained thereon, except one single-family dwelling

house and appurtenant attached structures on each Lot, as hereinafter provided. Each house shall be designed and erected for occupation by a single private family..A private attached garage for the sole use of the occupants of the Lot, upon which the garage is erected, must also be erected and maintained. Lessees of any Lot shall be subject to the terms and conditions of this Declaration, the By-Laws, and all rules and regulations promulgated pursuant to this Declaration and the By-Laws, all of which shall be incorporated into the Lease of any lot by reference, and any violation of the same by a Lessee shall be deemed to be a violation by the Lessor-Lot Owner and subject that Lot Owner to the same penalties and sanctions as if the Lot Owner himself violated the Declaration, By-Laws, or any rules and regulations.

2.2 Style of Building.

The architecture and design of any building or structure on any lot within the Subdivision shall follow the style of "Traditional", as defined within the construction industry, specifically excluding, without limitation, any structure that follows a modern or contemporary design, flat-roofed home, or shed roof, no quad-level or tri-level building shall be constructed within the Subdivision. Each home shall be custom designed and of a unique and authentic character and design.

In an effort to maintain a consistent level of quality, character, uniqueness, authenticity and design, it is strongly recommended that architects specializing in these areas be utilized and approved by the Architectural Review Committee prior to submission of plans, designs and/or drawings. The following architects are approved and recommended:

A. Walter F. Coponen, Coponen Architects, Inc., 108 N. Center Street, Suite 203, Northville, MI 48167, (810) 348-4141; and

The Architectural Review Committee may, under exceptional circumstances, grant a request to construct or expand a building which size is greater than six thousand (6,000) square feet, if the Architectural Review Committee believes, in its sole opinion, that the building, lot, and circumstances are of a special and unique character and situation, that such exception would not be detrimental to the subdivision. The Architectural Review Committee may deny a request for a building if it determines that the building is too large for the Lot, even though the square footage of the building does not exceed the maximum size requirements herein.

All computations of square footage for determination of the permissibility of erection of a residence under this section shall be exclusive of basements, attics, garages, patios, porches or similar areas which are not normally classified as living areas. - B. Fifteen (15) feet from the side lot line; nor,

C. Fifty (50) feet from the rear lot line, or as allowed by the municipality.

Approval of a variance by the Architectural Review Committee permitting front, rear or side yards smaller than the above minimums shall be deemed a valid waiver of this Restriction; however, Lot Owner shall be required to comply with the municipal front, rear and side yard requirements, unless a variance has been obtained through the municipality.

2.8 Exterior Surface of Dwellings.

The visible exterior walls of all structures on the Lot shall be made of brick, split fieldstone native to Michigan, dry-vit (or its equivalent), wood (painted, treated or stained), stucco, natural cedar, or any combination thereof. However, unattached structural retaining walls and walls as part of a landscaping plan may be approved by the Architectural Review Committee.

No fences of any kind may be erected, constructed, or maintained anywhere within the Lot, except as allowed herein. Notwithstanding any other provisions, fences may be allowed as follows: (i) for surrounding swimming pools, or otherwise as required by law, and in such event, such fences must be wrought-iron and provided location of said fence shall be approved by the Architectural Review Committee; and (ii) for landscaping or decorative purposes, consisting of low ornamental fencing, and provided the Architectural Review Committee has approved said fencing and all aspects of said fencing, including, but not limited to height, material and color.

2.11 Driveways and Walkways.

All swimming pools must be constructed so that they drain into either the sanitary sewer or storm sewer system only.

No exterior lighting shall be installed or directed so as to disturb the occupants of neighboring lots or impair the vision of traffic on any street.

2.23 Antennas.

No radio, television or other communication antennas of any type, which exceed twenty-four (24") inches in height, and/or which exceed twenty-four (24") inches in diameter may be installed on or outside of any residence. 2.24 Trees and Soil.

No living tree of more than six (6") inches in diameter at three (3') feet above the ground shall be removed or cut without the prior written consent of the Architectural Review Committee. No surface soil shall be dug or removed from any lot for purposes other than building and landscaping on said lot without the prior written consent of the Architectural Review Committee.

E. Be properly anchored to prevent floatation.

The Lot Owner and/or occupant of each Lot shall maintain the surface area of easements within his property, including the "floodplain area", indicated on the Plat of Fox Hollow Subdivision, to keep grass

and weeds cut, to keep the area free of trash, debris, bushes, brush and plantings, and, further, shall take such action as may be necessary to eliminate or minimize surface erosion, including erosion of the slopes within the floodplain area, above-described, and to prevent siltation thereof.

The Township of Northville may, from time to time, adopt standards more stringent than the foregoing. No plan approval shall be granted in conflict with the standards adopted by the Township of Northville, or other governing municipality.

The provisions of this section may not be amended, except for amendments to conform with changes in the rules and regulations of the Michigan Department of Natural Resources, and shall not expire upon the termination time of the Declaration.

2.39 Regulated Wetlands.

Fox Hollow Subdivision contains wetland areas and floodplain areas and water, as designated on the Subdivision Plat regulated by the Michigan Department of Natural Resources (DNR). The wetland areas are typically located within the park commons areas, however, there are wetland areas within the property boundary of a number of lots. A 25-foot buffer from the wetland area to the building envelope line has been provided in all cases, with the exception of lot 19 which has a 15 foot buffer provided. No grading, filling, construction, excavation, clearing or encroachment of any kind will be permitted within the aforesaid wetland area, floodplain area, or water without the prior written approval of the DNR, and the majority of the Board of Directors of the Association approving same based upon a practical difficulty or unnecessary hardship. Failure to adhere to this provision shall subject Lot Owner or violators to not only claims for relief by the DNR, but also to action by the Association for judicial relief in the enforcement of these Restrictions, including, without limitation, obtaining an order enjoining further violation, as well as remediation for any violation, in addition to any other remedies available at law or in equity, or as allowed herein. Furthermore, the Association shall have the right to undertake any remedial action to correct any action by a violating Lot Owner and the violating Lot Owner shall be obligated to reimburse and/or pay the Association for any fees, expenses and costs incurred for the remedial action, plus any other aforesaid costs and expenses, within ten (10) days of notice, and failure of Lot Owner to pay same shall result in the Association having a right to place a lien against the Lot Owner's lot for the amount to which the Lot Owner is obligated. In addition to the aforesaid relief, the violating Lot Owner or violators shall be required to pay the Association's costs and expenses including, but not limited to attorney's fees, consultant fees and expert fees, incurred as a result of seeking relief or enforcement of these provisions.

2.40 Tree and Woodlands Protection

All lots and common areas within Fox Hollow Subdivision shall be subject to any and all Charter Township of Northville ordinance or regulation with respect to trees and woodlands, even though said ordinance or regulation may not otherwise apply. No lot owner shall remove a living tree, subject to the Township ordinance or regulation, except to the extent permitted within the ordinance or regulation and first obtaining the Architectural Control Committees' approval.

2.41 Northville Township License.

The Declarant has granted and/or hereby grants the following license, which constitutes a license restriction and covenants upon the Subdivision, which shall run with the land ("subdivision") and shall be binding upon the Association, Lot Owners thereof, and their agents, representatives, heirs, personal representatives, successors and assigns as follows:

A. The Charter Township of Northville, ("Township"), its employees, agents, independent contractors, successors and assigns, are hereby granted an irrevocable license to enter, only to the extent necessary, upon and across the land described in Exhibit "A", at any time for the purpose of inspecting, repairing, maintaining, removing, installing, reinstalling and constructing any improvements which are the subject of any agreements between the Declarant and the Township or the Declarant and the County of Wayne, Michigan ("County"). Notwithstanding any of the foregoing, the license granted pursuant to this Article shall not entitle the Township, its employees, agents, independent contractors, successors and assigns, to do any act or thing or exercise any power which would interfere with or disturb the use or enjoyment, future or otherwise, of the Declarant, Lot Owners or the Association of any Properties, Lots or Common Property in the Subdivision.

B. The Lot Owners of the Subdivision and the Association, as successors to the Declarant, shall be responsible for the care, maintenance, operation, inspection, repair, improvement, installation, construction and management of all of the Subdivision and the retention basins, easements, drains, rights-of-way, areas and improvements which are the subject of any agreement with any governmental agency, and common area. In the event the Association or the Lot Owners fail or refuse to provide the necessary care, maintenance, operation, inspection, repair, improvement, installation, construction and management, then in such event the Township shall have the right to assess all costs, expenses and charges for the same against the Lot Owners or Lots to the extent of each Lot Owner/Lot being responsible for one-thirty-seventh of the total. The Association and the Lot Owners, their agents, representatives, successors and assigns shall be severally, and not jointly liable, for each such Lot Owners' proportionate share of the costs

and expenses incurred by the Township to discharge such responsibilities. Such costs, expenses and charges shall be due and owing upon written demand and notice by the Township to the Association at the last known address of the Association filed with the Township's Clerk and to the address of the Lot Owners as set forth in the existing tax rolls. Such notice shall be sent by first-class mail, postage prepaid and a proof of service of said mailing shall be evidenced of the Township's compliance with the notice requirement contained herein. In addition to the other methods of collection, the Township shall have the right to place such assessments on the Township tax rolls of the Properties and Lots constituting the Subdivision and collect the same in the same manner as any property tax or assessment. The foregoing shall not be the exclusive right or remedy of the Township and the rights and remedies provided to the Township by statute, ordinance, agreement or other provision of these restrictions shall be preserved.

SECTION 3 -

ESTABLISHMENT AND DEDICATION OF HOMEOWNERS ASSOCIATION

3.1 Establishment of Non-Profit Michigan Corporation as the Fox Hollow Homeowners' Association.

There is hereby established an Association of Lot Owners of Lots 1 through 37, inclusive, Fox Hollow Subdivision, to be known as Fox Hollow Homeowners' Association ("Association"). The Association shall be incorporated and organized as a non-profit corporation for perpetual term under the laws of the State of Michigan and shall have such powers as enumerated in this Declaration, as well as those set forth in the Corporate Articles and By-Laws of the Association, and as allowed by law.

3.2 Membership.

Every Lot Owner shall automatically, by virtue thereof, become a member of the Association. Membership shall be appurtenant to, and may not be separated from, ownership of a Lot.

3.3 Voting Rights.

Each Lot owner shall be entitled to one vote for each Lot owned. When more than one person owns an interest in a lot, all such persons shall be members of the Association; however, only one vote shall be allowed for each Lot, and the vote for such lot, when more than one person owns a Lot, shall be exercised by the designated representative of the Co-Lot Owners, as they shall determine. The name of

the designated representative of the Co-Lot Owners shall be provided to the Association in writing, at least ten (10) days prior to any meeting, at which said designee intends to vote, or the name of the designated representative may be provided to the Association at the time of the meeting if all Co-Lot Owners are present at the meeting, and the majority thereof agree as to the designated representative for the Lot. In no event shall more than one vote be cast with respect to any one Lot. If notice of a designated representative is not properly given, the vote related to a Lot will be suspended in the event more than one person seeks to exercise said vote.

3.4 Adoption of By-Laws.

The Association shall adopt By-Laws for the purposes of providing for the election of Officers and Directors, the conduct of meetings, and the government of the Association, which shall comply with all requirements of the Michigan Non-Profit Corporations Act.

3.5 Compliance with By-Laws.

Any sale or purchase of a lot in this Subdivision shall be subject to such By-Laws for the Association, as are hereafter established or amended, supplemented, or modified, and each Lot Owner agrees to abide by, and observe such By-Laws. After the initial Association By-Laws have been created, said By-Laws may be amended or modified upon the affirmative vote of at least seventy-five (75%) percent of the Lot Owners, but such amendment, supplement, or modification shall not have retroactive effect.

3.6 Rules and Regulations.

The Association, by way of its By-Laws, may grant power to its Board of Directors to promulgate rules and regulations specifically authorized hereunder, and such other rules and regulations as may be reasonably necessary or helpful to achieve the quality of living in the Subdivision desired by the Association. All Lot Owners and their guests and invitees shall abide by such rules and regulations, and failure to so abide by said rules and regulations may result in the Board of Directors being granted authority to enforce the rules and regulations to the extent, without limitation, of suspending the rights of the violating Lot Owner and their guest and invitees to use of the common areas, and Lot Owner's voting rights, as well as remedies allowed by law. Lot Owners shall be responsible for their guests and invitees to comply with the rules and regulations.

3.7 Maintenance of Boulevards and Berms.

The Association shall maintain the Subdivision boulevards and all required berms.

SECTION 4 -

ESTABLISHMENT OF ASSESSMENT AND LIENS

4.1 Creation of the Lien and Assessments.

As a member of the Association, and in consideration of having the right to use the common area, each Lot Owner, by acceptance of a deed or execution of sales documents to purchase a Lot, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual general assessments, (2) special assessments, (3) costs, and (4) fines established through rules and regulations created through the Board of Directors for the Association. Such assessments shall be established and collected as hereinafter provided. The general and special assessments, fines, and costs (which shall consist without limitation, as interest on the unpaid assessment or fine, at the highest rate permitted by law, recording fees, filing fees, and reasonable attorney's fees), shall be a charge on the Lot, and shall be a continuing lien upon the Lot against which each such assessment, cost and fine is made. Each such assessment, cost, and fine, together with interest thereon, at the highest rate permitted by law, recording fees, filing fees and reasonable attorney's fees and expenses of suit, shall also be the personal obligation of all persons who were the Lot Owners of such Lot at the time such assessment fee and/or fine shall be due. The obligation of the Declarant and each Builder as to assessments and fines is separately set forth in 4.3 of this section.

4.2 Purpose of Assessments.

The assessments and fines levied by the Association shall be used exclusively to promote the recreation, health, safety, welfare, common benefit and enjoyment of the Lot Owners in the Subdivision, and in particular, for the improvement and maintenance of the Common Areas now or hereafter owned by the Association, for the payment of taxes and special assessments relating to the Common Areas, and facilities thereon, and any other property under the control of the Association, including any Subdivision entrances, boulevards, berms and for planting and maintenance of trees, shrubs, and grass; the acquisition of additional common areas; for construction, operation, and maintenance of recreational facilities; for caring for vacant Lots; for maintaining drainage facilities which service the Subdivision, whether inside or outside of the Subdivision boundaries; for providing community services, and for obtaining insurance for the protection of the Lot Owners, Association Directors, and Committee Members, and for establishing and maintaining appropriate reserves for those purposes; and for the construction, operation and maintenance of all easements, and for the maintenance of the boulevard and required berms.

4.3 Rate of Assessment.

Both the general and special assessments shall be set by the Board of Directors at a uniform rate for all lots. However, notwithstanding anything to the contrary contained herein or elsewhere in this

Declaration, no assessment shall be levied against a Lot owned by the Declarant or any Builder, except that Builder shall be assessed in the same manner as any other Lot Owner one (1) year after the date the Builder has acquired an interest in the Lot.

4.4 Maximum Annual Assessment.

The annual assessments shall not exceed the following amounts:

A. Until January 1 of the year immediately following the first conveyance of a Lot to a Lot Owner, excluding Builders, the maximum annual assessment shall be \$400.00 per Lot;

B. From and after January 1 of the year immediately following the first conveyance of a Lot to any Lot Owner, excluding Builders, the annual assessment may be increased each year without a vote of the members by an amount of not more than ten (10%) percent of the assessment for the previous year; and,

C. From and after January 1 of the year immediately following the first conveyance of a Lot to a Lot Owner, excluding Builders, the annual assessment may be increased by an amount in excess of ten (10%) percent only by a vote of fifty-one (51%) percent of the members or a proxy entitled to cast votes, at a meeting of the Association duly called for that purpose.

4.5 First Assessment and Working Capital Fund.

Upon purchasing any Lot from the Declarant or a Builder, a Lot Owner other than a Builder, shall be liable for the assessment for the year in which the Lot is purchased, which shall be pro-rated to the date of closing and payable upon closing. Such Lot Owner shall also be liable to the Association for a one-time assessment of Two Hundred (\$200.00) Dollars for working capital, which shall be payable upon closing, which shall be non-refundable nor assignable.

4.6 Special Assessments for Acquisitions and Capital Improvements.

In addition to the annual assessments authorized above, the Association may levy against each Lot Owner in any assessment year, a special assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any acquisition of land or easements to be added to the common areas, the construction, reconstruction, repair or replacement of any improvement upon the common areas and other areas under the control of the Association, including Subdivision entrances and easements for other purposes. Any special assessment shall have the consent of members or of proxies entitled to cast fifty-one (51%) percent of the votes of those present at a meeting duly called for that purpose.

4.7 Notice and Quorum for Actions Authorized Under 4.4 and 4.6.

Written notice shall be sent to all members not less than fifteen (15) days, more than thirty (30)

days in advance of any meeting called for the purpose of taking any action authorized under 4.4 or 4.6 of this Article. At the first such meeting called, the presence of members or proxies entitled to cast fifty (50%) percent of the vote shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum of the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No subsequent meeting shall be held more than thirty (30) days following the preceding meeting.

4.8 Notice of Annual Assessments and Due Date.

The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period and determine whether the annual assessment will be payable on a monthly, quarterly, semi-annual or annual basis. Written notice of the annual assessment shall be sent to every Lot Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association, setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

4.9 Effective Non-Payment of Assessments; Remedies of the Association.

Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the highest rate permitted by law. The Association may bring an action against the Lot Owners personally obligated to pay the same or foreclose the lien against the Lot; in addition to the delinquent assessment and interest thereon, the Association shall be entitled to recover all costs incurred in the collection of said indebtedness, including, without limitation, recording fees, filing fees, court costs, and reasonable attorney's fees. No Lot Owner may waive or otherwise avoid liability for the assessments by non-use of the common areas or abandonment time Lot.

4.10 Exempt Property.

All common area and all other property exempt from taxation by state or local governments or dedicated for public use, shall be exempt from the assessment, fines, costs and lien created herein.

4.11 Subordination of the Lien to Mortgages.

The lien of the assessments, fines, interest and costs provided for herein shall be subordinate to the lien of any first mortgage and to any other contractual lien as to Lots owned by the Declarant. Sale or transfer of any Lot shall not affect the lien or liability thereof. However, the sale or transfer of any Lot pursuant to mortgage foreclosure shall extinguish the lien but not the obligation for payment of such

assessments as to payments which became due prior to such sale or transfer.

4.12 Right of the Township or County to Assess.

If the Association fails to levy and collect an assessment for maintenance, and it becomes necessary for the Township or County to incur expenses related to maintenance, the Township or County shall have the right to be subrogated to the powers of the Association to levy and collect assessments and to enforce liens for the collection of such assessments.

SECTION 5 - ARCHITECTURAL REVIEW

5.1 Architectural Review Committee (the "Committee")

The Declarant shall constitute the Architectural Review Committee until ninety (90%) percent of the Lots have been sold to Lot Owners other than builders. After ninety (90%) percent of the Lots have been sold to Lot Owners other than Builders, the Board of Directors of the Association may select by majority vote three (3) persons which shall compose the committee. Committee members are not required to be members of the Association, and may be employees, officers, directors, agents or affiliates of the Declarant. Each member of the Committee shall serve until he resigns or is replaced by a subsequent appointee by the Board of Directors of the Association. Neither the Declarant nor the Committee shall have any liability whatsoever for any acts or omissions on their part in their capacity as a committee member, including, without limitation, for the approval or disapproval of any plans or specifications.

5.2 Committee Approval.

No building, fence, wall, swimming pool, deck, greenhouse, outdoor lighting, or mailbox or other structure, landscaping, or exterior improvements shall be commenced, erected, maintained, removed, or demolished on any Lot, nor shall any exterior addition to or change or alteration therein or change in the exterior appearance thereof or change in landscaping be made until Lot Owner has submitted all required documents and information to the Committee, and the Committee has approved in writing Lot Owner's request.

5.3 Preliminary Plans.

Preliminary plans may first be submitted to the Committee for preliminary approval.

5.4 Required Plans, Specifications, and Information for Final Approval.

Lot Owners shall be required to provide, as a minimum, to the Committee, plans, specifications, and information for review and final approval, the following:

A. Complete plans and specifications sufficient to secure a building permit in the Township of Northville, including a dimensioned plot plan showing the Lot, placement of all improvements,

and proposed grades which evidence a change of grade at intervals no greater than one-foot change in grade;

B. Plans which disclose front elevation, side elevation, and rear elevation of the structure, plus elevations of any walls and fences;

C. Plans must disclose structures, development, driveway and landscaping of all adjacent property;

D. A perspective drawing, if deemed necessary by the Committee, to interpret adequately the exterior design;

E. A complete landscaping plan, which shall include, without limitation, the size, type and location of shrubbery, trees and all landscaping materials;

F. Specifications and data as to size, materials, colors, texture of all exteriors, height, shape and kind of all exterior materials to be used, including, without limitation, roof coverings, walkways, mailboxes, any fences and walls;

G. In addition to the specifications and data as to the exterior materials to be used, Lot Owner shall provide samples and color charts when reasonably available; and,

H. Any other data, drawings or materials which the Committee requests in order to fulfill its function.

All plans, specifications, data, plot plans, samples, drawings and surveys submitted for Committee review and approval, shall become the sole and exclusive property of the Association, and shall not be required to be returned to the Lot Owner applicant.

5.5 Compliance with Building and Use Restrictions.

No approval by the Committee shall be valid if the structure or improvement violates any of the restrictions set forth in Section 2 of this Declaration, except in cases where waivers have been granted, as provided for in the said section.

5.6 Disapproval of Plans or Improvements.

The Committee may disapprove plans and/or specifications because of non-compliance with any of the restrictions set forth within this Declaration, or because of dissatisfaction with the grading and drainage plan, the location of the structure on the Lot, the materials used, color scheme, finish, design, proportions, shape, height, size, style, type, landscaping or appropriateness of the proposed improvement or alteration, materials used therein, the kind, shape or type of roof proposed to be placed thereon, the number of trees that must be removed, the degree of terrain alteration involved, the greater elevation of

the structure, or because of its reasonable dissatisfaction with any matter or thing which, from the judgment of the Committee, would render the proposed improvement or alteration inharmonious with, or out of keeping with, the objectives of the Committee, the Subdivision, or with improvements erected or to be erected on the Lots in the Subdivision, including purely aesthetic considerations.

5.7 Submission of Required Plans, Specifications, and Information and Payment of Review Fee.

Any Lot Owner or agent of Lot Owner submitting plans, specifications, and information as required in 5.3 for Committee review, shall provide one copy of each required item to the Registered Agent of the Association and one copy to at least one member of the Committee. The applicants, to obtain proper submission of plans, specifications, and information, shall be required to obtain a signed and dated receipt from the Registered Agent and one Committee member acknowledging what has been submitted and received as of said date and must pay in advance the review fee and any additional sums the Committee or Directors require in advance to retain consultants, experts, or other professional. If a Committee has not been appointed by the Board of Directors, the submission requirements set forth herein shall be satisfied upon submission to the Registered Agent of the Association. If the Association has not been commenced at the time of submission and request, the submission requirements shall be satisfied upon delivery of the required plans, specifications, and information to the Registered Agent of the Declarant.

5.8 Approval Time Schedule.

In the event the Committee fails to approve plans, request additional information, or disapprove plans within thirty (30) days after proper submission of required materials and payment of review fees and additional fees requested, then such approval will not be required, but all other limitations, conditions, and restrictions set forth in the Declaration shall apply and remain in force as to such plans.

5.9 Committee Approval.

Committee approval shall be deemed given if the plans, specifications, and information submitted for approval are marked or stamped as have been finally approved by the Committee and are dated and signed by two (2) members of the Committee who are validly serving on the Committee on the date of such approval, and all actual expenses and costs incurred by the Committee with regard to the plans, specifications, and information have been paid to the Committee.

5.10 Review Fee.

The Committee may charge a review fee of a maximum of Two Hundred Fifty (\$250.00) Dollars to any Lot Owner, Builder, or authorized agent of Lot Owner for the purpose of reviewing plans for the

construction of the residence. In addition to said review fee, the Committee may require the Lot Owner, Builder or authorized agent who is submitting plans, specifications, and information to the Committee for review and approval, to be charged and obligated to pay all actual expenses of the Committee, including, without limitation, professional review fees of independent consultants, experts, surveyors, attorney's fees, and other professional fees.

The review fee charged by the Committee shall be paid to the Association, and the Board of Directors shall determine how the review fee shall be utilized.

5.11 Construction Completion.

Upon the completion of the proposed plans and specifications, the Applicant, upon request of the Committee or the Board of Directors, shall be required to supply proof, including without limitation, a certificate from a licensed architect that the improvements have been constructed as shown on the approved plans, specifications and information. The cost of providing the aforesaid proof shall be the sole obligation of the Lot Owner to the lot where such improvements have been made. If the Lot Owner refuses or neglects to provide said proof within thirty (30) days after said written request to the Lot Owner at Lot Owner's last-known address by First Class Mail, the Committee or Board of Directors are authorized to retain such architect or person necessary in order to make the required determination and issue said certification report; said cost and expense to obtain said report shall be charged to the Lot Owner and assessed as a lien against said Lot, as it authorized for general and special assessments in Section 4.

5.12 Committee Liability.

In no event shall either Declarant, Association Directors, or the Architectural Review Committee have any liability whatsoever to anyone for their approval or disapproval of plans, specifications, or information that have been submitted, whether such alleged liability is based on negligence, tort, express or implied contract, fiduciary duty, or otherwise. By way of example, neither Declarant, Association Directors, nor the Architectural Review Committee shall have liability to anyone for approval of plans, specifications, information or the like which are not in conformity with the provisions of this Declaration, or for disapproving plans, specifications, information or the like which arguably are in conformity with the provisions hereof.

SECTION 6 -

DEDICATION OF, AND PROPERTY RIGHTS IN, COMMON AREA

6.1 Dedication of Common Area.

The Declarant hereby dedicates and conveys to each Lot Owner of a Lot in the Subdivision a right and easement of enjoyment in and to the common area (also referred to on plot plan as "park area") which shall remain in its natural condition; and hereby covenants that within ten (10) years after the date the plat has been recorded, it will convey the common area to the Association, free and clear of all liens and encumbrances, except as set forth herein. Title to the common area shall vest in the Association, subject to the rights and easements of enjoyment in and to such common area by the Lot Owners. Said easement of enjoyment shall not be personal, but shall be considered to be appurtenant to the lot, and shall pass with the title to the lots, whether or not specifically set forth in the deeds of conveyance of the lots. The Association shall properly maintain the landscaping of the common areas, boulevards and berms within the Subdivision.

6.2 Lot Owner's Easement of Enjoyment.

The Declarant hereby grants to each Lot Owner and his respective successors and assigns, appurtenant, non-exclusive and perpetual easements for pedestrian ingress and egress over the common areas, except to the extent limited herein and as specifically precluded in 6.3(D).

6.3 Limitations of Easements.

The rights and easements of each Lot Owner in and to the common areas shall be subject to the following prior rights of the Association, the Declarant and/or third parties in addition to other limitations set forth in this Declaration:

A. The right of the Association to levy and collect assessments, as set forth within this Declaration;

B. The right of the Association to suspend the voting rights and right to use the common areas by a Lot owner for any period during which any assessment against his Lot, or fines, fees or charges to Lot Owner, remains unpaid and for any infraction by a Lot Owner of the Association's published rules and regulations for the duration of the infraction and for an additional period thereafter not to exceed sixty (60) days;

C. The right of the Association to grant easements, over, under, or across any part of the common areas or to dedicate, grant, or transfer all or any part of the common areas to any public agency, authority, or utility, for such purposes, and subject to such conditions as may be agreed to by the members. No such dedication, grant, or transfer shall be effective unless an instrument agreeing to such dedication, grant or transfer signed by the Declarant if the Declarant has an ownership interest in any lot at the time of the grant, and fifty-one (51%) percent of the members have been recorded.

D. NO LOT OWNER SHALL HAVE A RIGHT OF ACCESS TO NOR RIGHT TO USE, THE BODY OF WATER REFERRED TO AS "ELIZABETH LAKE" EXCEPT FOR LOT OWNERS OF LOTS 23, 24, 25, 26, 27, 28, 29 AND 30 WHO ARE GRANTED ACCESS TO "ELIZABETH LAKE"; THIS RESTRICTION CANNOT BE REMOVED OR AMENDED BY ANY ACT OF THE ASSOCIATION OR ITS MEMBERS. If there is a separate, determinable tax bill for the common area on or adjacent to "Elizabeth Lake", in such event, Lot Owners of Lots 23, 24, 25, 26, 27, 28, 29 and 30 shall be the sole lot owners responsible to reimburse the Association for said tax bill and shall equally be responsible to pay to the Association in addition to other dues, the amount of said tax bill.

6.4 Declarant's Right to Dedicate or Transfer Property.

The Declarant reserves the right to dedicate or transfer all or any part of the common areas to any public agency, authority, or utility for such purposes and subject to such conditions as may be required by law or in the best interests of the Subdivision, as determined by the Declarant.

6.5 Delegation of Use.

Any Lot Owner may delegate, in accordance with the By-Laws, his right of enjoyment and use to the common areas to the members of his family, invitees, his tenants, or purchasers who reside on his lot, subject to this Declaration, the By-Laws and any rules and regulations promulgated pursuant to either of them, provided, said Lot Owner has not had his rights suspended.

6.6 Utility and Storm Drainage Easement.

The Declarant hereby dedicates and reserves the following easements:

A. Easements for the installation, maintenance, repair, replacement, modification, use and/or removal of utilities, underground television cable, telephone lines, sanitary and storm sewer lines, water mains, waterlines, drainage lines, surface drainage swales, and any other improvements which would serve the Subdivision, are reserved to the Declarant and its successors or assigns, in, on, under, and over the areas as shown on the Plat, and also in, on, under, and over a strip of land in width as designated on the plat on each side of and along the Fox Hollow, Laurel Springs Court, Woodbury Court and Fox Hollow Court roadways dedication to Wayne County.

B. Private easements for public utilities are granted and reserves, as shown on the plat.

The use of all or part of such easements may, at any time or times hereafter, be granted or assigned by the Declarant or its successors or assigns, to any person, firm, corporation, governmental unit, or agency which furnishes such services or utilities.

No buildings may be constructed or maintained over or on any easements; provided, however, that after the aforementioned utilities have been installed, planting, fencing (where permitted), or other lot line improvement shall be allowed, so long as they do not violate the provisions of this Declaration, and do not interfere with, obstruct, hinder, or impair the drainage plan of the Subdivision, and so long as access be granted, without charge or liability for damages, for the installation, maintenance, repair, replacement, modification and/or removal of the utilities, drainage lines, and/or additional facilities.

6.7 Necessity Easement.

Declarant hereby reserves an easement for itself and the Association, to enter upon any Lot, if necessary, to install, construct, operate, maintain, repair, or replace any common facility, such as utilities, whether under or above ground, and for any other proper purpose hereunder.

6.8 Signage.

Declarant reserves the right to own and maintain a sign at the entrance of the Subdivision which shall bear the name "Fox Hollow" and the words, "A Nottingham Partners Development". If the sign is dedicated to the Association, the sign or any replacement signs shall continue to bear the aforesaid inscription in prominent letters.

6.9 Easement Restriction.

No Lot Owner shall be permitted to grant any right-of-way or easement across his lot to any person or to benefit any parcel of property, except to exclusively benefit another lot within the Subdivision. The foregoing Restriction shall not include the usual utility easements.

SECTION 7 -

RESTRICTIONS ON THE USE OF COMMON AREA

7.1 Litter and Pollution.

No Lot Owner shall throw or allow to accumulate, on his or any other Lot or the common area, trash, refuse, or rubbish of any kind. No Lot Owner shall dump or otherwise dispose of contaminants, chemicals, motor oil, paint, gasoline, or petroleum distillates in, over, or within the Subdivision or the sanitary or storm sewer drains serving the Subdivision.

7.2 Liability.

The Association may maintain liability insurance in sufficient amounts for the purpose of protecting itself, as well as the Lot Owner, the Declarant, and the Builders from the burden of any liability resulting from accidents which may cause death or injury to anyone or damage or casualty to personal property while in the common area or on any property under the jurisdiction or control of the Association.

7.3 Published Rules.

The Association may promulgate rules and regulations specifically authorized hereunder and such other rules and regulations as may be reasonably necessary or helpful to achieve the quality of living in the Subdivision desired by the Declarant and the Association. All Lot Owners and their guests and invitees shall abide by such rules and regulations.

SECTION 8 - GENERAL PROVISIONS

8.1 Fines.

If any Lot Owner or its agent, representative, guest or employee have, through act or omission, been in violation of any of the provisions of the Declaration of Easements, Covenants, and Restrictions for Fox Hollow Subdivision, or any of its rules or regulations, the Lot Owner shall be obligated to pay to the Association Fifty and no/100 (\$50.00) Dollars per day per violation, commencing ten (10) days after the date of mailing of notice of violation, by first-class mail, with proper postage affixed thereto, by the Association, which fines shall continue to accrue daily until said violation is terminated. The fines that have accrued against the Lot Owner shall become payable to the Association as of the date that they accrue, and immediately thereafter, shall become a lien against the Lot Owner's lot, and enforceable in accordance with the provisions of Section 4.

8.2 Enforcement.

For violation or breach of any of the provisions herein, or of the rules and regulations as imposed by the Association, the Declarant and/or the Association shall have the right to proceed at law or in equity to compel compliance with the terms hereof and the rules and regulations, or to prevent the violation or breach and to foreclose any lien granted hereunder; such right to enforce provisions hereof and the rules and regulations of the Association, shall include, but not be limited to, the right to prevent or abate such violations, to compel compliance with the terms hereof, to enter upon any land within the Subdivision and correct any condition in and remove any building, structure, or improvement erected, installed, or maintained in violation of the terms hereof. If the Declarant or Association shall fail or refuse to enforce any violation after a request has been made by one or more Lot Owner(s), such Lot Owner(s) shall have the joint and several right to proceed in law or equity and to have the same rights of enforcement as does the Declarant or Association. Any costs incurred in such action by the Declarant, Association, or Lot Owners(s) seeking to compel compliance herein, shall be chargeable against the violating Lot Owner and shall constitute a lien against the Lot, which cost shall include, but not be limited to, the cost of removing

the offending improvements, actual attorney's fees, filing fees, court costs, expert fees, fines, and other litigation expenses.

Failure of the Declarant, the Association or any Lot Owner to enforce any provisions herein, or rules or regulations, shall in no event be deemed an estoppel or a waiver of the right to do so thereafter.

8.3 Right of Entry.

The Declarant and/or the Association shall have the right to enter upon any Lot for the purpose of mowing, cutting, weeding, or removing any unsightly growth, which, in the opinion of the Declarant or the Association, detracts from the overall attractiveness of the Subdivision or is hazardous to the health and welfare of the Subdivision; or for the purpose of entering upon to alter, repair, or change any improvement or thing which may be upon the Lot or common area in violation of the provisions herein, or the rules and regulations of the Association, so as to make such improvements or things conformed to such provisions or rules and regulations; or for the purpose of removing any debris or trash from the lot. The Declarant or the Association shall be under no obligation to take the aforesaid affirmative action. The Declarant or the Association may charge the Lot Owner for the entire cost of the work done by or for it, pursuant to the provisions of this section, which shall become payable to the Association upon demand or thereafter become a lien against the Lot Owner's Lot, enforceable in accordance with the provisions of Section 4 hereof.

8.4 Severability.

Invalidation of any one of the provisions herein by Judgment or Court Order shall not affect any other provisions which remaining provisions shall continue in full force and effect.

8.5 Amendment.

The provisions of this Declaration shall run with and bind the land for a term of twenty (20) years from the date of this Declaration as recorded, after which time they shall be automatically extended for successive periods of ten (10) years unless amended (or removed as allowed herein). This Declaration may be amended during the first twenty (20) year period by an instrument signed by not less than sixty-seven (67%) percent of the Lot Owners and thereafter by an instrument signed by not less than fifty-one (51%) percent of the Lot Owners. No amendment may be adopted without the consent of the Declarant at any time in which Declarant owns one (1) or more lots in the Subdivision. Any amendment must be recorded with the Wayne County Register of Deeds before the amendment becomes effective.

8.6 Assignment or Transfer of Rights and Powers.

Except as expressly limited by the Declaration, the Declarant reserves the right to assign to the

Association, in whole or in part, from time to time, any or all of the rights, powers, titles, easements, and estates hereby reserved or given to the Declarant, including the right and power to approve or disapprove any use, act, proposed action, or any other matter or thing. Any such assignment or transfer shall be made by appropriate instrument, in writing, and such Assignee shall thereupon have the same rights and powers, and be subject to the same obligations and duties as herein given, reserved to, and assumed by the Declarant in connection with the rights, powers and easements so assigned, and such instrument, when executed by such Assignee shall without further act, release the Declarant from all obligations, duties and liabilities in connection therewith.

8.7 Appointment of Declarant as Attorney-in-Fact.

All Lot Owners, their successors, and assigns, hereby irrevocably appoint the Declarant as their agent and attorney-in-fact for the purpose of executing a document necessary to allow Declarant to do anything which Declarant is entitled to do under the terms of this Declaration.

Section 6.1 Membership. Every person or entity who is the owner of a fee or of the equitable title in a lot when purchasing under a contract, and who is subject to assessment, either present or future, by the Corporation, pursuant to the provisions of any recorded instrument relating to assessment, shall be a member of the Corporation.
