In addition, a Co-Owner should not use a non-builder installed fuel-burning device (such as a generator, heater or the like) inside their Unit because they pose a significant risk of fire and/or carbon monoxide poisoning.

SNOW REMOVAL

The Villas of Northville Hills Condo Association provides for snow removal by a contracted Snow Removal Company.

Snow Removal Priority order is as follows:

Secondly, the driveways

Thirdly, the sidewalks and walkways

During snow removal operations, vehicles shall not be parked on the roadway. If vehicles are left in the driveway, the Contractor will plow behind and on the side of that vehicle to within approximately 2' of the vehicle. Hand shoveling will not be utilized to remove the snow closer to the cars. However, prior to departing the Villas at Northville Hills premises for the day, the Snow Removal company will re-inspect the premises. GUIDELINES/RULES VILLAS AT NORTHVILLE HILLS

TRASH

It is every Co-owner/Residents responsibility to make sure that their waste materials do not spill, blow away or otherwise negatively impact the beauty of the Villas. To assist the Co-owner/Residents in meeting this responsibility, the following guidelines should be followed:

The Township has provided each Co-Owner/Resident with two (2) heavy duty 64-gallon wheeled containers. One wheeled container [with black lid] is to be utilized for bagged garbage refuse and will be picked up by the Township's contractor weekly. The second wheeled container [with grey lid] is to be utilized for recyclable materials which will be picked up on a bi-weekly basis. All Co-Owner/Residents must use the provided containers or they may be denied service. If an additional or replacement container is needed, the Co-Owner /Resident should contact the Township at (248) 348-5820. The Township has advised that there will be no charge for such containers unless a given unit has a history of excessive replacements.

Containers, containing secured bagged materials or recyclable materials **shall NOT be put out to the curb before 6:00PM on the evening before the scheduled pick up day. To ensure trash and/or recycled material pick-ups on the day scheduled for pick-up, Co-owners/Residents should set out the container(s) before 7:00AM on scheduled pick-up day.** The lids for each container should open out towards the street. After trash pick-up, all containers should be taken in by the Co-Owner/Resident as soon as practicable and no later than the day of the pick-up. As this is an automated system, each co-owner is responsible for cleaning up any debris which may have been left after pick-up.

If a holiday falls on a Monday through Thursday, pickup will be delayed by one day. These Holidays are:

New Year's Day	Independence Day	Thanksgiving Day
Memorial Day	Labor Day	Christmas Day

The Township has published a list of rules as well as "frequently asked questions" relating to the pick-up of waste and recyclable materials. The pick-up schedule is also available on line. The Township's web-site is: www.twp.northville.mi.us Go to & click on the "Services" section at the bottom of their web-page and then to the "Solid Waste Collection Program" section.

LEASING OF UNITS

1. At least ten (10) days prior to presenting a lease or otherwise agreeing to grant possession of a Unit to potential lessees or occupants, the intention to lease must be disclosed by the Co-owner in writing to the Association and, at the same time, the Co-owner must supply the Association with a copy of the proposed lease for its review for its compliance with the Condominium Documents.
2. Any Lease must clearly require lessee to comply with Association's Articles of Incorporation, Master Deed, By-Laws and Association Rules and Regulations (the "Condominium Documents"). Additionally, the Co-owner is responsible to provide the lessee with a copy of the above stated documents.
3. Without written notice to the Association to the contrary, it will be assumed that any Lease shall transfer to the tenants all rights to use the General Common Element facilities and the Co-owner shall be deemed to have relinquished such rights of use during the entire term on the tenancy. If a Co-owner provides written notice to the Association that the Co-owner is retaining such rights of use, the Lease shall specifically indicate that the tenant and other occupants of the Unit and their guests shall have no such rights of access and use and are prohibited from using the same.
4. Prior to signing any lease or rental agreement any deficiencies in the lease form shall be corrected to the satisfaction of the Association, including the execution by Co-owner and Tenant of an Addendum containing necessary additional terms, if so requested by the Association.
5. Prior to granting occupancy to a Unit to any Tenant, Lessee or other Non-Co-owner occupant, the Co-owner is strongly advised to obtain a criminal background check and a credit report on such prospective occupant(s).
6. Prior to granting occupancy to a Unit to any Tenant, Lessee or other Non-Co-owner occupant, the Co-owner is strongly advised to make sure such occupant carries a sufficient "renter's insurance policy" covering all personal property of such occupant as well as adequate liability insurance for occurrences inside the Co-owners Unit; and that both the Co-owner and the Association are listed as additional named insureds in said policy.
7. Once an approved rental agreement or lease is signed, the Co-owner shall provide the Association with a copy of the executed lease within 30 days of signing. If no lease is to be used, then the Co-owner shall supply the Association with the name and address of the lessees or occupants, along with the rental amount and due dates of any rental or compensation payable to the Co-owner, the due dates of that rental and compensation, and the term of the proposed arrangement.

**GUIDELINES/RULES
VILLAS AT NORTHVILLE HILLS**

8. All leases shall be for a minimum initial term of six (6) months and all leases shall be of the entire Unit and not anything less than the entire Unit. No subleasing or leasing of less than an entire Unit is allowed, except in extenuating circumstances pre-approved in writing by the Board of Directors.
9. The Co-owner acknowledges by signing any lease, rental or occupancy agreement, or by entering into the same without a written agreement, that the Co-owner shall be fully responsible to the Association for the conduct of the occupants of the Unit, that all communications will be sent by the Association to the Co-owner, that a full set of Condominium Documents has been given to the occupant by the Co-owner and that the Co-owner indemnifies, holds harmless and will be fully responsible for reimbursing the Association for any out of pocket costs, damages or expenses incurred by the Association as a result of dealing with the rented Unit or the occupants thereof; and that any and all such sums shall constitute an assessment under the Condominium Bylaws, will be secured by the statutory lien on the Unit and may be enforced as any other assessment in accordance with the Condominium Bylaws and the Michigan Condominium Act.
10. A Co-owner renting their Unit acknowledges that the Association has the following statutory rights in cases involving a violation of the Condominium Documents by their Tenants:
 - A. The Association shall notify the Co-owner by certified mail, advising of the alleged violation by the Tenant. The Co-owner shall have 15 days after receipt of the notice to investigate and correct the alleged violation by the Tenant or advise the Association that a violation has not occurred.
 - B. If after 15 days the Association believes that the alleged violation is not cured or may be repeated, it may institute an action for both eviction against the Tenant or non-Co-owner occupant and, simultaneously, for money damages against the Co-owner and Tenant or non-Co-owner occupant for breach of the conditions of the Condominium Documents. The relief provided for in this section may be by summary proceeding. The Association may hold both the Tenant and the Co-owner liable for any damages to the general common elements caused by the Co-owner or Tenant in connection with the Condominium Unit or Condominium Project.
11. A Co-owner renting their Unit acknowledges that the Association has the following statutory rights in cases involving nonpayment of Association assessments by the Co-owner:
 - A. When a Co-owner is in arrearage to the Association for assessments, the Association may give written notice of the arrearage to a Tenant occupying a Co-owner's unit under a lease or rental agreement, and the Tenant, after receiving the notice, shall deduct from the rental payments due the Co-owner the arrearage and future assessments as they fall due and pay them to the Association. The deduction does not constitute a breach of the rental agreement or lease by the Tenant. If the Tenant, after being notified, fails or refuses to remit rent otherwise due the Co-owner to the Association, the Association may do the following:

GUIDELINES/RULES VILLAS AT NORTHVILLE HILLS

- B. Issue a statutory notice to quit for non-payment of rent to the Tenant and shall have the right to enforce that notice by summary proceeding or by institution of an action for money damages.
