MASTER DEED

(Act 59, Public Acts Of 1978, As Amended)

THIS MASTER DEED is made and executed on the 28th day of
August, 1991, by WOODSIDE ASSOCIATES, a Michigan co-partnership,
hereinafter referred to as the "Developer," whose office is situated at 1400
Woodward Avenue, Suite 105, Bloomfield Hills, Michigan 48304, in pursuance of
the provisions of the Michigan Condominium Act, being Act 59 of the Public Acts
of 1978, as amended (the "Act").

WHEREAS, the Developer desires by recording this Master Deed,
together with the Condominium Bylaws attached hereto as Exhibit "A" and
together with the Condominium Subdivision Plan attached hereto as Exhibit "B"
(both of which are hereby incorporated by reference and made a part hereof) to
establish the real property described in Article II below, together with the
improvements located and to be located thereon, and the appurtenances thereto,
as a residential condominium project under the provisions of the Act.

NOW, THEREFORE, the Developer does, upon the recording hereof,
establish WOODSIDE VILLAGE CONDOMINIUM as a Condominium Project under
the Act and does declare that WOODSIDE VILLAGE CONDOMINIUM (the
"Condominium," "Project" or "Condominium Project") shall, after its
establishment, be held, conveyed, hypothecated, encumbered, leased, rented,
occupied, improved, or in any other manner utilized, subject to the provisions of
the Act and other applicable laws, and to the covenants, conditions, restrictions,
uses, limitations, and affirmative obligations set forth in this Master Deed and
Exhibits "A" and "B" hereto, all of which shall be deemed to run with the land and
shall be a burden and a benefit to the Developer, its successors and assigns, and
any persons acquiring or owning an interest in the Condominium Project (defined
below), their grantees, successors, heirs, executors, administrators and assigns. In
furtherance of the establishment of the Condominium Project, it is provided as
follows:

ARTICLE I

TITLE AND NATURE

The Condominium Project shall be known as WOODSIDE VILLAGE
CONDOMINIUM, Wayne County Condominium Subdivision Plan No. 3028. The
Condominium Project is established in accordance with the Act. The
Condominium Project shall consist of a maximum of 150 Units, 90 of which shall
be detached building sites and the remainder of which may be detached building
sites, detached single unit buildings or multi-unit buildings, each of which is
intended for separate ownership and use and shall be known as a Unit (as further
defined below). The Units contained in the Condominium, including the number,
boundaries, dimensions and area of each Unit are set forth completely in the
Condominium Subdivision Plan attached as Exhibit "B" hereto. Each Unit is
established for residential purposes only and is capable of individual utilization on
account of having its own entrance from and exit to a Common Element (defined
below) of the Condominium Project. The Developer is under no obligation to
construct any residence or other improvements upon any Unit, except as set forth herein. All residences and improvements to be constructed upon a Unit shall comply with the Developer's Architectural and Building Specifications and Use Restrictions set forth in detail in Article VI of the Condominium Bylaws, attached hereto as Exhibit "A." Each Co-owner in the Condominium Project shall have an exclusive right to his or its Unit and shall have undivided and inseparable rights to share with other Co-owners the Common Elements of the Condominium Project as are designated by this Master Deed.

Wherever used in these documents or any other pertinent instruments, the terms set forth below shall be defined as follows:

3.2 Association. "Association" means Woodside Village Condominium Association, the non-profit corporation organized under Michigan law of which all Co-owners (other than residential contractors or builders who purchase for resale) shall be members, which corporation shall administer, operate, manage and maintain the Condominium. Any action required of or permitted to the Association shall be exercisable by its Board of Directors unless specifically reserved to its members by the Condominium Documents (defined below) or the laws of the State of Michigan.

3.3 Association Bylaws. "Association Bylaws" means the corporate bylaws of the Association as distinguished from the Condominium Bylaws.

3.4 Common Elements. "Common Elements," where used without modification, shall mean both the "General Common Elements" and the "Limited Common Elements" defined and described in Article IV hereof.

3.5 Condominium Bylaws. "Condominium Bylaws" means "Exhibit "A" hereto, as may be amended from time to time in accordance herewith, being the bylaws setting forth the substantive rights and obligations of the Co-owners and required by Section 3(8) of the Act to be recorded as part of this Master Deed.
3.6 **Condominium Documents.** "Condominium Documents" wherever used means and includes this Master Deed and Exhibits "A" and "B" hereto and the Articles of Incorporation, Association Bylaws and rules and regulations, if any, of the Association, as these documents may be amended from time to time.

3.7 **Condominium Project, Condominium Or Project.** "Condominium Project," "Condominium" or "Project" means WOODSIDE VILLAGE CONDOMINIUM as a condominium project established in conformity with the provisions of the Act and includes the land described in Article II, above, and the buildings, all improvements and structures thereon, and all easements, rights and appurtenances now or hereafter belonging to WOODSIDE VILLAGE CONDOMINIUM.

3.8 **Condominium Subdivision Plan.** "Condominium Subdivision Plan" means Exhibit "B" hereto.

3.9 **Consolidating Master Deed.** "Consolidating Master Deed" means the final amended Master Deed which shall describe the Condominium Project as completed, and shall reflect the entire land area in the Condominium that may be added to the Condominium or which may result from withdrawals from the Condominium from time to time under Articles VII and VIII hereof, and all Units (but not the structures and improvements thereon) and Common Elements therein, and which shall express percentages of value pertinent to each Unit as finally readjusted. The Consolidating Master Deed, when recorded in the office of the Wayne County Register of Deeds, shall supersede the previously recorded Master Deed for the Condominium and all amendments thereto. In the event the Units and Common Elements in the Condominium are established in substantial conformance with the proposed Condominium Subdivision Plan attached as Exhibit "B" to this Master Deed, the Developer shall be able to satisfy the foregoing obligation by the filing of a certificate in the office of the Wayne County Register of Deeds confirming that the Units (but not the structures thereon) and Common Elements "as built" are in substantial conformity with the proposed Condominium Subdivision Plan and that no Consolidating Master Deed need be recorded.

3.10 **Co-owner Or Owner.** "Co-owner" means a person, firm, corporation, partnership, association, trust or other legal entity or any combination thereof who or which owns in fee simple, or is a vendee purchasing pursuant to land contract, one or more Units in the Condominium Project. The term "Owner," wherever used, shall be synonymous with the term "Co-owner."

3.11 **Declaration.** "Declaration" means the Declaration of Reciprocal Easements, Covenants and Restrictions with respect to the Phase II Property which will establish certain relationships between the Condominium Project and the Phase II Property which the Developer of the Condominium reserves the right to enter into with the owners of the Phase II Property subsequent to the establishment of the Condominium on terms and conditions acceptable to Developer as determined in its sole discretion.
3.12 Developer. "Developer" means WOODSIDE ASSOCIATES, a
Michigan co-partnership, which has made and executed this Master Deed, and its
successors and assigns. Both successors and assigns shall always be deemed to be
included within the term "Developer" whenever, however and wherever these
terms are used in the Condominium Documents.

3.13 Development And Sales Period. "Development and Sales
Period" for the purposes of the Condominium Documents and the rights reserved
to the Developer thereunder, means the period commencing with the recording of
this Master Deed and continuing for so long as (i) the Developer owns (including
ownership while the Developer is a land contract vendor or optionor) any Units
which it offers for sale or (ii) the Developer continues to develop, has the right to
develop or proposes to develop additional Units, whichever is longer.

3.14 First Annual Meeting. "First Annual Meeting" means the
initial meeting at which non-Developer Co-owners are entitled to vote for the
election of all Directors and upon all other matters which properly may be brought
before the meeting. Such meeting is to be held (a) in the Developer's sole
discretion after 50% of the Units which may be created are sold, or
(b) mandatorily within (i) 54 months from the date of the first Unit conveyance, or
(ii) 120 days after 75% of all Units which may be created are sold, whichever first
occurs.

3.15 Phase II Property. The land north of the Condominium Project
constituting the "Area of Future Development" as provided in Article VII hereof.

3.16 Transitional Control Date. "Transitional Control Date" means
the date on which a Board of Directors of the Association takes office pursuant to
an election in which the votes which may be cast by eligible Co-owners
unaffiliated with the Developer exceed the votes which may be cast by the
Developer.

3.17 Unit, Units Or Condominium Unit. "Unit," "Units" or
"Condominium Unit" each mean the space constituting a single complete
residential unit in the Condominium Project, as such space may be described on
Exhibit "B" hereto, and shall have the same meaning as the term "Condominium
Unit" defined in the Act. Unless otherwise stated, a Unit shall not include any
residence or other improvements constructed by or on behalf of the Co-Owner
within the perimeter of the Unit. All structures and improvements now or
hereafter located within the boundaries of a Unit, including utility service leads
and lines (to the extent not owned by the utility or the company providing
services), but excluding utility mains and storm sewer, sanitary sewer and water
main lines, shall be owned in their entirety by the Co-owner of the Unit within
which they are located and shall not, unless otherwise expressly provided in the
Condominium Documents, constitute Common Elements. The Developer does not
intend to and is not obligated to install any structures whatsoever within the
Units.

Whenever any reference herein is made to one gender, that reference
shall include a reference to any and all genders where the same would be
appropriate; similarly, whenever a reference is made herein to the singular, a
reference shall also be included to the plural where that reference would be
appropriate and vice versa.

L. Utilities. Notwithstanding the foregoing to the contrary, to the extent that some or all of the utility, telecommunications and cable television systems and lines, including mains and equipment described above, may be owned by the local public authority or by a company that is providing the service, such utility, telecommunications and cable television mains, lines and systems shall be General Common Elements only to the extent of the Co-owners' interest therein, if any, and the Developer makes no warranty whatsoever with respect to the nature or extent of such interest, if any. The extent of the Developer's and Association's responsibility will be to see to it that water, sanitary sewer, telephone, electric and natural gas mains are installed within reasonable proximity to the Units.

M. Units 89 and 90. In the event the Developer conveys legal title to Units 89 and 90 to the Association as provided for Article IX hereof, then Units 89 and 90 shall be General Common Elements.

N. Other. Such other elements of the Project not herein designated as General Common Elements or Limited Common Elements which are not enclosed within the boundaries of a Unit, and which are intended for common use or are necessary to the existence, upkeep and safety of the Project.

4.2 Limited Common Elements. The Limited Common Elements are those portions of the Common Elements reserved for the exclusive use and enjoyment of one or more but not all Co-owners. As of this date, there are no Limited Common Elements.

4.3 Responsibilities. The respective responsibilities for the maintenance, decoration, repair and replacement of the Common Elements are as follows:

A. Co-owner Responsibilities.

(i) Units. It is anticipated that separate residential dwellings will be constructed within the Units depicted on Exhibit "B" hereto together with various structures appurtenant to such dwellings. Except as otherwise expressly provided, the responsibility for and the costs of maintenance, decoration, repair and replacement of any dwelling and structure appurtenant to each dwelling shall be borne by the Co-owner of such Unit; provided, however, that the exterior appearance of the improvements within Units, to the extent visible from any other Unit or
Common Element in the Project, shall be subject at all times to the reasonable esthetic and maintenance standards prescribed by the Association in the Bylaws and in duly adopted rules and regulations. To the extent that any woodlands or wetlands easements or retention or detention area easements lie within Units, no one other than the Co-owner of the Unit shall be permitted to use and occupy such easement areas except that duly authorized representatives of the Association shall be permitted access in fulfillment of requirements imposed upon the Association by law for purposes of maintaining such easement areas.

(ii) **Utility Services.** Each Co-owner will be entirely responsible for arranging for and paying all costs in connection with extension of utilities by laterals from the mains to any structures or fixtures located within the Units. All costs of electricity, water, sanitary sewer, natural gas, cable television, telephone and any other utility services shall be borne by the Co-owner of the Unit to which those services are furnished. All utility meters, laterals and leads shall be maintained, repaired and replaced at the expense of the Co-owner whose Unit they service, except to the extent that expenses are borne by a utility company or a public authority, and the Association shall have no responsibility therefor.

(iii) **Lawn Maintenance.** The cost of maintenance, repair and replacement of each individual lawn and all landscaping within a Unit shall be borne by the Co-owner of the Unit of which such lawn is a part.

B. **Association Responsibilities.** The costs of maintenance, repair and replacement of all General Common Elements shall be borne by the Association, subject to any provisions of the Condominium Bylaws expressly to the contrary. The Association shall not be responsible, in the first instance, for performing any maintenance, repair or replacement with respect to dwellings and their appurtenant structures or any other improvements located within the Units. Nevertheless, in order to provide for flexibility in administering the Condominium, the Association, acting through its Board of Directors, may undertake such regularly recurring, reasonably uniform, periodic exterior maintenance functions with respect to dwellings constructed within any Unit boundaries and their appurtenant Limited Common Elements, if any, as it may deem appropriate and as 66 2/3% the Co-owners may agree (including, without
limitation, lawn mowing, snow removal and tree trimming). Nothing herein contained, however, shall compel the Association to undertake such responsibilities. Any responsibilities undertaken by the Association shall be charged to any affected Co-owner on a reasonably uniform basis and collected in accordance with the assessment procedures established under Article II of the Condominium Bylaws. The Developer, in the initial maintenance budget for the Association, shall be entitled to determine the nature and extent of any services and reasonable rules and regulations may be promulgated in connection therewith.

4.4 Use Of Units And Common Elements. No Co-owner shall use his Unit or the Common Elements in any manner inconsistent with the purposes of the Project or in any manner which will interfere with or impair the rights of any other Co-owner in the use and enjoyment of his or its Unit or the Common Elements. No Common Element shall be the subject of any action for partition unless the Project is terminated.

4.5 Utility Systems And Roads. In the event that, in the future, it shall be required by a public authority or public authorities or by a majority of Co-owners to install additional or extended public sewer and/or public water mains to serve the Units in the Condominium, then the collective costs assessable to the Condominium Project as a whole of installing any such additional or extended mains shall be borne equally by all Co-owners. Notwithstanding anything to the contrary contained herein, upon approval by an affirmative vote of not less than 70% of all Co-owners, the Association shall have the power and authority to sign petitions requesting establishment of a special assessment district pursuant to provisions of applicable Michigan statutes for improvement of roads within or adjacent to the Condominium.

In the event that a special assessment road improvement project is established pursuant to applicable Michigan law, the collective costs assessable to the Condominium as a whole shall be borne equally by all Co-owners. All road improvement special assessments levied by any public taxing authority shall be assessed in accordance with Section 131 of 1978 PA 55, as amended (MCL 559.231).

4.6 Township’s Right To Cure Deficiencies In Maintenance, Repair And Replacement. In the event the Association fails to provide adequate maintenance, repair or replacement of the common lands, wooded areas, passive recreation areas and roadways of the Project, the Township of Northville may serve written notice of such failure upon the Association. Such notice shall set forth the deficiencies demanded by the Township to be cured and state a reasonable period of time within which such deficiencies are to be cured which shall not be less than 20 days. If such deficiencies are not cured or satisfied if capable of cure within the cure period, or if not capable of cure within the cure period if the Association does not commence the cure within the cure period and complete such cure with due diligence, the Township may undertake such maintenance, repair or replacement and the cost thereof may be assessed against the Association and, if not paid, against the Co-owners equally, in the same manner as assessments are levied by the Association on its members. If such assessments are not paid, they shall become a lien on the Unit(s) of the members who fail to pay.
4.7 Co-Owner Negligence Or Fault. If the Association determines, in its sole discretion, that maintenance, repair, decoration or replacement is required as a result of the failure of a Co-owner to perform his or her responsibility as set forth in Section 4.3A above, or as a result of the negligence, fault or improper conduct of a Co-owner, the Association may perform the required work. The cost of any such maintenance, repair, decoration or replacement performed by the Association shall be the responsibility of the Co-owner and shall be added to, and paid in full along with and as part of, his next monthly Association assessment. Failure of the Co-owner to pay the charges incurred by the Association shall entitle the Association to proceed with all remedies set forth in Articles II, X and XI of the Condominium Bylaws.

4.8 Notice To Association Of Issuance Of A Certificate Of Occupancy. Each Co-owner shall notify the Developer and the Association in writing within three days after receipt of a temporary certificate of occupancy of (a) the receipt of the temporary certificate of occupancy, (b) the proposed location and date of closing, if applicable, (c) the projected date of occupancy, and (d) the names of all persons who will live in the residence.

ARTICLE V

UNIT DESCRIPTION AND PERCENTAGE OF VALUE

5.1 Description Of Units. Each Unit in the Condominium Project is described in this Section with reference to the Condominium Subdivision Plan of WOODSIDE VILLAGE CONDOMINIUM as prepared by Nowak and Fraus, Civil Engineers, and attached hereto as Exhibit "B." Each Unit shall consist of the space located within the Unit boundaries as shown on Exhibit "B" hereto and delineated with heavy outlines. The vertical boundaries of the Units may vary from time to time to accommodate changes in grade elevations. Accordingly, the Developer or, upon assignment, the Association shall have the right, in its sole discretion, to modify the Condominium Subdivision Plan to depict actual ground elevations and Unit boundaries. Even if no such amendment is undertaken, easements for maintenance of structures that encroach on Common Elements have been reserved in Article IX below.

5.2 Percentage Of Value. The percentage of value assigned to each Unit shall be equal. The determination that percentages of value should be equal was made after reviewing the comparative characteristics of each Unit in the Project and concluding that there are not material differences among the Units insofar as the allocation of percentages of value is concerned. The resulting percentages shall total precisely 100%. The percentage of value assigned to each Unit shall be determinative of each Co-owner's undivided interest of the Common Elements of the Condominium Project, the proportionate share of each respective Co-owner in the proceeds and the expenses of the administration and the value of each Co-owner's vote at meetings of the Association. The percentage of value allocated to each Unit may be changed only with the prior written approval of each institutional holder of a first mortgage lien on any Unit in the Project and with the unanimous consent of all of the Co-owners expressed in an amendment to this Master Deed, fully approved and recorded, except as provided in Article VI hereof, and except as expressly provided below with regard to Units 89 and 90.

Notwithstanding anything to the contrary set forth herein, the calculation of Percentages of Value and the allocation of various responsibilities
and ownership rights shall be on the basis of 88 Units even though the Condominium Subdivision Plan shows that the Condominium consists of 90 Units since Units 89 and 90 are unbuildable due to wetlands restrictions. Moreover, the Developer shall have the option to convey legal title to Units 89 and 90 to the Association in which event those Units shall become part to the General Common Elements. If, in the future, such Units become buildable due to a change in applicable governmental regulations then, and in that event, prospective adjustments to the Percentages of Value will be made to include 90 units in all relevant calculations hereunder it being understood, however, that the Percentages of Value shall always remain equal.

ARTICLE VI

CONSOLIDATION, MODIFICATION OF UNITS, LIMITED COMMON ELEMENTS

Notwithstanding any other provision of this Master Deed or the Condominium Bylaws, Units in the Condominium may be consolidated, modified and the boundaries relocated, in accordance with Section 48 of the Act and this Article; any changes in the affected Unit or Units shall be promptly reflected in a duly recorded amendment or amendments to this Master Deed.

A. By Developer. The Developer reserves the sole right during the Development and Sales Period and without the consent of any other Co-owner or any mortgagee of any Unit to take the following action:

(i) Consolidate Units; Relocate Boundaries. The Developer shall have the right, subject to applicable governmental authority, to consolidate under single ownership two or more Units which are located adjacent to one another, and relocate any boundaries between adjoining Units. Such consolidation of Units and relocation of boundaries of Units shall be given effect by an appropriate amendment or amendments to this Master Deed in the manner provided by law, which amendment or amendments shall be prepared by and at the sole discretion of the Developer, its successors or assigns.

(ii) Amend To Effectuate Modifications. In any amendment or amendments resulting from the exercise of the rights reserved to the Developer above, each portion of the Unit or Units resulting from the consolidation or relocation of boundaries shall be separately identified by number and the percentage of value as set forth in Article V hereof for the Unit or Units subdivided, consolidated or as to which boundaries are relocated shall be proportionately allocated to the resultant new Condominium Units in order to preserve a total value of 100% for the entire Project resulting from the
amendment or amendments to this Master Deed. The precise determination of the readjustments in percentage of value shall be within the sole judgment of the Developer. These readjustments, however, shall reflect a continuing reasonable relationship among percentages of value based upon the original method of determining percentages of value for the Project. Any amendment or amendments to this Master Deed shall also contain any further definitions of Common Elements as may be necessary to adequately describe the Units in the Condominium Project as so modified. All of the Co-owners and mortgagees of Units and other persons interested or to become interested in the Project from time to time shall be deemed to have irrevocably and unanimously consented to an amendment or amendments of this Master Deed to effectuate the foregoing and to any proportionate reallocation of percentages of value of Units which the Developer or its successors may determine necessary in conjunction with the amendment or amendments. All interested persons irrevocably appoint the Developer or its successors as agent and attorney-in-fact for the purpose of execution of any amendment or amendments to this Master Deed and all other documents necessary to effectuate the foregoing. Amendments may be effected without the necessity of rerecording an entire Master Deed or the Exhibits hereto.

B. **By Co-owners.** Subject to applicable governmental approval, Co-owners of adjoining Units may relocate boundaries between their Units or eliminate boundaries between two or more Units upon written request to and approval by the Association in accordance with Section 48 of the Act. Upon receipt of the request, the president of the Association shall present the matter to the Board of Directors for review and, if approved by the Board, cause to be prepared an amendment to this Master Deed duly relocating the boundaries, identifying the Units involved, reallocating percentages of value and providing for conveyancing between or among the Co-owners involved in relocation of boundaries. The Co-owners requesting relocation of boundaries shall bear all costs of resulting amendments. Any relocation or elimination of boundaries shall not become effective, however, until the amendment to this Master Deed has been recorded in the office of the Wayne County Register of Deeds and until all applicable governmental approvals have been obtained.
C. **Limited Common Elements.** Limited Common Elements shall be subject to assignment and reassignment in accordance with Section 39 of the Act and in furtherance of the rights to consolidate or relocate boundaries described in this Article VI.

**ARTICLE VII**

7.2 Increase In Number Of Units. Any other provisions of this Master Deed notwithstanding, the number of Units in the Project may, at the option of the Developer, from time to time, within a period ending no later than six years from the date of recording this Master Deed, be increased by the addition to this Condominium of any portion of the Area of Future Development. No Unit included in this Condominium shall be created within the Area of Future Development that is not restricted exclusively to residential use.

7.3 Expansion Not Mandatory. Nothing herein contained shall in any way obligate the Developer to enlarge the Condominium Project beyond the phase established by this Master Deed and the Developer may, in its discretion, establish all or a portion of said Area of Future Development as a rental development, a separate condominium project (or projects), or any other form of development, and may contract the Condominium Project pursuant to Article VIII hereof. There are no restrictions on the election of the Developer to expand or contract the Project other than as explicitly set forth herein. There is no obligation on the part of the Developer to add to the Condominium Project all or any portion of the Area of Future Development described in this Article VII, nor is there any obligation to add portions thereof in any particular order nor to construct particular improvements thereon in any specific locations.

7.4 Consent Of Interested Parties. All of the Co-owners and mortgagees of Units and other persons interested or to become interested in the Project from time to time shall be deemed to have irrevocably and unanimously consented to such amendments to this Master Deed as may be proposed by Developer to effectuate the foregoing and to any proportionate reallocation of percentages of value of Units which Developer may determine necessary in conjunction with such amendments. All such interested persons irrevocably appoint Developer as agent and attorney-in-fact for the purpose of execution of such amendments to the Master Deed and all other documents necessary to effectuate the foregoing. Such amendments may be effected without the necessity of rerecording the entire Master Deed or the Exhibits hereto and may incorporate by reference all or any pertinent portions of this Master Deed and the Exhibits hereto.
ARTICLE VIII

CONTRACTION OF CONDOMINIUM

8.1 Right To Contract. As of the date this Master Deed is recorded, the Developer intends to establish a Condominium Project consisting of 90 Units on the land described in Article II hereof all as shown on the Condominium Subdivision Plan. Developer reserves the right, however, to establish a Condominium Project consisting of fewer Units than described above and to withdraw from the Project all or some portion of the land in the Condominium other than that constituting Units 1 through 48 and any portion of the roadways immediately adjacent to such Units. Therefore, any other provisions of this Master Deed to the contrary notwithstanding, the number of Units in this Condominium Project may, at the option of the Developer, from time to time, within a period ending no later than six years from the date of recording this Master Deed, be contracted to any number determined by the Developer in its sole judgment, but in no event shall the number of Units be less than 48.

8.2 Withdrawal Of Land. In connection with such contraction, the Developer unconditionally reserves the right to withdraw from the Condominium Project such portion or portions of the land described in Article II as is not reasonably necessary to provide access to or otherwise serve the Units and their appurtenant Limited Common Elements, if any, included in the Condominium Project as so contracted. Developer reserves the right to use the portion of the land so withdrawn to establish, in its sole discretion, a rental development, a separate condominium project (or projects) or any other form of residential development.

8.3 Creation Of Easements. In the event of any such contraction, the Developer reserves for the benefit of itself, its successors or assigns, and all owners of the land described in Article II, or any portion or portions thereof, an easement for the unrestricted use of all roads and walkways in the Condominium for the purpose of ingress or egress to and from all or any portion of the Condominium Project as so contracted. Likewise, to the extent that any General Common Elements are withdrawn from the Condominium, the Developer shall cause any necessary, non-exclusive easements to be created over such withdrawn General Common Elements for the benefit of the Units which remain in the Condominium Project.

8.4 Amendment Of Master Deed. Any contraction in size of this Condominium Project shall be given effect by appropriate amendments to this Master Deed in the manner provided by law, which amendments shall be prepared by and at the discretion of the Developer or its successors and in which the percentages of value set forth in Article V hereof shall be proportionately reallocated in order to preserve a total value of 100% for the entire Project resulting from such amendments to this Master Deed. The precise determination of the readjustment in percentage of value shall be within the sole judgment of the Developer. Such readjustment, however, shall reflect a continuing reasonable relationship among percentages of value based upon the original method of determining percentages of value for the Project.

8.5 Redefinition Of Common Elements. Such amendments to the Master Deed shall also contain such further definitions and redefinitions of General or Limited Common Elements as may be necessary to adequately
describe, save and provide access to the Units in the Condominium Project as so contracted. In connection with any such amendments, Developer shall have the right to change the nature of any Common Elements previously included in the Project for any purpose reasonably necessary to achieve the purposes of this Article, including, but not limited to, the connection of roadways and sidewalks that may be located on, or planned for the area which is withdrawn from the Project, and to provide access to any Unit that is located on, or planned for the withdrawn area from the roadways and sidewalks located in the Project.

8.6 Consent Of Interested Parties. All of the Co-owners and mortgagees of Units and other persons interested or to become interested in the Project from time to time shall be deemed to have irrevocably and unanimously consented to such amendments to this Master Deed as may be proposed by Developer to effectuate the foregoing and to any proportionate reallocation of percentages of value of Units which Developer may determine necessary in conjunction with such amendments. All such interested persons irrevocably appoint Developer as agent and attorney-in-fact for the purpose of execution of such amendments to the Master Deed and all other documents necessary to effectuate the foregoing. Such amendments may be effected without the necessity of rerecording the entire Master Deed or the Exhibits hereto and may incorporate by reference all or any pertinent portions of this Master Deed and the Exhibits hereto.

ARTICLE IX

EASEMENTS AND RIGHT TO
DEDICATE ROAD AND/OR UTILITIES

9.1 Easement For Utilities And Maintenance Of Encroachments. There shall be easements to, through and over the land in the Condominium (including all Units) for the continuing maintenance, repair, replacement and enlargement of any utilities in the Condominium as depicted in the Condominium Subdivision Plan as the same may be amended from time to time. In the event any portion of structure located within a Unit encroaches upon another Unit or Common Element due to shifting, settling or moving of a building, or due to survey errors, or construction deviations or change in ground elevations, reciprocal easements shall exist for the maintenance of any encroachment for so long as the encroachment exists, and for maintenance thereof after rebuilding in the event of destruction.

9.2 Easements Retained By Developer.

A. Roadway Easements. Developer hereby reserves for the benefit of itself, its successors and assigns and all future owners of the land which may be added to the Project as described in Article VII or any portion or portions thereof perpetual easements for access to and utilization of the roadways within the Condominium Project. In the event Developer, its successors or assigns, utilizes and/or connects with the roadways located within the Condominium Project for the benefit of other land, the Developer shall be obligated to pay all of the expenses reasonably necessary to restore the Condominium Project to its state immediately prior to such utilization.
or connection. All expenses of maintenance, repair and replacement of any roadways referred to in this subsection shall be shared by this Condominium and any developed portions of the lands described in Article VII which are served by such roadways. The Co-owners of this Condominium shall be responsible from time to time for payment of a proportionate share of said expenses which shall be determined by multiplying such expenses times a fraction, the numerator of which is the number of Units in this Condominium, and the denominator of which is comprised of the numerator plus all other Units established on the land described in Article VII which benefit from such roadways. The Developer reserves the right at any time prior to two years after the expiration of the Development and Sales Period, and the Association shall have the right thereafter, to dedicate to the public any right-of-way as may be required by the local public authority. Any right-of-way dedication may be made by the Developer without the consent of any Co-owner, mortgagee or other person and shall be evidenced by an appropriate amendment to this Master Deed and to Exhibit "B" hereto, recorded in the Wayne County Records. All of the Co-owners and mortgagees of Units and other persons interested or to become interested in the Project from time to time shall be deemed to have irrevocably and unanimously consented to such amendment or amendments of this Master Deed to effectuate the foregoing right-of-way dedication.

B. Utility Easements. Developer hereby reserves for the benefit of itself, its successors and assigns and all future owners of the land which may be added to the Project as described in Article VII or any portion or portions thereof, perpetual easements to utilize, tap, tie into, extend and enlarge all utility mains located in the Condominium Project, including, but not limited to, water, gas, telephone, electrical, cable television, storm and sanitary sewer mains and storm water retention and detention areas. In the event Developer, its successors or assigns, utilizes, taps, ties into, extends or enlarges any utilities located on the Condominium Project, it shall be obligated to pay all of the expenses reasonably necessary to restore the Condominium Project to its state immediately prior to such utilization, tapping, tying in, extension or enlargement. All expenses of maintenance, repair and replacement of any utility mains referred to in this Section shall be shared by this Condominium and any developed portions of the land described in Article VII which are served by such utility mains. The Co-owners of this Condominium shall be responsible from time to time for payment of a proportionate share of said expenses which share shall be determined by multiplying such expenses times a
fraction, the numerator of which is the number of dwelling units in this Condominium, and the denominator of which is comprised of the numerator plus all other dwelling units in the land described in Article VII who benefit from such mains. Provided, however, that the foregoing expenses are to paid and shared only if such expenses are not borne by a governmental agency or public utility. Provided, further, that the expense sharing shall be applicable only to utility mains and all expenses of maintenance, upkeep, repair and replacement of utility leads shall be borne by individual Co-owners to the extent such leads are located on the Condominium and by the owner or owners of the land described in Article VII upon which are located the dwellings which such lead or leads service.

The Developer reserves, for the benefit of itself and its successors and assigns, the right at any time prior to the two years after the expiration of the Development and Sales Period to grant easements for utilities over, under and across the Condominium to appropriate governmental agencies or public utility companies and to transfer title of utilities to state, county or local governments. Any easements or transfers of title may be conveyed by the Developer without the consent of any Co-owner, mortgagee or other person and shall be evidenced by an appropriate amendment to this Master Deed and to Exhibit "B" hereto, recorded in the Oakland County Records. All of the Co-owners and mortgagees of Units and other persons interested or to become interested in the Project from time-to-time shall be deemed to have irrevocably and unanimously consented to any amendment or amendments of this Master Deed to effectuate the foregoing easement or transfer of title.

9.3 Grant Of Easements By Association. The Association, acting through its lawfully constituted Board of Directors (including any Board of Directors acting prior to the Transitional Control Date) shall be empowered and obligated to grant any easements, licenses, rights-of-entry and rights-of-way over, under and across the Condominium or with respect to easements across other land benefitting the Condominium Project for utility purposes, access purposes or other lawful purposes as may be necessary for the benefit of the Condominium, subject, however, to the approval of the Developer so long as the Development and Sales Period has not expired. No easements created under the Condominium Documents may be modified, nor may any of the obligations with respect thereto be varied, without the consent of each person benefitted or burdened thereby.

9.4 Easements For Maintenance, Repair And Replacement. The Developer, the Association and all public or private utilities shall have any easements as may be necessary over the Condominium Project, including all Units and Common Elements, to fulfill any responsibilities of maintenance, repair, decoration or replacement which they or any of them are required or permitted to perform under the Condominium Documents or by law or to respond to any emergency or common need of the condominium. While it is intended that each
Co-owner shall be solely responsible for the performance and costs of all maintenance, repair and replacement of and decoration of the residence and all other appurtenances and improvements constructed or otherwise located within his Unit and its appurtenant Limited Common Elements, it is nevertheless a matter of concern that a Co-owner may fail to properly maintain the residence and all other appurtenances and improvements constructed or located within his Unit or any Limited Common Elements appurtenant thereto in a proper manner and in accordance with the standards set forth in Condominium Bylaws. Therefore, in the event a Co-owner fails, as required by this Master Deed or the Condominium Bylaws, to properly and adequately maintain, decorate, repair, replace or otherwise keep his Unit or any improvements or appurtenances located therein or any Limited Common Elements appurtenant thereto, the Association (and/or the Developer during the Development and Sales Period) shall have the right, and all necessary easements in furtherance thereof, (but not the obligation) to take whatever action or actions it deems desirable to so maintain, decorate, repair or replace the Unit, its appurtenances or any of its Limited Common Elements, if any, all at the expense of the Co-owner of the Unit. Failure of the Association (or the Developer) to take any action shall not be deemed a waiver of the Association's (or the Developer's) right to take any such action at a future time. All costs incurred by the Association or the Developer in performing any responsibilities which are required, in the first instance to be borne by any Co-owner, shall be assessed against such Co-owner and shall be paid in full along with and as part of his monthly assessment next falling due; further, the lien for non-payment shall attach as in all cases of regular assessments and such assessments may be enforced by the use of all means available to the Association under the Condominium Documents and by law for the collection of regular assessments including, without limitation, legal action, foreclosure of the lien securing payment and imposition of fines.

9.5 **Telecommunications Agreements.** The Association, acting through its duly constituted Board of Directors and subject to the Developer's approval during the Development and Sales Period, shall have the power to make or cause to be made any installation and/or grant any easements, licenses and other rights of entry, use and access and to enter into any contract or agreement, including wiring agreements, right-of-way agreements, access agreements and multi-unit agreements and, to the extent allowed by law, contracts for sharing of any installation or periodic subscriber service fees as may be necessary, convenient or desirable to provide for telecommunications, videotext, broad band cable, satellite dish, earth antenna and similar services (collectively, "Telecommunications") to the Project or any Unit therein. Notwithstanding the foregoing, in no event shall the Board of Directors enter into any contract or agreement or grant any easement, license or right of entry or do any other act or thing which will violate any provision of any Federal, state or local law or ordinance. Any and all sums paid by any telecommunications or other company or entity in connection with such service, including fees, if any, for the privilege of installing any telecommunications-related equipment or sharing periodic subscriber service fees, shall be receipts affecting the administration of the Condominium Project within the meaning of the Act and shall be paid over to and shall be the property of the Association.
9.6 **Landscaping Easements.** Easements are hereby reserved over the area in each Unit in the Condominium not constituting part of the building envelope as depicted on the Condominium Subdivision Plan for the benefit of the Association and the Developer for the purpose of preserving, planting, transplanting and removing trees.

9.7 **Other Community Easements.** The Developer or the Association shall have the right to grant such further easements, including without limitation, easements for use of paths established for walking, hiking, jogging, cycling and for access purposes for all of the foregoing over or with respect to General Common Elements of the Condominium as may be necessary or desirable in furtherance of development, community usage, coordinated maintenance and operation of the Condominium. The Developer hereby specifically reserves the right to establish permanent easements over to be designated portions of Units 1, 88, 48 and 49 in order to locate monument signs, landscaping and other permanent identification for the Condominium, which easement areas will be maintained by the Association.

9.8 **Reciprocal Easements, Covenants And Restrictions.** This Master Deed is subject to the Planned Residential Unit Development Agreement, as may be amended from time to time, referred to in Article II hereof. Similarly, this Master Deed will be subject to the Declaration of Reciprocal Easements, Covenants and Restrictions described in Section 3.12 hereof. Developer expressly reserves the right to enter into such Declaration of Reciprocal Easements, Covenants and Restrictions with the owners of certain adjoining land on terms and conditions acceptable to it in its sole discretion without the consent of Co-Owners, builders or residential contractors or mortgagees. Further, Developer expressly confirms the reservation of rights in creation of obligations as either are, or will be, set forth in those documents.

9.9 **Conveyance To Association.** The Developer shall have the right to convey to the Association legal title to Units 89 and 90, which Units are presently unbuildable due to wetlands restrictions. In the event the Developer, in its sole discretion, elects to convey Units 89 and 90 to the Association, then those Units shall become part of the General Common Elements and the Association shall be responsible for maintenance, repair, and replacement for Units 89 and 90 including, but not limited to lawn mowing, snow removal and tree trimming and all costs for such maintenance, repair and replacement shall be borne by the Association and collected in accordance with the assessment procedures established under Article II of the Condominium Bylaws.

**ARTICLE X**

**AMENDMENT**

This Master Deed and the Condominium Subdivision Plan (Exhibit "B" to this Master Deed) may be amended with the consent of 66 2/3% of the Co-owners, except as hereinafter set forth:

10.1 **Modification Of Units Or Common Elements.** No Unit dimension may be modified in any material way without the consent of the Co-owner and mortgagee of the Unit to be modified nor may the nature or extent of Limited Common Elements, if any, or the responsibility for maintenance, repair or replacement of any Common Elements be modified without the written consent
of the Co-owner and mortgagee of any Unit to which the Limited Common Elements are appurtenant or serve, except as otherwise expressly provided to the contrary in other portions of this Master Deed, the Condominium Bylaws and/or other Condominium Documents.

10.2 **By Developer.** Prior to two years after the expiration of the Development and Sales Period, the Developer may (without the consent of any Co-owner or any other person) amend this Master Deed and the Condominium Subdivision Plan attached as Exhibit "B" in order to correct survey or other errors made in any documents and to make any other amendments to the Master Deed and to the Condominium Bylaws attached hereto as Exhibit "A" and other Condominium Documents as do not materially affect any rights of any Co-owner or mortgagee in the Project including, without limitation, amendments for the purpose of facilitating conventional mortgage loan financing for existing or prospective Co-owners and to enable the purchase of such mortgage loans by the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association, the Governmental National Mortgage Association and/or any other agency of the federal government or the State of Michigan.

10.3 **Change In Percentage Of Value.** The value of the vote of any Co-owner and the corresponding proportion of common expenses assessed against any Co-owner shall not be modified without the written consent of the affected Co-owner and his mortgagee nor shall the percentage of value assigned to that Unit be modified without like consent, except as otherwise provided in Articles V and VI hereof.

10.4 **Developer Approval.** During the Development and Sales Period, the Condominium Documents shall not be amended nor shall the provisions thereof be modified in any way without the written consent of the Developer.

10.5 **Termination, Vacation, Revocation, Abandonment.** The Condominium Project may not be terminated, vacated, revoked or abandoned (except as provided in Article VIII) without the written consent of 95% of all non-Developer Co-owners and all first mortgagees of record allocating one vote for each mortgage held.

10.6 **Mortgagee Consent.** Whenever a proposed amendment would materially alter or change the rights of mortgagees generally, then the amendments shall require the approval of 66 2/3% of all mortgagees of records allocating one vote for each mortgage held.

10.7 **No Amendment.** Notwithstanding anything to the contrary contained herein, neither the Developer nor the Association shall, without the prior written consent of the Township of Northville, amend any provision of the Condominium Documents which amendment shall have the effect of negating, reducing or impairing the right of the Township of Northville to repair, maintain or replace any deficient Common Elements pursuant to terms contained in (i) the Planned Residential Unit Development Agreement described in Article II or (ii) the Condominium Documents.
ARTICLE XI

OPERATIVE PROVISIONS

11.1 Amendment Of Master Deed And Modification Of Percentage Of Value. Any change in size of the Condominium Project pursuant to Articles VII or VIII shall be given effect by an appropriate amendment or amendments to this Master Deed in the manner provided by law, which amendment or amendments shall be prepared by and at the discretion of the Developer or its successors and in which the percentages of value set forth in Article V, above, shall be proportionately adjusted or readjusted in order to preserve a total value of 100% for the entire Project resulting from any amendment or amendments to this Master Deed. The precise determination of the adjustments or readjustments in percentages of value shall be within the sole judgment of the Developer. The adjustments or readjustments, however, shall reflect a continuing reasonable relationship among percentages of value based upon the method of original determination of percentages of value for the Project.

11.2 Redefinition Of Common Elements. The amendment or amendments to this Master Deed shall also contain any further definitions and redefinitions of Common Elements as may be necessary to adequately describe, provide access to and service the additional phase being added to the Project by the amendment. In connection with any amendment or amendments, the Developer shall have the right to change the nature of any Common Element previously included in the Project for any purpose reasonably necessary to achieve the purposes of this Article.

11.3 Consents Of Interested Persons. All of the Co-owners and mortgagees of Units and other persons interested or to become interested in the Project from time to time shall be deemed to have irrevocably and unanimously consented to any amendment or amendments of this Master Deed as may be proposed by Developer to effectuate the purposes of Articles VII and VIII and to any proportionate reallocation of percentages of value of existing Units which the Developer or its successors may determine necessary in conjunction with any amendment or amendments or as is set forth in Section 5.2 hereof. All interested persons irrevocably appoint the Developer, or its successors, their agent and attorney-in-fact for the purpose of execution of any amendment or amendments to this Master Deed and all other documents necessary to effectuate the foregoing. Amendments may be effected without the necessity of rerecording an entire Master Deed or the Exhibits thereto and may incorporate by reference all or any pertinent portions of this Master Deed and the Exhibits hereto; provided, however, that a Consolidating Master Deed, when recorded, shall supersede the previously recorded Master Deed and all amendments thereto.

11.4 Consolidating Master Deed. A Consolidating Master Deed shall be recorded pursuant to the Act when the Project is finally completed as determined by the Developer in order to Incorporate into one set of instruments all successive stages of development. The Consolidating Master Deed, when recorded, shall supersede the previously recorded Master Deed and all amendments thereto. In the event the Units and Common Elements in the Condominium are established in substantial conformance with the proposed Condominium Subdivision Plan attached as Exhibit "B" to this Master Deed, the Developer shall be able to satisfy the foregoing obligation by the filing of a certificate in the office of the Wayne County Register of Deeds confirming that
the Units (but not the structures thereon) and Common Elements "as built" are in substantial conformity with the proposed Condominium Subdivision Plan and that no Consolidating Master Deed need be recorded.

ARTICLE XII

DEVELOPER'S RIGHT TO USE FACILITIES

Developer, its successors and assigns, agents and employees may maintain such offices, reasonable parking, storage areas and other facilities on the premises of WOODSIDE VILLAGE CONDOMINIUM as it deems necessary to facilitate the development and sale of the Project. Developer shall have such access to, from and over the Project as may be reasonable to enable the development and sale of WOODSIDE VILLAGE CONDOMINIUM. Developer shall pay the cost related to such use and restore the facilities to habitable status upon termination of such use.

ARTICLE XIII

ASSIGNMENT

Any or all of the rights and powers granted or reserved to the Developer in the Condominium Documents or by law, including the power to approve or disapprove any act, use of proposed action or any other matter or thing, may be assigned by it to any other person or entity or to the Association. Any assignment or transfer shall be made by appropriate instrument in writing duly recorded in the office of the Wayne County Register of Deeds.

WOODSIDE VILLAGE CONDOMINIUM

ARTICLE I

ASSOCIATION OF CO-OWNERS

1.1 Formation; Membership. WOODSIDE VILLAGE
CONDOMINIUM, a residential condominium project located in Northville
Township, Wayne County, Michigan, shall be administered by an association of
Co-owners which shall be a non-profit corporation, hereinafter called the
"Association," organized under the applicable laws of the State of Michigan, and
responsible for the management, maintenance, operation and administration of the
Common Elements, easements and affairs of the Condominium Project in
accordance with the Master Deed, these Bylaws, the Articles Of Incorporation,
Bylaws and duly adopted rules and regulations of the Association, and the laws of
the State of Michigan. These Bylaws shall constitute the Bylaws referred to in the
Master Deed and required by Section 3(8) of the Act. Each Co-owner shall be
entitled to membership and no other person or entity shall be entitled to
membership; provided, however, that no residential contractor or builder (other
than Developer) who purchases for resale shall be entitled to membership. In the
event of a sale of a Unit pursuant to a land contract, the land contract vendee
(other than a residential contractor or builder described above) shall be entitled to
membership. The share of a Co-owner in the funds and assets of the Association
cannot be assigned, pledged or transferred in any manner except as an
appurtenance to his Unit. The Association shall keep current copies of the Master
Deed, all amendments to the Master Deed and other Condominium Documents for
the Condominium Project available at reasonable hours to Co-owners, prospective
purchasers and prospective mortgagees of Units in the Condominium Project. All
Co-owners in the Condominium Project and all persons using or entering upon or
acquiring any interest in any Unit therein or in the Common Elements thereof
shall be subject to the provisions and terms set forth in the Condominium
Documents.

1.2 Definitions. Capitalized terms used herein without further
definition shall have the meanings ascribed to them in the Master Deed or the Act
unless the context dictates otherwise.

1.3 Voting. Voting by members of the Association shall be in
accordance with the following

A. Vote. Except as limited in these Bylaws, each Co-owner
shall be entitled to one vote for each Unit owned.

B. Eligibility To Vote. No Co-owner, other than the
Developer, shall be entitled to vote at any meeting of
the Association until that Co-owner has presented
evidence of ownership of a Unit in the Condominium
Project to the Association. Except as provided in
Article XIII of these Bylaws, no Co-owner, other than the
Developer, shall be entitled to vote prior to the first annual meeting of members held in accordance with Article XIII. The vote of each Co-owner may only be cast by the individual representative designated by that Co-owner in the notice required in Subsection C, below, or by a proxy given by the individual representative. The Developer shall be the only person entitled to vote at a meeting of the Association until the first annual meeting of members and shall be entitled to vote during that period notwithstanding the fact that the Developer may own no Units at some time or from time to time during that period. At and after the first annual meeting of members, the Developer shall be entitled to one vote for each Unit which it owns.

C. Designation Of Voting Representative. Each Co-owner shall file a written notice with the Association designating the individual representative who shall vote at meetings of the Association and receive all notices and other communications from the Association on behalf of the Co-owner. In the event a Co-owner designates himself as individual representative, he need not file any written notice and the failure of any Co-owner to file any written notice shall create a presumption that the Co-owner has designated himself as representative. The notice shall state the name and address of the individual representative designated, the number or numbers of the Condominium Unit or Units owned by the Co-owner, and the name and address of each person, firm, corporation, partnership, association, trust or other entity who is the Co-owner. The notice shall be signed and dated by the Co-owner. The individual representative designated may be changed by the Co-owner at any time by filing a new notice in the manner herein provided.

D. Annual Meeting. There shall be an annual meeting of the members of the Association commencing with the first annual meeting held as provided in Article XIII. Other meetings may be provided for in the Bylaws of Woodside Village Condominium Association, a Michigan Non-Profit Corporation (the "Association Bylaws"). Notice of time, place and subject matter of all meetings shall be given as provided in the Association Bylaws.

E. Quorum. The presence, in person or by proxy, of 35% in number of the Co-owners qualified to vote shall constitute a quorum for holding a meeting of the members of the Association, except for voting on questions specifically required herein to require a greater quorum. The written vote of any person furnished at or prior to any duly called meeting at which meeting that person is not otherwise present in person or
by proxy shall be counted in determining the presence of a quorum with respect to the question upon which the vote is cast.

F. **Voting.** Votes may be cast in person or by proxy or by a writing duly signed by the designated voting representative not present at a given meeting in person or by proxy. Proxies and any written votes must be filed with the Secretary of the Association at or before the appointed time of each meeting of the members of the Association. Cumulative voting shall not be permitted.

G. **Majority.** A majority, except where otherwise provided herein, shall consist of more than 50% of those qualified to vote and present in person or by proxy (or written vote, if applicable) at a given meeting of the members of the Association. Whenever provided specifically herein, a majority may be required to exceed the simple majority hereinabove set forth of designated voting representatives present in person or by proxy, or by written ballot, if applicable, at a given meeting of the members of the Association.

H. **Other Provisions.** Other provisions as to voting by members, not inconsistent with the provisions herein contained, may be set forth in the Association Bylaws.

1.4 **Association Bylaws.** The Association Bylaws shall provide the designation, number, terms of office, qualifications, manner of election, duties, removal and replacement of the officers of the Association and may contain any other provisions pertinent to officers of the Association in furtherance of the provisions and purposes of the Condominium Documents and not inconsistent therewith. Officers may be compensated but only upon the affirmative vote of more than 66 2/3% of all Co-owners.

**ARTICLE II**

**ASSESSMENTS**

All expenses arising from the management, administration and operation of the Association in pursuance of its authorizations and responsibilities as set forth in the Condominium Documents and the Act shall be levied by the Association against the Units and the Co-owners thereof in accordance with the following provisions:

2.1 **Personal Property Taxes Assessed Against Association.** The Association shall be assessed as the person or entity in possession of any tangible personal property of the Condominium owned or possessed in common by the Co-owners, and personal property taxes based thereon shall be treated as expenses of administration.

2.2 **Expenditures And Receipts Affecting Administration Of The Project.** All costs incurred by the Association in satisfaction of any liability arising within, caused by, or connected with the Common Elements or the
administration of the Condominium Project shall constitute expenditures affecting the administration of the Project, and all sums received as the proceeds of, or pursuant to, a policy of insurance securing the interest of the Co-owners against liabilities or losses arising within, caused by, or connected with the Common Elements or the administration of the Condominium Project shall constitute receipts affecting the administration of the Condominium Project, within the meaning of Section 54(4) of the Act.

2.3 Determination Of Assessments. Assessments shall be determined in accordance with the following provisions:

A. Budget. The Board of Directors of the Association shall establish an annual budget (the "Budget") in advance for each fiscal year and the Budget shall project all expenses for the forthcoming year which may be required for the proper operation, management, and maintenance of the Condominium Project, including a reasonable allowance for contingencies and reserves. An adequate reserve fund for maintenance, repairs and replacement of those Common Elements that must be replaced by the Association on a periodic basis must be established in the Budget and must be funded by regular monthly payments as set forth in Section 2.4, below, rather than by special assessments. At a minimum, the reserve fund shall be equal to 10% of the Association's current annual Budget on a noncumulative basis. The Association of Co-owners should carefully analyze the needs and requirements of the Condominium Project to determine if a greater amount should be set aside, or if additional reserve funds should be established for other purposes from time to time. Upon adoption of the Budget by the Board of Directors, copies of the Budget shall be delivered to each Co-owner and the assessment for that year shall be established based upon the Budget, although the delivery of a copy of the Budget to each Co-owner shall not affect the liability of any Co-owner for any existing or future assessments. If the Board of Directors, at any time determines, in its sole discretion, that the assessments levied are or may prove to be insufficient (i) to pay the costs of operation and management of the Condominium, (ii) to provide repairs or replacements of existing Common Elements, (iii) to provide additions to the Common Elements not exceeding $5,000.00 per year for the entire Condominium Project or (iv) in the event of emergencies, then the Board of Directors shall have the authority to increase the general assessment or to levy additional assessment(s) as it shall deem necessary. The Board of Directors also shall have the authority, without Co-owner consent, to levy assessments for repair and reconstruction in the event of casualty pursuant to the provisions of Section 5.1 hereof. The discretionary authority of the Board of Directors to levy assessments pursuant to this Article shall rest solely with the Board.
of Directors for the benefit of the Association and the members thereof, and shall not be enforceable by any creditors of the Association or the members thereof.

B. **Special Assessments.** Special assessments, in addition to those required in Subsection A, above, may be made by the Board of Directors from time to time (if approved by the Co-owners as hereinafter provided) to meet other needs or requirements of the Association, including, but not limited to (i) assessments for capital improvements for additions to Common Elements exceeding $5,000.00 per year, (ii) assessments to purchase a Unit upon foreclosure of the lien for assessments described in Section 2.6 hereof or (iii) assessments for any other appropriate purpose not elsewhere herein described. Special assessments referred to in this Subsection B (but not including those assessments referred to in Subsection A, above, which shall be levied in the sole discretion of the Board of Directors) shall not be levied without the prior approval of more than 66 2/3% of all Co-owners. The authority to levy assessments pursuant to this Subsection is solely for the benefit of the Association and the members thereof and shall not be enforceable by any creditors of the Association or the members thereof. Notwithstanding the foregoing, if at some time subsequent to the initial development it becomes necessary to pave or improve some or all of the roads within or adjacent to the Condominium, the improvement may be financed, in whole or in part, by the creation of a special assessment district or districts which may include WOODSIDE VILLAGE CONDOMINIUM. All Co-owners agree that the Board of Directors of the Association shall be vested with full power and authority to obligate all Co-owners to participate in a special assessment district, sign petitions requesting said special assessment, and consider and otherwise act on all assessment issues on behalf of the Association and all Co-owners; provided, however, that prior to signature by the Association on a petition for improvement of such public roads, the desirability of said improvement shall be approved by an affirmative vote of not less than 70% of all Co-owners. All road improvement special assessments levied by any public taxing authority shall be assessed in accordance with Section 131 of 1978 PA 59, as amended (MCL 559.231).

C. **Other Assessments.** In addition to the assessments set forth above, the Association shall collect a pro rata share from each Co-owner of all assessments levied against the Association pursuant to the Declaration of Reciprocal Easements, Covenants and Restrictions and the Planned Residential Unit Development Agreement as defined in Articles II and III of the Master Deed. The default and enforcement provisions contained in this
Article and in Articles X and XI shall apply with respect to the collection of all assessments levied pursuant to the foregoing documents.

2.4 Apportionment Of Assessments And Penalty For Default. Unless otherwise provided herein or in the Master Deed, all assessments levied against the Co-owners to cover expenses of administration shall be apportioned among and paid by the Co-owners equally. Annual assessments as determined in accordance with Subsection 2.3A, above, shall be payable by Co-owners in full on or before the due date for such payment. Assessments in default shall bear interest from the date of default (regardless of when notice of default is given) at the rate of the lesser of 15% per annum or the maximum legal rate of interest permitted by law, until paid in full. The Association may levy reasonable late charges or fines for late payment in addition to interest, including the assessment of fines for chronic or continuing late payment of assessments. Each Co-owner (whether one or more persons) shall be, and remain, personally liable for the payment of all assessments pertinent to his Unit which may be levied while Co-owner is the owner thereof (including interest, fines for late payment, late charges and all costs of collection and enforcement of payment), except that a land contract purchaser from any Co-owner (including the Developer) shall be so personally liable and the land contract seller shall not be personally liable for all assessments levied up to and including the date upon which the land contract seller actually takes possession of the Unit following extinguishment of all rights of the land contract purchaser in the Unit. Payments on account of installments of assessments in default shall be applied as follows:

A. the costs of collection and enforcement of payment, including actual attorneys' fees;

B. to any interest charges and fines for late payment on the installments; and

C. to installments in default in order of their due dates.

2.5 Waiver Of Use Or Abandonment Of Unit. No Co-owner may exempt himself from liability for his contribution toward the expenses of administration by waiver of the use or enjoyment of any of the Common Elements or by the abandonment of his Unit.

2.6 Enforcement. In addition to any other remedies available to the Association, the Association may enforce collection of delinquent assessments by any lawful means, including but not limited to, a suit at law for a money judgment or by foreclosure of the statutory lien that secures payment of assessments. In the event of default by any Co-owner and the payment of any installments of the assessment levied against his Unit, the Association shall have the right to declare all unpaid installments of annual assessment for the pertinent fiscal year immediately due and payable.

A. Foreclosure Proceedings. Each Co-owner, and every other person who from time to time has any interest in the Project, shall be deemed to have granted to the Association the unqualified right to elect to foreclose such lien either by judicial action or by advertisement. The provisions of Michigan law pertaining to foreclosure
of mortgages by judicial action and by advertisement, as the same may be amended from time to time, are incorporated herein by reference for the purposes of establishing the alternative procedures to be followed in lien foreclosure actions and the rights and obligations of the parties to such actions. Further, each Co-owner and every other person who from time to time has any interest in the Project, shall be deemed to have authorized and empowered the Association to sell or to cause to be sold the Unit with respect to which the assessment(s) is or are delinquent and to receive, hold and distribute the proceeds of such sale in accordance with the priorities established by applicable law. Each Co-owner of a Unit in the Project acknowledges that at the time of acquiring title to such Unit, he was notified of the provisions of this Subsection and that he voluntarily, intelligently and knowingly waived notice of any proceedings brought by the Association to foreclose by advertisement the lien for nonpayment of assessments and a hearing on the nonpayment prior to the sale of the subject Unit.

B. **Notice Of Actions.** Notwithstanding the foregoing, neither a foreclosure action nor a suit at law for a money judgment shall be commenced until the expiration of 10 days after mailing, by first class mail, postage prepaid, addressed to the delinquent Co-owner(s) at his or their last known address of a written notice that one or more installments of the annual assessment or any special assessment(s) levied against the pertinent Unit is or are delinquent and that the Association may invoke any of its remedies hereunder if the default is not cured within 10 days after the date of mailing. Such written notice shall be accompanied by a written notice of lien in affidavit form executed by an authorized representative or attorney of the Association that sets forth (i) the affiant's capacity to make the affidavit, (ii) the statutory and other authority for the lien, (iii) the amount outstanding (exclusive of interest, costs, attorney fees and future assessments), (iv) the legal description of the subject Unit(s) and (v) the name(s) of the Co-owner(s) of record. The notice of lien shall be recorded in the Office of the Register of Deeds in the county in which the Project is located prior to the commencement of any foreclosure proceeding, but it need not have been recorded as of the date of mailing as aforesaid. If the delinquency is not cured within the 10-day period, the Association may take such remedial action as may be available to it hereunder or under Michigan law. In the event the Association elects to foreclose the lien by advertisement, the Association shall so notify the delinquent Co-owner and shall inform him that he may request a judicial hearing by bringing suit against the Association.
C. Other Remedies. In the event of default by any Co-owner in the payment of any installment of the annual assessment or any special assessment(s) levied against his Unit, the Association shall have the right to declare all unpaid installments of the annual assessment for the pertinent fiscal year and all outstanding special assessments immediately due and payable. A Co-owner in default shall not be entitled to vote at any meeting of the Association and shall not be entitled to use any of the General Common Elements so long as the default continues. The Association also may discontinue the furnishing of utilities or other services to a Co-owner in default upon seven days' written notice to the Co-owner in default of its election so to do. In a judicial foreclosure action, a receiver may be appointed to collect a reasonable rental for the Unit from the Co-owner thereof or any persons claiming under him. The Association shall be entitled to collect interest and all reasonable costs and expenses incurred in pursuing its default remedies as outlined above including, but not limited to actual attorneys' fees and/or legal expenses.

D. Expenses Of Collection. The expenses incurred in collecting unpaid assessments, including interest, costs, actual attorneys' fees (not limited to statutory fees) and advances for taxes or other liens paid by the Association to protect its lien, shall be chargeable to the Co-owner in default and shall be secured by the lien on his Unit.

2.7 Liability Of Mortgagee. Notwithstanding any other provisions of the Condominium Documents, the holder of any first mortgage of record covering any Unit in the Project which comes into possession of the Unit pursuant to the remedies provided in the mortgage or by deed (or assignment) in lieu of foreclosure, or any purchaser at a foreclosure sale, shall take the property free of any claims for unpaid assessments or charges against the mortgaged Unit which accrue prior to the time such holder acquires title to the Unit (except for claims for assessments or charges resulting from a pro rata reallocation of such assessments or charges to all Units including the mortgaged Unit).

2.8 Developer's Responsibility For Assessments. The Developer of the Condominium, although a member of the Association, shall not be responsible at any time for payment of the regular Association assessments. Residential builders or contractors (other than the Developer) shall be fully responsible for payment of the regular Association assessments even though they are not members of the Association as provided in Section 1.1 hereof. The Developer, however, shall at all times pay all expenses of maintaining the Units that it owns, including the improvements located thereon, together with a proportionate share of all current maintenance expenses actually incurred by the Association from time to time (excluding reserves) for street and utility maintenance, landscaping, sign lighting and snow removal but excluding management fees and expenses related to maintenance and use of those Units in the Project and of the improvements constructed within or appurtenant to those Units that are not owned by the Developer. For purposes of the foregoing sentence, the Developer's
proportionate share of such expenses shall be based upon the ratio of all Units owned by the Developer at the time the expense is incurred to the total number of Units then in the Project. In no event shall the Developer be responsible for payment of any assessments for deferred maintenance, reserves for replacement, for capital improvements or other special assessments, except with respect to Units owned by it on which a completed building is located. Any assessments levied by the Association against the Developer for other purposes shall be void without the Developer's prior written consent. Further, the Developer shall in no event be liable for any assessment levied in whole or in part to purchase any Unit from the Developer or to finance any litigation or other claims against the Developer, any cost of investigating and preparing such litigation or claim or any similar or related costs. A "completed building" shall mean a building with respect to which a certificate of occupancy has been issued by Northville Township.

2.9 **Taxing Authority.** All property taxes and special assessments levied by any public taxing authority shall be assessed in accordance with Section 131 of the Act.

2.10 **Liens.** Any construction lien arising pursuant to the laws of the State of Michigan with respect to the Condominium or any Unit therein shall be subject to Section 132 of the Act.

2.11 **Statement As To Unpaid Assessments.** Pursuant to the provisions of Section 111 of the Act, the purchaser of any Unit may request a statement from the Association setting forth the outstanding amount of any unpaid Association assessments thereon, whether regular or special. Upon written request to the Association accompanied by a copy of the executed purchase agreement pursuant to which the purchaser holds right to acquire a Unit, the Association shall provide a written statement of such unpaid assessments as may exist or a statement that none exist, which statement shall be binding upon the Association for the period stated therein. Upon the payment of that sum within the period stated, the Association's lien for assessments as to each Unit shall be deemed satisfied; provided, however, that the failure of a purchaser to request a statement at least five days prior to the closing of the purchase of such Unit, shall render any unpaid assessments and the lien securing the unpaid assessment, together with interest, costs and attorneys' fees incurred in the collection thereof, fully enforceable against such purchaser and the Unit itself, to the extent provided by the Act. Under the Act, unpaid assessments constitute a lien upon the Unit and the proceeds of sale thereof prior to all claims except amounts due the state, any subdivision thereto and first mortgages of record.

2.12 **Special Assessment District No. 13.** The Condominium Premises and the Area of Future Development are each included within and subject to special sewer assessments for Special Assessment District No. 13 of Northville Township. Pursuant to Section 13 of the Act, the special assessments shall be assessed against the Project or the individual Units as provided therein. Each Unit shall bear its pro rata share of the assessment against land constituting the Condominium Premises as the same may be constituted from time to time. In the event the Condominium is expanded or contracted pursuant to Articles VII or VIII of the Master Deed, the assessments shall be equitably adjusted based upon the number of Units actually included in the Project as finally completed.
In connection with the establishment of pro rata shares of the assessment, the following shall be applicable: (a) the allocation between the Condominium Premises and the Area of Future Development shall be based on the number of actual and/or proposed units in each from time to time; (b) as set forth in Section 5.2 of the Master Deed, Units 89 and 90 shall be exempt from assessment unless and until they become buildable and (c) in the event that adjustments need to be made as a result of a change in the number of units in the Area of Future Development or because Units 89 and 90 become buildable then, and in either of those events, the adjustments shall be made prospectively and not retroactively.

ARTICLE III

ARBITRATION

3.1 Scope And Election. Disputes, claims, or grievances arising out of or relating to the interpretation or the application of the Condominium Documents, or any disputes, claims or grievances arising among or between the Co-owners and the Association, upon the election and written consent of the parties to any disputes, claims or grievances (which consent shall include an agreement of the parties that the judgment of any circuit court of the State of Michigan may be rendered upon any award pursuant to arbitration), and upon written notice to the Association, shall be submitted to the American Arbitration Association in Detroit, Michigan and the parties thereto shall accept the arbitrator's decision as final and binding, provided that no question affecting the claim of title of any person to any fee or life estate in real estate is involved. The Commercial Arbitration Rules of the American Arbitration Association as amended and in effect from time to time hereafter shall be applicable to any arbitration.

3.2 Judicial Relief. In the absence of the election and written consent of the parties pursuant to Section 3.1, above, neither any Co-owner nor the Association shall be precluded from petitioning the courts to resolve any disputes, claims or grievances.

3.3 Election Of Remedies. Election and written consent by Co-owners or the Association and any Co-owner to submit any dispute, claim or grievance to arbitration shall preclude the parties from litigating any dispute, claim or grievance in the courts. Nothing contained in this Article III shall limit the rights of the Association or any Co-owner as set forth in Section 144 of the Act.

ARTICLE IV

INSURANCE

4.1 Extent Of Coverage. The Association shall, to the extent appropriate in light of the nature of the General Common Elements of the Project, carry fire and extended coverage, vandalism and malicious mischief and liability insurance (in a minimum amount to be determined by the Developer or the Association in its discretion, but in no event less than $1,000,000 per occurrence), officers' and directors' liability insurance, and workmen's compensation insurance if applicable, and any other insurance the Association may deem applicable, desirable or necessary, pertinent to the ownership, use and
maintenance of the Common Elements of the Condominium Project and the administration of the Condominium Project. Such insurance shall be carried and administered in accordance with the following provisions:

A. **Responsibilities Of Association.** All insurance shall be purchased by the Association for the benefit of the Association, the Developer and the Co-owners and their mortgagees, as their interests may appear, and provision shall be made for the issuance of certificates of mortgagee endorsements to the mortgagees of Co-owners.

B. **Insurance Of Common Elements.** If applicable and appropriate, all General Common Elements of the Condominium Project shall be insured against fire and other perils covered by a standard extended coverage endorsement, replacement value, excluding foundation and excavation costs, as determined annually by the Board of Directors of the Association. The Association shall not be responsible, in any way, for maintaining insurance with respect to Limited Common Elements, if any.

C. **Premium Expenses.** All premiums on insurance purchased by the Association pursuant to these Bylaws shall be expenses of administration.

D. **Proceeds Of Insurance Policies.** Proceeds of all insurance policies owned by the Association shall be received by the Association, held in a separate account and distributed to the Association, the Developer and the Co-owners and their mortgagees, as their interests may appear; provided, however, whenever repair or reconstruction of the Condominium shall be required as provided in Article V of these Bylaws, the proceeds of any insurance received by the Association as a result of any loss requiring repair or reconstruction shall be applied for such repair or reconstruction and in no event shall hazard insurance proceeds be used for any purpose other than for repair, replacement or reconstruction of the Project unless all of the institutional holders of first mortgages on Units in the Project have given their prior written approval.

4.2 **Authority Of Association To Settle Insurance Claims.** Each Co-owner, by ownership of a Unit in the Condominium Project, shall be deemed to appoint the Association as his true and lawful attorney-in-fact to act in connection with all matters concerning the maintenance of fire and extended coverage, vandalism and malicious mischief, liability insurance and workmen's compensation insurance, if applicable, pertinent to the Condominium Project and the General Common Elements appurtenant thereto, with such insurers as may from time to time provide such insurance for the Condominium Project. Without limiting the generality of the foregoing, the Association as said attorney shall have full power and authority to purchase and maintain such insurance, to collect
and remit premiums therefor, to collect proceeds and to distribute the same to
the Association, the Developer, the Co-owners and respective mortgagees, as
their interests may appear (subject always to the Condominium Documents), to
settle all insurance claims, to execute releases of liability and to execute all
documents and to do all things on behalf of the Co-owners and the Condominium
as shall be necessary or convenient to the accomplishment of the foregoing.

4.3 Responsibilities Of Co-owners. Each Co-owner shall be
obligated and responsible for obtaining fire and extended coverage and vandalism
and malicious mischief insurance with respect to the buildings and all other
improvements constructed or to be constructed within the perimeter of his Unit
and for his personal property located therein or thereon or elsewhere on the
Condominium Project. All policies shall contain standard mortgage clauses
naming the mortgagees (including FNMA and FHLMC) or the servicers of
mortgages, as the case may be. There is no responsibility on the part of the
Association to insure any such improvements or personal property whatsoever. All
insurance each Co-owner is required to carry shall be an amount equal to the full
replacement value, excluding foundation and excavation costs. Each Co-owner
shall be obligated to obtain insurance coverage for his personal liability for
occurrences within the perimeter of his Unit or the improvements located thereon
(naming the Association and the Developer as additional insureds), and also for any
other personal insurance coverage that the Co-owner wishes to carry. Such
insurance shall be carried in such minimum amounts as may be specified by the
Association (and as specified by the Developer during the Development and Sales
Period) and each Co-owner shall furnish evidence of such coverage to the
Association or the Developer upon request. Each policy shall provide for
notification to the Association and each first mortgage holder named in the
mortgage clause at least 10 days prior to cancellation or material change in
coverage. Each Co-owner shall deliver certificates of insurance to the
Association from time to time to evidence the continued existence of all
insurance required to be maintained by the Co-owner hereunder. In the event of
the failure of a Co-owner to obtain such insurance or to provide evidence thereof
to the Association, the Association may obtain such insurance on behalf of such
Co-owner and the premiums therefor shall constitute a lien against the Co-owner's
Unit which may be collected from the Co-owner in the same manner that
Association assessments may be collected in accordance with Article III hereof.

4.4 Waiver Of Right Of Subrogation. The Association and all
Co-owners shall use their best efforts to cause all property and liability insurance
carried by the Association or any Co-owner to contain appropriate provisions
whereby the insurer waives its right of subrogation as to any claims against the
Co-owner or the Association.

4.5 Indemnification. Each individual Co-owner shall indemnify and
hold harmless every other Co-owner, the Developer and the Association for all
damages and costs, including attorneys' fees, which any other Co-owners, the
Developer or the Association may suffer as a result of defending any claim arising
out of an occurrence or within an individual Co-owner's Unit and shall carry
insurance to secure this indemnity if so required by the Association (or the
Developer during the Development and Sales Period). This Section 4.5 shall not be
construed to give any insurer any subrogation rights or other right or claim against
any individual Co-owner, whatsoever.
ARTICLE V

RECONSTRUCTION OR REPAIR

5.1 Association Responsibility For Repair. Except as otherwise provided in the Master Deed, the Association shall be responsible for the reconstruction, repair and maintenance of the General Common Elements. Immediately after a casualty causing damage to property for which the Association has the responsibility of maintenance, repair and reconstruction, the Association shall obtain reliable and detailed estimates of the cost to replace the damaged property to a condition as good as that existing before the damage. If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction or repair required to be performed by the Association or if at any time during such reconstruction or repair, or upon completion of the reconstruction or repair, the funds for the payment of the costs thereof are insufficient, assessments shall be made against all Co-owners for the cost of reconstruction or repair of the damaged property in sufficient amounts to provide funds to pay the estimated or actual cost of repair.

5.2 Timely Reconstruction And Repair. If damage to General Common Elements or a Unit adversely affects the appearance or utility of the Project, the Association or Co-owner responsible for the reconstruction, repair and maintenance thereof shall thereafter proceed with replacement of the damaged property without delay.

5.3 Co-owner's Responsibility. Each Co-owner shall be responsible for all maintenance, decoration, repair and replacement required within his Unit and as otherwise provided in Article IV of the Master Deed.

5.4 Eminent Domain. The following provisions shall control upon any taking by eminent domain:

A. Taking Of General Common Elements. If any portion of the General Common Elements is taken by eminent domain, the award shall be allocated to the Co-owners and their mortgagees in proportion to their respective undivided interests in the Common Elements and the affirmative vote of more than 50% of the Co-owners shall determine whether to rebuild, repair or replace the portion so taken or to take any other action as they deem appropriate. The Association, acting through its Board of Directors, may negotiate on behalf of all Co-owners for any taking of Common Elements and any negotiated settlement approved by not less than 66 2/3% of the Co-owners shall be binding on all Co-owners.

B. Taking Of Unit Or Improvements Thereon. In the event of any taking of all or any portion of a Unit or any improvements thereon by eminent domain, the award for that taking shall be paid to the Co-owner of that Unit and the mortgagee thereof, as their interests may appear, notwithstanding any provision of the Act to the contrary. If a Co-owner's entire Unit is taken by
eminent domain, that Co-owner and his mortgagee shall, after acceptance of the condemnation award thereafter, be divested of all interest in the Condominium Project.

C. Continuation Of Condominium After Taking. In the event the Condominium Project continues after taking by eminent domain, then the remaining portion of the Condominium Project shall be re-surveyed and the Master Deed amended accordingly, and, if any unit shall have been taken, then Article V of the Master Deed shall also be amended to reflect such taking and to proportionately readjust the percentages of value of the remaining Co-owners based upon the continuing value of the Condominium of 100%. The amendment may be affected by an officer of the Association duly authorized by the Board of Directors without the necessity of execution or specific approval by any Co-owner, but only with the prior written approval of all institutioned holders of first mortgage liens on individual Units in the Project.

D. Notification Of Mortgagees. In the event any Unit in the Condominium, or any portion thereof, or the Common Elements or any portion thereof, is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, the Association promptly shall notify each institutional holder of a first mortgage lien on any of the Units of the Condominium.

E. Applicability Of The Act. To the extent not inconsistent with the foregoing provisions, Section 133 of the Act shall control upon any taking by eminent domain.

5.5 Priority Of Mortgage Interests. Nothing contained in the Condominium Documents shall be construed to give a Unit Co-owner, or any other party, priority over any rights of first mortgagees of Units pursuant to their mortgages in the case of a distribution to Unit Co-owners of insurance proceeds or condemnation awards for losses to or a taking of Units and/or Common Elements.

ARTICLE VI

ARCHITECTURAL AND BUILDING SPECIFICATIONS AND USE RESTRICTIONS

6.1 General. All improvements made within any Unit, including the construction of a residence, deck, garage or other improvement and the use and occupancy thereof, shall comply fully with these Architectural and Building Specifications and Use Restrictions. As set forth more specifically in this Article, if the residence, deck, garage or other improvement to be built in the Unit is not to be constructed by Developer, then before construction of any improvements are made to a Unit, plans and specifications prepared and sealed by a licensed Michigan architect, including grading, site, landscaping and irrigation plans, showing the nature, size, shape, elevations, height, materials, color scheme, and
location, shall be submitted to and approved in writing by the Architectural Control Committee. The Developer intends by these specifications and restrictions to create and perpetuate a beautiful, serene, private residential condominium community consistent with the highest standards.

6.2 Residential Use. No Unit in the Condominium shall be used for other than single-family residential purposes and the Common Elements shall be used only for purposes consistent with the use of single-family residences and in accordance with the ordinances of the Township of Northville (except that persons not of the same immediate family together may occupy a residence constructed within a Unit with the written consent of the Board of Directors, which consent shall not be unreasonably withheld). A family shall mean one person or a group of two or more persons related by bonds of consanguinity, marriage or legal adoption. Other than as permitted in Section 6.39, no business, trade, profession or commercial activity of any kind, other than "home offices" which do not detract from the essential residential character of the Project or as may otherwise be approved in writing by the Architectural Control Committee and the Township of Northville, shall be conducted within any Unit in the Condominium. The maximum number of occupants of a Condominium residence shall not exceed nine (9) persons. No building of any kind shall be erected except private residences and structures ancillary thereto. Only one residence may be erected within any Unit.

6.3 Co-owner Maintenance. Each Co-owner shall maintain his Unit and any Common Elements appurtenant thereto or for which he has maintenance responsibility in a safe, clean and sanitary condition. Each Co-owner shall also use due care to avoid damaging any of the Common Elements including, but not limited to, the telephone, water, gas, plumbing, electrical, cable television or other utility conduits and systems and any other elements in any Unit which are appurtenant to or which may affect any other Unit. Each Co-owner shall be responsible for damages or costs to the Association resulting from negligent damage to or misuse of any of the Common Elements by him, or his family, guests, agents or invitees, unless such damages or costs are covered by insurance carried by the Association (in which case there shall be no such responsibility, unless reimbursement to the Association is limited by virtue of a deductible provision, in which case the responsible Co-owner shall bear the expense to the extent of the deductible amount). Any costs or damages to the Association may be assessed to and collected from the responsible Co-owner in the manner provided in Article II hereof.

6.4 Residence Locations And Dimensions. Such Co-owner shall be deemed responsible for violations whether they occur as a result of his personal actions or the actions of his family, guests, tenants or any other person admitted through such Co-owner to the Condominium Premises.

11.2 **Procedures.** Upon any such violation being alleged by the Board of Directors, the following procedures will be followed:
A. **Notice.** Notice of the violation (the "Notice"), including the Condominium Document provision violated, together with a description of the factual nature of the alleged offense set forth with reasonable specificity sufficient to place the Co-owner on notice as to the violation, shall be sent by first class mail, postage prepaid, or personally delivered to the representative of the Co-owner at the address as shown in the notice required to be filed with the Association pursuant to Subsection 1.3C of these Bylaws.

B. **Opportunity To Defend.** The offending Co-owner shall have an opportunity to appear before the Board of Directors and offer evidence in defense of the alleged violation. The appearance before the Board of Directors shall be at its next scheduled meeting, but in no event shall the Co-owner be required to appear less than 10 days from the date of the Notice.

C. **Default.** Failure to respond to the Notice constitutes a default.

D. **Hearing And Decision.** Upon appearance by the Co-owner before the Board of Directors and presentation of evidence of defense, or, in the event of the Co-owner's default, the Board of Directors shall, by majority vote of a quorum of the Board of Directors, decide whether a violation has occurred. The Board of Directors' decision is final.

11.3 **Amounts.** Upon violation of any of the provisions of the Condominium Documents and after default of the offending Co-owner or upon the decision of the Board of Directors as recited above, the following fines shall be levied:

A. **First Violation.** No fine shall be levied.

B. **Second Violation.** A $25.00 fine.

C. **Third Violation.** A $50.00 fine.

D. **Fourth Violation And Subsequent Violations.** A $100.00 fine.

11.4 **Collection.** The fines levied pursuant to Section 11.3 above, shall be assessed against the Co-owner and shall be due and payable together with the regular Condominium assessment on the first of the next following month. Failure to pay the fine will subject the Co-owner to all liabilities set forth in the Condominium Documents including, without limitation, those described in Article II, Article X and Article XI of these Bylaws.
ARTICLE XII

RIGHTS RESERVED TO DEVELOPER

Any or all of the rights and powers granted or reserved to the Developer in the Condominium Documents or by law, including the right and power to approve or disapprove any act, use, or proposed action or any other matter or thing, may be assigned by it to any other entity or to the Association. Any such assignment or transfer shall be made by appropriate instrument in writing in which the assignee or transferee shall join for the purpose of evidencing its consent to the acceptance of such powers and rights and such assignee or transferee shall thereupon have the same rights and powers as herein given and reserved to the Developer. Any rights and powers reserved or retained by Developer or its successors shall expire and terminate, if not sooner assigned to the Association, at the conclusion of the Development And Sales Period as defined in Article III of the Master Deed. The immediately preceding sentence dealing with the expiration and termination of certain rights and powers granted or reserved to the Developer is intended to apply, insofar as the Developer is concerned, only to Developer's rights to approve and control the administration of the Condominium and shall not, under any circumstances, be construed to apply to or cause the termination and expiration of any Architectural review rights granted or reserved to the Developer or its successors and assigns in the Master Deed or elsewhere (including, but not limited to, access easements, utility easements and all other easements created and reserved in any documents which shall not be terminable in any manner hereunder and which shall be governed only in accordance with the terms of their creation or reservation and not hereby).

ARTICLE XIII

FIRST ANNUAL MEETING OF CO-OWNERS

The first annual meeting of members of the Association may be convened only by the Developer and may be called in the Developer's discretion, at any time or before the earlier of the dates provided for the first annual meeting in this Article XIII, Subsections A and B, below. The date, time and place of meeting shall be set by the Board of Directors and at least 10 days' written notice shall be given to each Co-owner. Thereafter, an annual meeting shall be held on such date as is specified in the Association Bylaws. The phrase "Units that may be created" as used in this Section and elsewhere in the Condominium Documents means the maximum number of Units in all phases of the Condominium as stated in the Master Deed.

A. Not later than 120 days after conveyance of legal or equitable title to non-Developer Co-owners of 25% of the Units that may be created, at least one director and not less than 25% of the Board of Directors of the Association shall be elected by non-Developer Co-owners. Not later than 120 days after conveyance of legal or equitable title to non-Developer Co-owners of 50% of the Units that may be created, not less than 33-1/3% of the Board of Directors shall be elected by non-Developer Co-owners. Not later than 120 days after conveyance of legal or equitable title to non-Developer Co-owners of 75% of the Units that may be created, and
before conveyance of 90% of the Units, the first annual meeting shall be called and the non-Developer Co-owners shall elect all Directors on the Board or Directors, except that the Developer shall have the right to designate at least one Director as long as the Developer owns and offers for sale at least 10% of the Units in the Project or as long as 10% of the Units that may be created remain unsold. When the required percentage levels of conveyance have been reached, the Developer shall notify the non-Developer Co-owners and request that they hold a meeting and elect the required Director or Directors, as the case may be.

B. Notwithstanding the formula provided in Subsection A, above, 54 months after the first conveyance of legal or equitable title to a non-Developer Co-owner of a Unit in the Project, if title to not less than 75% of the Units that may be created have not been conveyed, the first annual meeting shall be called and the non-Developer Co-owners have the right to elect as provided in the Condominium Documents, a number of members of the Board of Directors of the Association equal to the percentage of Units they hold, and the Developer has the right to elect as provided in the Condominium Documents, a number of members of the Board of Directors equal to the percentage of Units which are owned by the Developer. This election may increase, but shall not reduce, the minimum election and designation rights otherwise established in Subsection A. Application of this Subsection does not require a change in the size of the Board of Directors as determined in the Condominium Documents.

C. If the calculation of the percentage of members of the Board of Directors that the non-Developer Co-owners have the right to elect under Subsection A, or if the product of the number of members of the Board of Directors multiplied by the percentage of Units held by the non-Developer Co-owners under Subsection B results in a right of non-Developer Co-owners to elect a fractional number of members of the Board of Directors, then a fractional election right of 0.5 or greater shall be rounded up to the nearest whole number, which number shall be the number of members of the Board of Directors that the non-Developer Co-owners have the right to elect. After application of this formula the Developer shall have the right to elect the remaining members of the Board of Directors. Application of this Subsection shall not eliminate the right of the Developer to designate one member as provided in Subsection A.

D. As set forth elsewhere herein, for the purposes of this Article XIII, no residential contractor or builder (other than Developer) who purchases for resale shall be entitled to membership.
ARTICLE XIV

ADVISORY COMMITTEE

Within one year after conveyance of legal or equitable title to the first Unit in the Condominium to a non-Developer Co-owner or within 120 days after conveyance to purchasers of legal or equitable title to one-third of the total number of Units that may be created, whichever first occurs, an advisory committee (the "Advisory Committee") of non-Developer Co-owners shall be established. The Advisory Committee shall meet with the Condominium Board of Directors for the purpose of facilitating communication and aiding the transition of control to the Association. The Advisory Committee shall cease to exist automatically when a majority of the Board of Directors of the Association is elected by non-Developer Co-owners. The Developer may remove and replace at its discretion at any time any member of the Advisory Committee who has not been elected thereto by the Co-owners.

ARTICLE XV

BOARD OF DIRECTORS

15.1 Actions Of The First Board Of Directors. All of the actions (including, without limitation, the adoption of these Bylaws and any rules and regulations for the Association, and in any undertakings or contracts entered into with others on behalf of the Association) of the first Board of Directors of the Association named in its Articles Of Incorporation or any successors thereto appointed before the first annual meeting of members, shall be binding upon the Association in the same manner as though such actions had been authorized by a Board of Directors duly elected by the members of the Association at the first or any subsequent annual meeting of members, provided that such actions are consistent with the powers and duties of the Board of Directors described in these Bylaws, the Association Bylaws, or any other Condominium Document.

15.2 Officers. The Association Bylaws shall provide for the designation, number, terms of office, qualifications, manner of election, duties, matter of removal and replacement of the officers of the Association and doing of all things not prohibited by the Condominium Documents or required by the Condominium Documents to be exercised and done by the Co-owners. The Association Bylaws may contain any other provisions pertinent to the officers of the Association. Officers may be compensated, but only upon the affirmative vote of more than 66 2/3% of the Co-owners.

15.3 Management Agent. The Board of Directors may employ for the Association a professional management agent (which may include the Developer or any person or entity affiliated or related thereto) at reasonable compensation established by the Board of Directors to perform such duties and services as the Board of Directors shall authorize. In the event the Board of Directors does employ professional management for the Association, the Board of Directors shall secure the written approval of each institutional holder of a first mortgage lien on any Unit prior to terminating professional management and assuming self-management. In no event shall the Board of Directors be authorized to enter into any contract with a professional management agent, or any other contract providing for services by the Developer, sponsor or builder, in which the
maximum term is greater than three years or which is not terminable by the
Association upon 90 days' written notice thereof and without payment of a
termination fee to the other party, and no such contract shall violate the
provisions of Section 55 of the Act. In addition to the foregoing, any contract for
management or other services by and between the Association and the Developer
or any affiliate of the Developer shall provide that such contract is voidable by
the Board of Directors of the Association on the Transitional Control Date or
within 90 days thereafter, and on 30 days' notice at any time thereafter for
cause. To the extent any management contract extends beyond one year after the
Transitional Control Date, the excess period under the contract may be voided by
the Board of Directors of the Association by notice to the management at least
30 days before the expiration of the one-year period.

ARTICLE XVI

RECORDS

The Association shall keep detailed books of account showing all
expenditures and receipts of administration which shall specify the maintenance
and repair expenses of the Common Elements and any other expenses incurred by
or on behalf of the Association and the Co-owners. Such accounts and all other
Association records shall be open for inspection by the Co-owners and their
mortgagees during reasonable working hours. The Association shall prepare and
distribute to each Co-owner at least once a year a financial statement, the
contents of which shall be defined by the Association. The books of account shall
be audited at least annually by qualified independent auditors. Any institutional
holder of a first mortgage lien on any Unit in the Condominium shall be entitled to
receive a copy of such annual audited financial statement within 90 days following
the end of the Association's fiscal year upon request therefor. The costs of any
such audit and any accounting expenses shall be expenses of administration. The
Association also shall maintain on file current copies of the Master Deed for the
Project, any amendments thereto and all other Condominium Documents and shall
permit all Co-owners, prospective purchasers and prospective mortgagees
interested in the Project to inspect them during reasonable hours.

ARTICLE XVII

INDEMNIFICATION OF OFFICERS AND DIRECTORS

17.1 Third-Party Actions. The Association shall indemnify a person
who was or is a party or is threatened to be made a party to a threatened,
pending, or completed action, suit, or proceeding, whether civil, criminal,
administrative, or investigative and whether formal or informal, other than an
action by or in the right of the corporation, by reason of the fact that the person
is or was a Director or officer of the Association, or is or was serving at the
request of the Association as a director, officer, partner, trustee, employee or
agent of another foreign or domestic corporation, partnership, joint venture, trust
or other enterprise, whether for profit or not for profit, against expenses,
including attorneys' fees, judgments, penalties, fines and amounts paid in
settlement actually and reasonably incurred by him or her in connection with the
action, suit, or proceeding, if the person acted in good faith and in a manner he or
she reasonably believed to be in or not opposed to the best interests of the
Association or its shareholders, and with respect to a criminal action or
proceeding, if the person had no reasonable cause to believe his or her conduct
was unlawful. The termination of an action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, does not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Association or its shareholders, and, with respect to a criminal action or proceeding, had reasonable cause to believe that his or her conduct was unlawful.

17.2 **Actions In The Right Of The Association.** The Association shall indemnify a person who was or is a party to or is threatened to be made a party to a threatened, pending, or completed action or suit by or in the right of the Association to procure a judgment in its favor by reason of the fact that the person is or was a Director or officer of the Association, or is or was serving at the request of the Association as a director, officer, partner or trustee of another foreign or domestic corporation, partnership, joint venture, trust or other enterprise, whether for profit or not, against expenses, including actual and reasonable attorneys' fees, and amounts paid in settlement incurred by the person in connection with the action or suit, if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the Association or its shareholders. However, indemnification shall not be made for a claim, issue, or matter in which the person has been found liable to the Association unless and only to the extent that the court in which the action or suit was brought has determined upon application that, despite the adjudication of liability but in view of all circumstances of the case, the person is fairly and reasonably entitled to indemnification for the expenses which the court considers proper.

17.3 **Mandatory And Permissive Payments.** To the extent that a Director or officer of the Association has been successful on the merits or otherwise in defense of an action, suit, or proceeding referred to in Section 17.1 or Section 17.2, or in defense of a claim, issue, or matter in the action, suit, or proceeding, the successful party shall be indemnified against expenses, including actual and reasonable attorneys' fees, incurred by him or her in connection with the action, suit, or proceeding and an action, suit, or proceeding brought to enforce the mandatory indemnification provided in this Section.

An indemnification under Section 17.1 or Section 17.2, unless ordered by a court, shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the Director or officer is proper in the circumstances because a person has met the applicable standard of conduct set forth in Sections 17.1 and 17.2. This determination shall be made in any of the following ways:

A. By a majority vote of a quorum of the Board of Directors consisting of Directors who were not parties to the action, suit, or proceeding.

B. If the quorum described in Subsection A is not obtainable, then by a majority vote of a committee of Directors who are not parties to the action. The committee shall consist of not less than two disinterested Directors.
C. By independent legal counsel in a written opinion.

D. By the shareholders.

If a person is entitled to indemnification hereunder for a portion of expenses including attorneys' fees, judgments, penalties, fines and amounts paid in settlement but not for the total amount thereof, the Association may indemnify the person for the portion of the expenses, judgments, penalties, fines or amounts paid in settlement for which the person is entitled to be indemnified.

17.4 Expense Advances. Expenses incurred in defending a civil or criminal action, suit, or proceeding described in Section 17.1 or Section 17.2 may be paid by the Association in advance of the final disposition of the action, suit, or proceeding upon receipt of an undertaking by or on behalf of the Director or officer to repay the expenses if it is ultimately determined that the person is not entitled to be indemnified by the Association. The undertaking shall be by unlimited general obligation of the person on whose behalf advances are made but need not be secured.

17.5 Insurance. The Association may purchase and maintain insurance on behalf of any person who is or was a Director or officer of the Association, or is or was serving at the request of the Association as a Director or officer of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him and incurred by him in any such capacity or arising out of his status as such, whether or not the Association would have power to indemnify him against such liability under Sections 17.1 and 17.2. However, the total amount of expenses advanced pursuant to Section 17.4 or indemnified from all sources combined shall not exceed the amount of actual expenses incurred by the person seeking indemnification or advancement of expenses.

17.6 Constituent Corporations. For the purposes of this Article XVII, references to the Association include all constituent corporations absorbed in a consolidation or merger and the resulting or surviving corporation, so that a person who is or was a Director or officer of such constituent corporation or is or was serving at the request of such constituent corporation as a director or officer of another foreign or domestic corporation, partnership, joint venture, trust or other enterprise whether for profit or not shall stand in the same position under the provisions of this Article with respect to the resulting or surviving corporation as he would if he had served the resulting or surviving corporation in the same capacity.

17.7 Continuation Of Indemnification. The indemnification provided for in this Article XVII continues as to a person who ceases to be a Director or officer and shall inure to the benefit of the heirs, executors, and administrators of the person.

ARTICLE XVIII

SEVERABILITY

In the event that any of the terms, provisions, or covenants of these Bylaws or the Condominium Documents are held to be partially or wholly invalid or unenforceable for any reason whatsoever, such holding shall not affect,
modify or impair in any manner whatsoever any of the other terms, provisions or covenants of these documents or the remaining portions of any terms, provisions or covenants held to be partially invalid or unenforceable.

It shall be the duty of the President to call a special meeting of the Co-owners as directed by resolution of the Board of Directors or upon a petition signed by one-third (1/3) of the Co-owners presented to the Secretary of the Association. Notice of any special meeting shall state the time and place of such meeting and the purposes thereof. No business shall be transacted at a special meeting except as stated in the notice.

SECTION 4. NOTICE OF MEETINGS. It shall be the duty of the Secretary (or other Association officer in the Secretary’s absence) to serve a notice of each annual or special meeting, stating the purpose thereof as well as the time and place where it is to be held, upon each Co-owner of record, at least ten (10) days but not more than sixty (60) days prior to such meeting. The mailing, postage prepaid, of a notice to the representative of each Co-owner at the address shown in the notice required to be filed with the Association in accordance with the Condominium By-Laws shall be deemed notice served. Any Member may, by written waiver of notice signed by such Member, waive such notice, and such waiver, when filed in the records of the Association, shall be deemed due notice.

SECTION 5. ADJOURNMENT. If any meeting of Co-owners cannot be held because a quorum is not in attendance, the Co-owners who are present may adjourn the meeting to a time not less than forty-eight (48) hours from the time the original meeting was called.
SECTION 6. ORDER OF BUSINESS. The order of business at all meeting of the Members shall be as follows: (a) roll call to determine the voting power represented at the meeting; (b) proof of notice of meeting or waiver of notice; (c) reading of minutes of preceding meeting; (d) reports of officers; (e) reports of committees; (f) appointment of inspectors of election (at annual meeting or special meetings held for the purpose of electing Directors or officers); (g) election of Directors (at annual meeting or special meetings held for such purpose); (h) unfinished business; and (i) new business. Meetings of Members shall be chaired by the most senior officer of the Association present at such meeting. For purpose of this Section, the order of seniority of officers shall be President, Vice President, Secretary and Treasurer.

SECTION 7. ACTION WITHOUT A MEETING. Any action which may be taken at a meeting of the Members (except for the election or removal of Directors) may be taken without a meeting by written ballot of the Members. Ballots shall be solicited in the same manner as provided in Section 5 for the giving of notice of meeting of Members. Such solicitations shall specify (a) the number of responses needed to meet the quorum requirements; (b) the percentage of approvals necessary to approve the action; and (c) the time by which ballots must be received in order to be counted. The forum of written ballot shall afford an opportunity to specify a choice between approval and disapproval of each matter and shall provide that, where the Member specifies a choice, the vote shall be cast in accordance therewith. Approval by written ballot shall be constituted by receipt, within the time period specified in the solicitation, of (i) a number of ballots which equals or exceeds the quorum which would be required if the action were taken at a meeting; and (ii) a number of approvals which equals or exceeds the number of votes which would be required for approval if the action were taken at a meeting at which the total number of votes cast was the same as the total number of ballots cast.

SECTION 8. CONSENT OF ABSENTEE. The transactions at any meeting of Members, either annual or special, however called and noticed, shall be as valid as though made at a meeting duly held after regular call and notice, if a quorum is present either in person or by proxy; and if, either before or after the meeting, each of the Members not present in person or by proxy, signs a written waiver of notice, or a consent to the holding of such meeting, or an approval of the minutes thereof. All such waivers, consents or approvals shall be filed with the corporate records or made a part of the minutes of the meeting.
SECTION 9. MINUTES; PRESUMPTION OF NOTICE. Minutes or a similar record of the proceeding of meetings of Members, when signed by the President or Secretary, shall be presumed truthfully to evidence the matters set forth therein. A recitation in the minutes of any such meeting that notice of the meeting was properly given shall be prima facie evidence that such notice was given.

SECTION 10. PARTICIPATION IN MEETING BY TELEPHONE. A Member may participate in a meeting by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting can communicate with each other and each participant has been advised of the means of communication and the names of all other persons participating in the meeting. Participation in a meeting pursuant to this Section constitutes presence in person at the meeting.

ARTICLE V

BOARD OF DIRECTORS

SECTION 1. NUMBER AND QUALIFICATION OF DIRECTORS. The Board of Directors shall be comprised of three (3) members. All Directors must be Members of the Association or partners, trustees, employees or agents of Members of the Association, except for the first Board of Directors. Directors shall serve without compensation.

SECTION 2. ELECTION OF DIRECTORS.

(a) First Board of Directors and Appointment of Non-developer Co-owners to the Board of Directors. The first Board of Directors, as designated by the Developer, is comprised of Milton B. Rotenberg, Scott R. Jacobson and Mark Applebaum, who shall manage the affairs of the Association until the appointment of the first non-developer Co-owners to the Board of Directors as set forth in Article XIII of the Condominium By-Laws.

(b) Election of Directors After the First Annual Meeting. Once the Co-owners have acquired the right to elect a majority of the Board of Directors, annual meetings of Co-owners to elect Directors and conduct other business shall be held in accordance with the provisions of these By-Laws.

SECTION 3. POWERS AND DUTIES. The Board of Directors shall have the powers and duties necessary for the
administration of the affairs of the Association and may do all acts and things as are not prohibited by the Condominium Documents or required thereby to be exercised and done by the Co-owners.

SECTION 4. OTHER DUTIES. In addition to the foregoing duties imposed by these By-Laws or any further duties which may be imposed by resolution of the Members of the Association, the Board of Directors shall be responsible specifically for the following:

(a) To manage and administer the affairs of and to maintain the Condominium Project and the General Common Elements thereof.

(b) To levy and collect assessments from the Members of the Association and to use the proceeds thereof for the purposes of the Association.

(c) To carry insurance and collect and allocate the proceeds thereof.

(d) To rebuild improvements after casualty.

(e) To contract for and employ persons, firms, corporations or other agents to assist in the management, operation, maintenance and administration of the Condominium Project.

(f) To acquire, maintain and improve; and to buy, operate, manage, sell, convey, assign, mortgage or lease any real or personal property (including any Unit in the Condominium and easements, rights-of-way and licenses) on behalf of the Association in furtherance of any of the purposes of the Association.

(g) To borrow money and issue evidence of indebtedness in furtherance of any or all of the purposes of the Association, and to secure the same by mortgage, pledge, or other lien on property owned by the Association; provided, however, that any such action shall also be approved by affirmative vote of seventy-five (75%) percent of all of the Members of the Association in number and in value.

(h) To make rules and regulations in accordance with the Condominium Documents.
(i) To establish such committees as it deems necessary, convenient or desirable and to appoint persons thereto for the purpose of implementing the administration of the Condominium and to delegate to such committees any functions or responsibilities which are not by law or the Condominium Documents required to be performed by the Board of Directors.

(j) To enforce the provisions of the Condominium Documents.

(k) To collect from each Co-owner his pro rata share of all assessments levied against the Association.

SECTION 5. VACANCIES. Vacancies in the Board of Directors caused by any reason other than the removal of a Director by a vote of the Members of the Association shall be filled by vote of the majority of the remaining Directors, even though they may constitute less than a quorum, except that the Developer shall be solely entitled to fill the vacancy of any Director whom it is permitted in the first instance to designate. Each person so elected shall be a Director until a successor is elected at the next annual meeting of the Members of the Association. Vacancies among non-developer Co-owner elected Directors which occur prior to non-developer Co-owners having majority control may be filled only through election by non-developer Co-owners.

SECTION 6. REMOVAL. At any regular or special meeting of the Association duly called with due notice of the removal action proposed to be taken, any one or more of the Directors may be removed with or without cause by the affirmative vote of more than fifty (50%) percent of all of the Co-owners qualified to vote and a successor may then and there be elected to fill any vacancy thus created. The quorum requirement for the purpose of filling such vacancy shall be the normal thirty-five (35%) percent requirement set forth in the Condominium By-Laws and shall not be reduced. Any Director whose removal has been proposed by the Co-owners shall be given an opportunity to be heard at the meeting. The Developer may remove and replace any or all of the Directors selected by it at any time or from time to time in its sole discretion. Likewise, any Directors selected by the non-developer Co-owners to serve before the First Annual Meeting may be removed before the First Annual Meeting in the same manner set forth in this paragraph for removal of Directors generally.

SECTION 7. FIRST MEETING. The first meeting of a newly elected Board of Directors shall be held within ten (10)
days of election at such place as shall be fixed by the Board of Directors at the meeting at which such Directors were elected, and no notice shall be necessary to the newly elected Directors in order legally to constitute such meeting, providing a majority of the whole Board of Directors shall be present.

SECTION 8. REGULAR MEETINGS. Regular meetings of the Board of Directors may be held at such times and places as shall be determined from time to time by a majority of the Directors, but at least two (2) such meetings shall be held during each fiscal year. Notice of regular meetings of the Board of Directors shall be given to each Director personally, by mail, telephone or telegraph, at least ten (10) days prior to the date named for such meeting.

SECTION 9. SPECIAL MEETINGS. Special meetings of the Board of Directors may be called by the President on three (3) days’ notice to each Director given personally, by mail, telephone or telegraph, which notice shall state the time, place and purpose of the meeting. Special meetings of the Board of Directors shall be called by the President or Secretary in like manner and on like notice on the written request of two (2) Directors.

SECTION 10. WAIVER OF NOTICE. Before or at any meeting of the Board of Directors, any Director may, in writing, waive notice of such meeting and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a Director at any meetings of the Board of Directors shall be deemed a waiver of notice by said Director of the time and place thereof. If all the Directors are present at any meeting of the Board of Directors, no notice shall be required and any business may be transacted at such meeting.

SECTION 11. QUORUM. At all meetings of the Board of Directors, a majority of the Directors shall constitute a quorum for the transaction of business, and the acts of the majority of the Directors present at a meeting at which a quorum is present shall be the acts of the Board of Directors. If, at any meeting of the Board of Directors, there be less than a quorum present, the majority of those present may adjourn the meeting to a subsequent time upon twenty-four (24) hours’ prior written notice delivered to all Directors not present. At any such adjourned meeting, any business which might have been transacted at the meeting as originally called may be transacted without further notice. The joinder of a Director in the action of a meeting by signing and concurring in the minutes thereof, shall constitute the presence of such Director for purposes of determining a quorum.
SECTION 12. FIRST BOARD OF DIRECTORS. The actions of the first Board of Directors of the Association or any successors thereto selected or elected before the Transitional Control Date shall be binding upon the Association so long as such actions are within the scope of the powers and duties which may be exercised generally by the Board of Directors as provided in the Condominium Documents.

SECTION 13. FIDELITY BONDS. The Board of Directors shall require that all officers and employees of the Association handling or responsible for Association funds shall furnish adequate fidelity bonds. The premiums on such bonds shall be expenses of administration.

SECTION 14. CONSENT OF DIRECTORS IN LIEU OF MEETING. Action required or permitted to be taken pursuant to authorization voted at a meeting of the Board of Directors then in office, may be taken without a meeting if, before or after the action, all members of the Board of Directors then in office consent thereto in writing. The written consents shall be filed with the minutes of the proceedings of the Board of Directors. The consent has the same effect as a vote of the Board of Directors for all purposes.

SECTION 15. PARTICIPATION IN MEETING BY TELEPHONE. A Director may participate in a meeting by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting can communicate with each other. Participation in a meeting pursuant to this Section constitutes presence in person at the meeting.

ARTICLE VI
NOTICES

SECTION 1. NOTICE. Notwithstanding anything herein contained to the contrary, whenever any notice or communication is required to be given to any Director or Member under any provision of the Act, the Articles of Incorporation, the Condominium By-Laws or these By-Laws, it may be given in writing, either by mail or land/air express courier service, addressed to such Director or Member, at the address designated by him or her for that purpose or, if none is designated, at his or her last known address. The notice or communication is given when deposited, with postage prepaid, in a post office or official depository under the exclusive care and custody of the United States postal service or in an appropriate depository for such land/air express courier service. The mailing shall be registered, certified or other first class mail, except where otherwise provided in the Act.
Notice may also be given orally in person or by telephone, telex, radiogram or cablegram, and such notice shall be deemed to be given when the recipient receives the notice personally, by telephone or when the notice, addressed as provided above, has been delivered to the company, or to the equipment transmitting such notice. Neither the business to be transacted at, nor the purpose of, a regular or special meeting of the Members need be specified in the notice of the meeting, except as provided by the Act, the Condominium By-Laws or these By-Laws.

SECTION 2. WAIVER OF NOTICE. When, under the Act or the Articles of Incorporation, the Condominium By-Laws or these By-Laws, or by the terms of an agreement or instrument, the Association or the Board of Directors may take action after notice to any person or after lapse of a prescribed period of time, the action may be taken without notice and without lapse of the applicable period of time, if at any time before or after the action is completed the person entitled to notice or to participate in the action to be taken or, in case of a Member, by his or her attorney-in-fact, submits a signed waiver of such requirements. Neither the business to be transacted at, nor the purpose of, a regular or special meeting of the Board of Directors or Members need be specified in the waiver of notice of the meeting, except as provided by the Act, the Condominium By-Laws or these By-Laws. Attendance of a person at a meeting constitutes a waiver of notice of such meeting, except when the person attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened.

ARTICLE VII

OFFICERS

SECTION 1. OFFICERS. The principal officers of the Association shall be a President, who shall be a member of the Board of Directors, a Vice President, a Secretary and a Treasurer. The Directors may appoint an Assistant Treasurer, and an Assistant Secretary, and such other officers as in their judgment may be necessary. Any two offices except that of President and Vice President may be held by one person.

(a) President. The President shall be the chief executive officer of the Association. He shall preside at all meetings of the Members and of the Board of Directors. He shall have all of the general powers and duties which are usually vested in the office of the President of an association,
including, but not limited to, the power to appoint committees from among the Members of the Association from time to time as he may in his discretion deem appropriate to assist in the conduct of the affairs of the Association.

(b) Vice President. The Vice President shall take the place of the President and perform his duties whenever the President shall be absent or unable to act. If neither the President nor the Vice President is able to act, the Board of Directors shall appoint some other member of the Board of Directors to so do on an interim basis. The Vice President shall also perform such other duties as shall from time to time be imposed upon him by the Board of Directors.

(c) Secretary. The Secretary shall keep the minutes of all meeting of the Board of Directors and the minutes of all meetings of the Members of the Association; he shall have charge of the corporate seal, if any, and of such books and papers as the Board of Directors may direct; and he shall, in general, perform all duties incident to the office of the Secretary.

(d) Treasurer. The Treasurer shall have responsibility for the Association's funds and securities and shall be responsible for keeping full and accurate accounts of all receipts and disbursements in books belonging to the Association. He shall be responsible for the deposit of all monies and other valuable effects in the name and to the credit of the Association, and in such depositories as may, from time to time, be designated by the Board of Directors.

SECTION 2. ELECTION. The officers of the Association shall be elected annually by the Board of Directors at the organizational meeting of each new Board of Directors and shall hold office at the pleasure of the Board of Directors.

SECTION 3. REMOVAL. Upon affirmative vote of a majority of the members of the Board of Directors, any officer may be removed either with or without cause, and his successor elected at any regular meeting of the Board of Directors, or at any special meeting of the Board of Directors called for such purpose. No such removal action may be taken, however, unless the matter shall have been included in the notice of
such meeting. The officer who is proposed to be removed shall be given an opportunity to be heard at the meeting.

SECTION 4. DUTIES. The officers shall have such other duties, powers and responsibilities as shall, from time to time, be authorized by the Board of Directors.

ARTICLE VIII
GENERAL PROVISIONS

SECTION 1. CONTRACTS, CONVEYANCES, ETC. When the execution of any contract, conveyance or other instrument has been authorized without specification of the executing officers, the President may execute the same in the name and on behalf of the Association and may affix the Association’s seal thereto. The Board of Directors shall have power to designate the officers and agents who shall have authority to execute any instrument on behalf of the Association.

SECTION 2. SEAL. The Association may (but need not) have a seal. If the Board of Directors determines that the Association shall have a seal, then it shall have inscribed thereon the name of the Association, the words "corporate seal", and "Michigan".

SECTION 3. FISCAL YEAR. The fiscal year of the Association shall be an annual period commencing on such date as may be initially determined by the Board of Directors. The commencement date of the fiscal year shall be subject to change by the Board of Directors for accounting reasons or other good cause.

SECTION 4. BANK. Funds of the Association shall be initially deposited in such bank or savings association as may be designated by the Board of Directors and shall be withdrawn only upon the check or order of such officers, employees or agents as are designated by resolution of the Board of Directors from time to time. The funds may be invested from time to time in accounts or deposit certificates of such bank or savings association as are insured by the Federal Deposit Insurance Corporation or the Federal Savings and Loan Insurance Corporation and may also be invested in interest bearing obligations of the United States Government.

(2) Article V of the Master Deed of Woodside Village Condominium is hereby amended in its entirety to read as follows:

ARTICLE V

UNIT DESCRIPTION AND PERCENTAGE OF VALUE

5.1 Description of Units. Each Unit in the Condominium Project is described in this Section with reference to the Condominium Subdivision Plan Replat No. 1 of WOODSIDE VILLAGE CONDOMINIUM as prepared by George F. Dely, Registered Land Surveyor, and attached hereto as Exhibit "B." Each Unit shall consist of the space located within the Unit boundaries as shown on Exhibit "B" hereto and delineated with heavy outlines. The vertical boundaries of the Units may vary from time to time to accommodate changes in grade elevations. Accordingly, the Developer or, upon assignment, the Association shall have the right, in its sole discretion, to modify the Condominium Subdivision Plan to depict actual ground elevations and Unit boundaries. Even if no such amendment is undertaken, easements for maintenance of structures that encroach on Common Elements have been reserved in Article IX below.

5.2 Percentage of Value. The percentage of value assigned to each Unit shall be equal. The determination that Percentages of Value should be equal was made after reviewing the comparative characteristics of each Unit in the Project and concluding that there are not material differences among the Units insofar as the allocation of percentages of value is concerned. The resulting percentages shall total precisely 100%. The percentage of value assigned to each Unit shall be determinative of each Co-owner's undivided interest of the Common Elements of the Condominium Project, the proportionate share of each respective Co-owner in the proceeds and the expenses of the administration and the value of each Co-owner's vote at meetings of the Association. The percentage of value allocated to each Unit may be changed only with the prior written approval of each institutional holder of a first mortgage lien on any Unit in the Project and with the unanimous consent of all of the Co-owners expressed in an amendment to this Master Deed, fully approved and recorded, except as provided in Article VI hereof, and except as expressly provided below with regard to Units 89 and 90.

Notwithstanding anything to the contrary set forth herein, the calculation of Percentages of Value and the allocation of various responsibilities and ownership rights shall be on the basis of one hundred fifteen (115) Units even though the Condominium Subdivision Plan shows that the Condominium consists of one hundred seventeen (117) Units since Units 89 and 90 are unbuildable due to wetlands restrictions. Moreover, the Developer shall have the option to convey legal title to Units 89 and 90 to the Association in which event those Units shall become part of the General Common Elements. If, in the future, such Units become buildable due to a change in applicable governmental regulations then, and in that event, prospective adjustments to the Percentages of Value will be made to include one hundred seventeen (117) Units in all relevant calculations hereunder it being understood, however, that the Percentages of Value shall always remain equal.

(3) Article VII of the Master Deed of Woodside Village Condominium is hereby deleted in its entirety.

(4) To the extent not modified by this Second Amendment, all of the provisions of the Master Deed, First Amendment to Master Deed and By-Laws of Woodside Village Condominium are hereby ratified and confirmed and shall continue in full force and effect.
IN WITNESS WHEREOF, Developer has entered into this Second Amendment to Master Deed and By-Laws on the date first above written.

DISCLOSURE STATEMENT
WOODSIDE VILLAGE CONDOMINIUM

I. Introduction

Condominium development in Michigan is governed by Act 59 of the Michigan Public Acts of 1978, as amended (the "Condominium Act").

This Disclosure Statement, together with copies of the legal documents required for the creation and operation of the Condominium Project, are furnished to each purchaser pursuant to the requirement of Michigan law that the Developer of a condominium project disclose to prospective purchasers the characteristics of the condominium units which are offered for sale.

II. The Condominium Concept

Condominium is a form of real property. A condominium unit has the same legal attributes as any other form of real property under Michigan law and may be sold, mortgaged or leased, subject only to such restrictions as are contained in the condominium documents or as otherwise may be applicable to property.

Each owner receives a deed to his individual condominium unit. Each owner owns, in addition to his unit, an undivided interest in the common facilities ("common elements") which comprise the project. Title to the common elements is included as part of, and is inseparable from, title to the individual condominium units. Each owner's proportionate share of the common elements is determined by the percentage of value assigned to his unit in the Master Deed described in Section VI. of this Disclosure Statement.

All portions of the project not included within the units constitute the common elements. Limited common elements are those common elements which are set aside for use by less than all unit owners. General common elements are all common elements other than limited common elements.

The project is administered generally by a non-profit corporation of which all owners are members (the "Association"). The nature and duties of the Association are described more fully in Section VI. of this Disclosure Statement.

Except for the year in which the project is established (or, in the case of units added to an expanding project by subsequent amendment to the Master Deed, the year in which such amendment is recorded), real property taxes and assessments are levied individually against each unit in the project. The separate taxes and assessments cover the unit and its proportionate share of the common elements. No taxes or assessments are levied independently against the common elements.
Woodside Village Condominium is different from many condominium projects in this area because the condominium units in this project consist of only the individual condominium home sites, and the common elements do not include the buildings and other improvements to be constructed on the home sites. Each condominium unit consists of the land contained within the boundaries of the home sites as shown in the Condominium Subdivision Plan. In the more traditional form of condominium project, the units consist of the air space enclosed within various buildings, and the common elements include the exterior structural components of such buildings. In Woodside Village Condominium, each owner holds an absolute and undivided title to his unit and to the dwelling and other improvements constructed thereon (to the extent such improvements are not designated in the Master Deed as common elements). Each owner will be responsible for all decoration, maintenance, repair and replacement of the exterior of each dwelling and other improvements located on his unit. The cost of maintenance, repair and replacement of the lawn and all landscaping within the unit will also be the responsibility of each owner. Unlike more traditional condominium projects, each owner in this project will be responsible for the maintaining fire, extended coverage, vandalism and malicious mischief insurance on his unit, the adjoining yard area and the dwelling and other improvements constructed or to be constructed thereon, as well as personal property, liability and other personal insurance coverage. The Association will maintain liability insurance coverage for occurrences on the general common elements and such other insurance on the general common elements and otherwise as is specified in the condominium documents.

Although the foregoing is generally accurate as applied to most residential condominium developments, the details of each development may vary substantially. Accordingly, each purchaser is urged to carefully review the Master Deed, Condominium Bylaws and Condominium Subdivision Plans as well as any other documents that have been delivered to the purchaser in connection with this development. Any purchaser having questions pertaining to the legal aspects of the project is advised to consult his or her own lawyer or other professional advisor.

III. Description of the Condominium Project

A. General. Woodside Village Condominium is a 90-unit residential site condominium project (the "Project" or "Condominium Project") that may be expanded to include a total of approximately 117 units within a period ending no later than 6 years from the date of recording of the Master Deed. The initial 90 units shall be detached building sites and additional units, if any, may be detached building sites or detached single-unit buildings, each intended for separate ownership and use.

B. Utilities. Woodside Village Condominium is served by public water, sanitary sewer and storm sewer, gas, electric and telephone service. Gas service is furnished by Consumers Power Company, electricity is furnished by Detroit Edison Company and telephone service is provided by Michigan Bell Telephone Company.
C. Roads. Woodside Village Condominium is accessed via Woodside Drive (a private road) which provides direct access to Haggerty Road. The interior roads in Woodside Village Condominium are private and will be maintained by the Association. Replacement, repair and resurfacing of all roads, drives and parking areas within the project will be necessary from time to time as circumstances dictate. It is impossible to estimate with any degree of accuracy future roadway repair or replacement costs. The Developer will be responsible for installing a final wearing coat of asphalt on the interior roads in Woodside Village Condominium at such time that a completed residential structure has been constructed up at least 90% of the units. It will be the responsibility of the Association to inspect and perform preventative maintenance of the private roadways on a regular basis in order to maximize the life of roadways within the Project and to minimize repair and replacement costs.

D. Reserved Rights of Developer.

(1) Consolidation and Modification of Units. During the development and sales period of the Project, the Developer has reserved the right to consolidate under single ownership two or more units which are adjacent to one another and to relocate the boundaries of such units. Such modifications shall be given effect by amendment to the Master Deed and shall be in the sole discretion of the Developer.

(2) Expansion of Project. The Developer has reserved the right to expand the Project within a period of time ending no later than six (6) years from the date of recording of the Master Deed by the addition to this Condominium Project of condominium units created upon land designated the "Area For Future Development" as described in the Master Deed. Any unit created within that Area of Future Development that is to be included in this Condominium Project shall be restricted exclusively to residential use.

(3) Contraction of Project. The Developer has reserved the right to decrease the size of the Condominium Project and to withdraw from the Project certain of the units and immediately adjacent roadway within a period ending no later than six (6) years from the date of the recording of the Master Deed. In connection with such contraction, the Developer has reserved the right to change the nature of any common elements previously included in the Project for any purpose reasonably necessary to achieve the purposes of such contraction including, but not limited to, the connection of existing roadways and sidewalks and to provide access to any units which remain in the Condominium Project.

(4) Easements for Roadways. The Developer has reserved for the benefit of itself and all future owners of the land which may be added to the Project perpetual easements for access to and utilization of the roadways within the Condominium Project.
(5) Easements for Use of Utilities. The Developer has reserved for the benefit of itself and all future owners of the land which may be added to the Project easements to utilize, tap, tie into, extend and enlarge all utility mains and retention ponds located on the Condominium Project.

(6) Easements for Maintenance, Repair and Replacement. The Developer has reserved such easements over the Condominium Project (including all units and common elements) as may be required to perform any of the Developer's or the Association's maintenance, repair, decoration or replacement obligations.

(7) Reciprocal Easements. The Developer has reserved the right to enter into a Declaration of Reciprocal Easements, Covenants and Restrictions with the owners of certain adjoining land which will establish certain relationships between the Condominium Project and such adjoining land, upon terms and conditions acceptable to Developer in its sole discretion.

(8) Use of Facilities. The Developer has reserved the right to maintain on the Condominium Project such offices, reasonable parking, storage areas and other facilities incident to the use of such areas, and such access to, from and over the Condominium Project, as may be reasonable to enable the development, sale and operation of the Project.

(9) Right to Amend. The Developer has reserved the right to amend the Master Deed without approval from owners and mortgagees for the purpose of correcting errors and for any other purpose so long as the amendment does not materially alter or change the rights of a co-owner or mortgagee. Further, certain provisions of the Master Deed cannot be amended without Developer approval.

(10) General. In the condominium documents and in the Condominium Act, certain rights and powers are granted or reserved to the Developer to facilitate the development and sale of the Project as a condominium, including the power to approve or disapprove a variety of proposed acts and uses and the power to secure representation on the Association Board of Directors.

IV. Legal Documentation

A. General. Woodside Village Condominium was established as a Condominium Project pursuant to a Master Deed recorded in the Wayne County Records. The Master Deed includes the Condominium By-Laws as Exhibit A and the Condominium Subdivision Plan as Exhibit B. The Master Deed was amended by a First Amendment to Master Deed and a Second Amendment to Master Deed which included a revised Condominium Subdivision Plan.

B. Master Deed. The Master Deed contains the definitions of certain terms used in connection with the Project, the percentage of value assigned to each unit in the Project, a general description of the units and common elements included in the Project and a statement regarding the relative responsibilities for maintaining the common elements. Article VI of the Master Deed
provides for the consolidation and modification of units by the Developer, Article VII covers the contraction of the Project by the Developer, Article IX covers easements, Article X covers provisions for amending the Master Deed and Article XII provides that the Developer may assign to the Association or to any other entity any or all of its rights or powers granted or reserved in the condominium documents or by law.

C. Condominium Bylaws. The Condominium Bylaws contain provisions relating to the operation, management and fiscal affairs of the condominium and, in particular, set forth the provisions relating to assessment of co-owners for the purpose of paying the costs of operation of the Condominium Project. Article VI contains architectural and building specifications and use restrictions which apply to all improvements to the units. Article VI also contains provisions permitting the adoption of rules and regulations governing the common elements. At the present time, no rules and regulations have been adopted by the Board of Directors of the Association.

D. Condominium Subdivision Plan. The Condominium Subdivision Plan is a survey depicting the physical location and boundaries of each of the units and all of the common elements in the Project.

V. The Developer and Its Affiliates.

A. Developer’s Background and Experience. The Developer of the project is Woodside Associates, a Michigan co-partnership. It was formed for the specific purpose of developing the project and, accordingly, has no previous experience as a Developer of condominiums. One of the partners of the Developer is NORPROP Limited Partnership, a Michigan limited partnership. Milton P. Rotenberg, a General Partner of NORPROP Limited Partnership, has over 20 years experience in the real estate business and has participated in the development of South Hills of Bloomfield Manor Condominiums, Oakcrest of Farmington Hills Condominiums, Bridgewood Manor Condominiums, Briarwood Condominiums of Novi and Colony East Condominiums. Three of those projects are located in Oakland County, and two are in Macomb County, Michigan. Similarly, John E. Barber, the other general partner of NORPROP Limited Partnership, has participated in the development of South Hills of Bloomfield Manor Condominiums, Oakcrest of Farmington Hills Condominiums, Bridgewood Manor Condominiums, Briarwood Condominiums of Novi and Colony East Condominiums. In addition, Mr. Barber, has been a licensed builder for more than 20 years, developing single family and multi-family residential housing.

Another partner of the Developer is Haggerty Northville Associates, a Michigan copartnership. Two of its partners are David Bittker and Irving Strickstein, both of whom have participated in the development of other condominium and multi-family projects in the metropolitan Detroit area.
The third partner of the Developer, Trinity/Novi Development Company, a Michigan corporation, is controlled by Carlo J. Catenacci and Joseph Catenacci. Each of Messrs. Catenacci has experience in the real estate business and has been involved in various residential developments in the metropolitan Detroit area.

B. Builders/Successor Developers. Three residential builders (the "Builders" or individually a "Builder") have options to acquire the various units in the Project which consist of the individual condominium home sites. Pursuant to the Condominium Act, at such time that any Builder acquires legal title to 10 or more units, that Builder will be deemed to be a successor developer under the Condominium Act as to those units acquired by that Builder and will become obligated to comply with the various requirements of the Condominium Act.

One of the Builders is Woodside Building Associates, a Michigan co-partnership, located at 1400 Woodward, Suite 105, Bloomfield Hills, Michigan 48304. Woodside Building Associates is comprised of JAD/Woodside Limited Partnership, a Michigan limited partnership, and Trinity/Woodside Development Co., a Michigan corporation. Milton P. Rotenberg is the President of GP Woodside, Inc., the General Partner of JAD/Woodside Limited Partnership, and, as stated above, has extensive experience in real estate development. Carlo J. Catenacci and Joseph Catenacci are the owners of Trinity/Woodside Development Company. As stated above, their experience consists of the development of various residential projects in the metropolitan Detroit area.

Another Builder is Jacobson/Avon Joint Venture, a Michigan joint venture, the address of which is 32400 Telegraph, Suite 200, Birmingham, Michigan 48010. This joint venture involves the Jacobson family who has been in the building business for forty years. In 1983, Scott R. Jacobson was appointed State Director of the Michigan Association of Home Builders. Three years later, he was named "Young Builder of the Year" by the Builder's Association of Southeastern Michigan. He was subsequently appointed to The Board of Directors and currently serves as Vice President and Executive Committee member. Collectively, the Jacobson family has developed numerous single-family and condominium residential projects in Wayne, Oakland and Macomb counties.

The third Builder is Arbor Development Company, a Michigan co-partnership, the address of which is 2207 Orchard Lake Road, West Bloomfield, Michigan 48053. The chairman of Arbor Development Company is Robert A. Pollack who has more than 20 years experience in the residential building and development business, having built over 2,000 single-family homes in Wayne, Oakland and Macomb Counties. Kenneth A. Robinson, the president of Arbor Development Company, has participated in the development of six subdivisions in Oakland and Macomb Counties and has also built numerous single-family homes in various subdivisions throughout southeastern Michigan.
C. Affiliates. The construction manager for the infrastructure and roadway improvements within the Project is Woodside Building Associates, the address and experience of which is set forth in the preceding subparagraph. The Project will be managed by JEMP Enterprises, Inc., a Michigan corporation, the address of which is 1400 Woodward, Suite 105, Bloomfield Hills, Michigan 48304. There is no real estate broker involved in the sale of the units to the Builders; however, subsequent sales of the units will be handled by various independent real estate brokers.

D. Legal Proceedings Involving the Condominium Project or the Developer. The Developer is not presently aware of any pending judicial or administrative proceedings involving the Condominium Project or the Developer.

VI. Operation and Management of the Condominium Project

A. The Condominium Association. The responsibility for management and maintenance of the Project is vested in Woodside Village Condominium Association, which has been incorporated as a non-profit corporation under Michigan law. The Condominium Bylaws include provisions that govern the procedural operations of the Association. The Association is governed by its Board of Directors whose initial members are designees of the Developer.

Within 120 days after conveyance of legal or equitable title to non-developer co-owners of 25% in number of the units that may be created, at least one director and not less than 25% of the directors will be selected by non-developer co-owners of units; within 120 days after conveyance of legal or equitable title to non-developer co-owners of 50% in number of the units that may be created, not less than 33-1/3% of the directors will be selected by non-developer co-owners of units; and 120 days after conveyance of legal or equitable title to non-developer co-owners of 75% in number of the units that may be created and before conveyance of 90% of the units, the non-developer co-owners will elect all directors, except that the Developer will have the right to designate at least 1 director as long as it owns at least 10% of the units in the Project or as long as 10% of the units that may be created remain unsold. Regardless of the number of units conveyed, 54 months after the first conveyance, if title to not less than 75% of the units that may be created have not been conveyed, non-developer co-owners may elect directors in proportion to the number of units which they own.

Within 120 days after 1/3 of the total number of units that may be created have been conveyed or 1 year from the date of the first conveyance, whichever first occurs, the Developer will establish an advisory committee to serve as liaison between the non-developer co-owners and the Developer.

The First Annual Meeting must be held on or before the expiration of 120 days after the conveyance of legal or equitable title to non-developer co-owners of 75% in number of all units that may be created or within 54 months after conveyance of the first unit, whichever first occurs. At the First Annual Meeting, the
co-owner members of the Association will elect directors, and the
directors in turn will elect officers for the Association. The
Developer's voting rights are set forth in Article VIII of the
Condominium Bylaws.

B. Percentages of Value. There are 117 units in Woodside Village
Condominium. The percentage of value assigned to each unit,
other than units 89 and 90, is .008696. At this time, no value has
been assigned to units 89 and 90 as those units are presently
unbuildable. The determination that percentages of value should be
equal as among the 115 units was made after reviewing the compara-
tive characteristics of each unit in the Project and concluding
that there are not material differences among the units insofar as
the allocation of percentages of value is concerned. The resulting
percentages total precisely 100%. The percentage of value assigned
to each unit will be determinative of each co-owner's undivided
interest in the common elements of the Condominium Project, the
proportionate share of each respective co-owner in the proceeds and
the expenses of the administration and the value of each co-owner's
vote at meetings of the Association. Notwithstanding anything to
the contrary set forth herein, the calculation of percentages of
value and the allocation of various responsibilities and ownership
rights shall be on the basis of 115 units, even though the Con-
dominium Subdivision Plan shows that the Condominium consists of
117 units, since units 89 and 90 are unbuildable due to wetlands
restrictions. If, in the future, such units become buildable due
to a change in applicable governmental regulations, then prospec-
tive adjustments to the percentages of value will be made to
include 117 units in all relevant calculations hereunder, it being
understood, however, that the percentages of value shall always
remain equal.

C. Project Finances.

(1) Budget. Article II of the Condominium Bylaws
requires the Board of Directors to adopt an annual budget for the
operation of the Project. The initial budget for the Project was
formulated by the Developer and is intended to provide for the
normal and reasonably predictable expenses of administration of the
Project and includes a reserve for replacement of major structural
and other components of the Project in the future. Inasmuch as the
budget necessarily must be prepared in advance, it reflects the
estimates of expenses made by the Developer. To the extent that
estimates prove inaccurate during actual operations and to the
extent that the goods and services necessary to service the Project
change in cost in the future, the budget and the expenses of the
Association also will require revision. The current budget of the
Association has been included in Appendix I to this Disclosure
Statement.

(2) Assessments. Each co-owner of a unit included
within the Project must contribute to the Association in proportion
to the percentage of value assigned to the unit(s) owned by him to
defray expenses of administration, operation, management and
maintenance of the Condominium Project. The Board of Directors may also levy special assessments in accordance with the provisions of Article II, Section 2.3 B. of the Condominium Bylaws.

The Developer, although a member of the Association, shall not be responsible at any time for payment of the regular Association assessments. The Developer shall pay all expenses of maintaining the units it owns, together with a proportionate share of current maintenance expenses actually incurred by the Association. The Developer will only be responsible for payment of assessments for deferred maintenance, reserves for replacement, capital improvements or other special assessments with respect to a unit owned by it on which a completed building is located. The Developer will not be responsible whatsoever to the Association for any payments in connection with a unit upon which no building or an uncompleted building is located.

(3) Possible Additional Liability. Each purchaser is advised of the following possible liability of each co-owner as set forth in Section 58 of the Condominium Act:

If the mortgagee of a first mortgage of record or other purchaser of a condominium unit obtains title to the condominium unit as a result of foreclosure of the first mortgage, such person, its successors and assigns, is not liable for the assessments by the administering body chargeable to the unit which became due prior to the acquisition of title to the unit by such person. The unpaid assessments are deemed to be common expenses collectible from all of the condominium unit owners including such persons, its successors and assigns.

D. Condominium Association Management Contract. The Condominium Bylaws do not require that the Association employ a professional management agent to manage the affairs of the condominium. The Association has entered into a management agreement with JEMP Enterprises, Inc., whose address is 1400 Woodward, Suite 105, Bloomfield Hills, Michigan 48304. The management fee is shown in the budget attached hereto. JEMP Enterprises has been involved in the management of condominiums, apartments, mobile home parks and shopping centers since 1974. The Association may terminate the agreement on the "transitional control date" or at any time within 90 days thereafter. The "transitional control date" means the date on which a Board of Directors for the Association takes office pursuant to an election in which the votes which may be cast by eligible co-owners unaffiliated with the Developer exceed the votes which may be cast by the Developer.

E. Insurance.

(1) Title Insurance. The Purchase Agreement provides that the Developer or Builder, as appropriate, shall furnish each purchaser with a commitment for an owner's title
insurance policy issued at or prior to closing, and that the policy itself will be provided within a reasonable time after closing. The cost of the commitment and policy is to be borne by the Developer or Builder, as appropriate. Each purchaser should review the title insurance commitment with a qualified advisor of his or her choice prior to closing to make certain that it conforms to the requirements of the Purchase Agreement.

(2) Other Insurance. The condominium documents require that the Association carry fire and extended coverage, vandalism and malicious mischief and liability insurance and workers' compensation insurance, if applicable, with respect to all of the common elements of the Project. The insurance policies have deductible clauses and, to the extent thereof, losses will be borne by the Association. The Board of Directors is responsible for obtaining insurance coverage for the Association. Each co-owner's pro rata share of the annual Association insurance premiums is included in the monthly assessment. The Association insurance policies are available for inspection during normal working hours. Each co-owner is responsible for obtaining insurance coverage with respect to the buildings and all other improvements constructed or to be constructed within the perimeter of the co-owner's unit to the extent indicated in Article IV of the Condominium Bylaws, as well as for liability for injury within the perimeter of the co-owner's unit or the improvements located thereon and any other insurance coverage that the co-owner wishes to carry. The Association may periodically review all insurance coverage to be assured of its continued adequacy and co-owners should each do the same with respect to their personal insurance.

F. Restrictions on Architectural and Building Specifications and Use. Article VI of the Condominium Bylaws contains comprehensive restrictions on the use of the condominium units and the common elements. It is impossible to paraphrase these restrictions without risking the omission of some portion that may be of significance to a purchaser. Consequently, each purchaser should examine the restrictions with care to be sure that they do not infringe upon an important intended use.

The following is a list of certain of the most significant restrictions:

(1) Units are to be used for single family residential purposes only. No building of any kind shall be erected on a unit except private residences and structures ancillary thereto. Only one residence may be erected within any unit.

(2) A co-owner intending to construct, erect or install any residence, improvement, deck, garage or structure, or intending to change the exterior or elevation of or make alterations to any structure located on the unit, shall submit plans and specifications to and obtain the written approval of the Architectural Control Committee. Until certificates of occupancy have been issued for residences on 100% of the units in the condominium, the Architectural Control Committee shall consist of Milton P. Rotenberg and two representatives appointed by him.
(3) There are substantial restrictions upon physical changes which may be made to, and improvements which may be made upon, the units, many of which are subject to review and approval by the Architectural Control Committee.

(4) A unit may not be split or reduced in size by any method whatsoever. Units may be enlarged by consolidation with one or more adjoining units under one ownership.

(5) Landscaping and an irrigation system must be installed in connection with newly constructed residences within set time periods in accordance with a landscape plan to be approved by the Architectural Control Committee and the Township of Northville.

(6) With limited exceptions, a co-owner may not lease a unit except pursuant to a written lease, the initial term of which is at least one year. All tenants and non-owner occupants must comply with the provisions of the Master Deed, By-Laws and any rules and regulations of the Association.

None of the restrictions apply to the commercial activities or signs of the Developer during the period of the development and sale of the units, or of any builder or residential contractor so long as it holds at least 1 unit for construction.

VII. Rights and Obligations as Between Developer and Co-owners.

As previously stated in Section V.B. of this Disclosure Statement, three Builders have options to acquire the various units in the Project, which consist of the individual home sites. It is intended that a Builder will construct a residential structure upon each unit and the unit together with the structure or structures built thereon will be sold by the Builder. Accordingly, in most transactions involving the sale of a unit, the rights and obligations set forth in this Section VII. will run between the purchaser/co-owner and the Builder rather than the Developer.

A. Before Closing. The respective obligations of the Developer or Builder, as appropriate, and the purchaser of a condominium unit in the Project prior to closing are set forth in the Purchase Agreement and the accompanying Escrow Agreement. Those documents should be closely examined by a purchaser in order to ascertain the disposition of earnest money deposits advanced by the purchaser at the time of closing and anticipated closing adjustments. The Escrow Agreement provides, pursuant to Section 103b of the Condominium Act, that the escrow agent shall maintain sufficient funds or other security to complete improvements shown as "must be built" on the Condominium Subdivision Plan until such improvements are substantially complete. Funds retained in escrow are not to be released to the Developer until the conveyance of title to a purchaser and confirmation by the escrow agent that all improvements labeled "must be built" are substantially complete. All of the units in the Project, including but not limited to all
utilities, roads, and landscaping, have been shown as "must be built" on the Condominium Subdivision Plan and have been completed by the Developer.

B. At Closing. Each purchaser (except a purchaser under land contract) will receive by warranty deed fee simple title to his or her unit subject to no liens or encumbrances other than the condominium documents and those other easements, restrictions and assessments as are specifically set forth in the condominium documents and title insurance commitment.

C. After Closing.

(1) General. Subsequent to the purchase of a unit, relations between the Developer and/or Builder, as appropriate, and the co-owner are governed by the Master Deed, except to the extent that any contractual provisions of the Purchase Agreement are intended to survive the closing.

(2) Condominium Project Warranties. The Builder is warranting the improvements constructed upon each of the units sold by it against defects in workmanship and materials for a period of 1 year from the date of closing the sale of the pertinent unit, as more particularly set forth in the Limited Warranty which accompanies the Purchase Agreement. Except for emergencies and in other extraordinary circumstances, all warranty claims must be submitted in writing to the appropriate Builder at its address appearing on the cover sheet of this Disclosure Statement within the applicable 1-year warranty period. In the case of emergencies or in other extraordinary circumstances where written communications would be inappropriate, purchasers should contact the appropriate Builder by telephone at the number shown on the cover of this Disclosure Statement. This warranty is extended only to the first purchaser of each unit from a Builder and is not transferable. The terms of each Builder's warranty are completely set forth in the Limited Warranty which accompanies the Purchase Agreement, and it is recommended that you examine the Limited Warranty and review it with advisors of your choice prior to the execution of the Purchase Agreement and the closing on the purchase of your condominium unit. LIMITED WARRANTIES ARE PROVIDED AS STATED. EXPRESS WARRANTIES ARE NOT PROVIDED UNLESS SPECIFICALLY STATED.

VIII. Purpose of Disclosure Statement

The Developer has prepared this Disclosure Statement in good faith, in reliance upon sources of information believed to be accurate and in an effort to disclose material facts about the Project. Each purchaser is urged to engage a competent lawyer or other advisor in connection with his or her decision to purchase a unit. In accepting title to the unit in the Condominium Project, each purchaser shall be deemed to have waived any claim or right arising out of or relating to any immaterial defect, omission or misstatement in this Disclosure Statement.
In the event of a conflict between any of the matters discussed herein which are also substantively set forth in the Master Deed or By-Laws, the provisions of the Master Deed and By-Laws shall control.

The Michigan Department of Commerce publishes The Condominium Buyer’s Handbook which the Developer has delivered to you. The Developer assumes no obligation, liability, or responsibility as to the statements contained therein or omitted from The Condominium Buyer’s Handbook.
