ARTICLE III
QUAIL RIDGE HOMEOWNERS' ASSOCIATION

(1) **Organization:** Developer hereby covenants that it shall, within six months of the date of this Declaration, organize a non-profit corporation under the laws of the State of Michigan which shall be known as the Quail Ridge Homeowners' Association. The Association and its Members shall have those rights and shall be subject to those duties as are described in this Declaration, and those rights and duties as may be contained or conferred by the Articles of Incorporation, the Bylaws of the Association or the Laws of the State of Michigan.

(2) **Articles, Bylaws:** The Association shall be organized, governed, and operated according to its Articles of Incorporation and its Bylaws, which shall be consistent with the provisions and purposes of this Declaration, and which shall contain those provisions as may be required by this Declaration and as are permitted by the laws of the State of Michigan.

(3) **Meetings, Notices and Quorum:** Meetings of the membership and the Board of Directors shall be held annually for the purpose of the election of Directors, at such places and times as may be provided in the Bylaws, and for such other purposes and at such other places and times as may be specified by written notice. Written notice of any membership meeting called for any purpose hereunder shall be sent to all Members at least fifteen (15) days in advance of such meeting and shall set forth the purpose thereof. At the first meeting of the Association, the presence of Members or of proxies entitled to cast sixty percent (60%) of all the votes of each of the outstanding
Class A and Class B Memberships shall constitute a quorum. In the event the required quorum is not present at such meeting, another meeting may be called, upon notice as set forth herein and the required quorum at such subsequent meeting shall be fifty percent (50%) of the required quorum at the preceding meeting.

(4) **Membership**: Every Owner of each Lot(s) shall be a "Member" of the Association immediately upon becoming an Owner and each membership shall be appurtenant to and may not be separated from ownership of any lot.

(5) **Directors**: The management, business, and affairs of the Association, the direction of its work and the control of its property shall be vested in a Board of Directors consisting of five (5) members, at least one of whom shall be appointed by the Developer; provided, however, that Developer may at any time waive and release its right to appoint said director by written notice to the Association, and said directorship shall thereafter be filled as provided in Paragraph (3) of this Article III in the manner provided in the Bylaws. Promptly after the organization of the Association as provided in Paragraph 1 of this Article III, Developer shall appoint the First Board of Directors, which Board shall serve until the first annual membership meeting; thereafter, the Board of Directors, except such member as is appointed by the Developer, shall be elected and re-elected in the manner provided in the Bylaws.

(6) **Voting Rights**: The Association shall have two classes of membership, which shall be as follows:

(6)(a) Class A Membership shall consist of all Owners other than Developer and each Class A Membership
shall be entitled to one (1) vote for each Lot owned. When more than one person or entity holds an interest in any Lot (multiple ownership), all such persons shall be Members, but in no event shall there be more than one vote cast with respect to any such Lot and when more than one person or entity holds an interest in such Lot, such vote shall be exercised as they may, among themselves, agree and they shall so notify the Association in writing prior to any vote. In the event of multiple ownership and such Owners fail or refuse to notify the Association within thirty (30) days of the date set for the meeting, then and in such event the Owner whose name first appears on record title or on the land contract shall be deemed as the Member authorized to vote on behalf of all the multiple Owners and any vote cast in person or by proxy or the failure of said Owner to vote shall be conclusively binding on all such multiple Owners.

(6)(b) Class B Membership shall consist of Developer and those owners described in Paragraph Ten (10) of Article V. Class B Members shall be entitled to three (3) votes for each Lot owned. Class B Membership shall terminate and be converted to and become Class A Membership when seventy-five (75%) percent of all lots in the Subdivision are sold or conveyed to an Owner other than a Class B Member and such Owner becomes a Member.

(7) Voting: Except as otherwise provided in this Declaration or the Articles of Incorporation of the Association, on all matters requiring
the vote or consent of the membership of the Association, such action shall be authorized and may be taken upon the affirmative vote of the holders of a majority of the Class A Members present in person or by proxy at a duly called meeting of the Association at which a quorum is present, or upon the written consent without a meeting of the holders of a majority of the outstanding Class A Members entitled to vote.

ARTICLE IV

EASEMENTS, PROPERTY RIGHTS AND ASSOCIATION PURPOSE

(1) Members' Easements: Every Member shall have a non-exclusive right and easement to use the Common Areas for the intended purposes of such Common Areas, if any, so designated on the proposed plat, and such easement shall be appurtenant to and shall pass with title to every Lot.

(2) Title: Developer hereby covenants that it shall convey to the Association the Common Areas lying within the Property as designated on the proposed plat of subdivision recorded herewith, free and clear of all liens and encumbrances, except easements and rights-of-way of record, and subject to the provisions of this Declaration; provided, however, that Developer may retain legal title to the Common Areas until such time as seventy-five percent (75%) of the lots have been sold and conveyed by the Developer, and the Owners thereof have become members of the Association, or until such time as Developer may be required to dedicate any of the Common Areas, if any, to the public use; provided further, that nothing herein shall prevent Developer from earlier conveying title to such Common Areas to the Association.

(3) Association Rights: The Association, if the Association is then the Owner of the common areas, shall have the right to dedicate or transfer
all or any part of the Common Areas, if any, to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed upon by the Members; provided, however, that any dedication, transfer or determination as to the conditions thereof shall be effective only upon execution of an instrument signed by the holders of two-thirds (2/3) of each class of all outstanding Class A and Class B Memberships and which is recorded and confirms or approves such dedication, transfer or determination, and further provided, however, that any dedication, transfer or determination as to the conditions thereof shall be effective only upon the prior consent thereto received from the Township of Northville, Wayne County, Michigan. Anything contained herein to the contrary notwithstanding, Developer shall have the exclusive right to dedicate or transfer all or any part of the Common Areas to the public use, or to grant public or private easements or rights-of-way to public or private utilities or governmental bodies in, over or upon the Common Areas, if any, prior to conveyance to the Association and the Association shall receive the same subject thereto.

(4) Access Easement: The Association and the Township of Northville, their authorized agents, officers and representatives shall have a perpetual easement for reasonable access to the Common Areas, and storm water drainage system, if any, at all reasonable times for purposes of inspection, maintenance, repair, operation and improvement thereof. Entry by the Township shall not constitute a dedication to the Township nor an acceptance of title by the Township. The Township of Northville does not by its exercise of any right herein provided or by its undertaking of any act or obligation in relation to the Common Areas and storm water drainage system, constitute directly or indirectly the Homeowners Association or Lot Owners as the agents or beneficiaries of the Township of Northville, and shall in any event retain its full
governmental immunity. Any act, right or obligation of the Township, either specifically or by implication, arising from or occurring as a result of this Declaration shall be done or omitted by the Township in its sole and exclusive discretion. In no event shall the Township be liable in damages, by specific performance or otherwise to the Homeowners Association, or any Lot Owner or Owners, by reason of or from any matter in connection with this Declaration.

(5) Association Purposes: The Association shall have the duty and responsibility to maintain, operate and repair the Common Areas and the storm water drainage system for the benefit of the subdivision and the Members by whatever means may be necessary to assure the proper operation of the storm water drainage system and other common areas in the manner and for the purposes for which they were intended.

ARTICLE V
MAINTENANCE ASSESSMENT COVENANT

(1) Lien and Personal Obligation for Assessments: Developer, for and on behalf of each and every Lot within the real property, does hereby covenant and agree and each owner of any Lot by acceptance of a deed therefor whether or not it shall be set forth therein, is deemed to covenant and agree to pay to the Association when due: (a) all regular assessments or charges of the Association, (b) special assessments, if any, for capital improvements to be established and collected as hereinafter set forth, and (c) all other assessments for taxes, levies, assessments or other charges lawfully imposed or charged to the Association or the Common Areas; and each Owner does covenant, agree and accept all of the terms, conditions, covenants and agreements hereof in accordance herewith.
(2) **Purpose:** The purpose of the assessments levied by the Association shall be for the repair, maintenance, operation, management and improvement of the Common Areas, if any, including but not limited to the payment of all taxes and insurance thereon, the repair and replacement thereof, the operation thereof, additions thereto and improvements thereon, the preservation of the grades in the common areas, cutting of weeds, grass or other plant matter, elimination of insects and animals, cleaning of the common areas, removal of silt or debris from the storm water drain lines, the maintenance and repair of all dams and drain lines, and for the cost of labor, equipment, materials, management and supervision for and in connection thereof and of the Association. Notwithstanding anything contained herein to the contrary, in the event the Association fails or refuses to provide the necessary repairs, maintenance, operation, management and improvement of the Common Areas, if any, then and in such event the Township of Northville, its successors and assigns, shall have the right to cause such work to be performed and to assess all costs for the same under and pursuant to this Declaration and each Owner of such Lot consents to such assessments and agrees that such assessment shall be payable on demand to the Township of Northville. In addition to other methods of collection, the Township of Northville shall have the right to place such assessment on the municipal tax rolls of the assessed property.

(3) **Regular Assessment:** Each member of the Association, except the Developer and those Owners described in Paragraph Ten (10) of this Article V shall remit annual nonrefundable payments of regular assessments to the Association in the amount of Thirty Five Dollars ($35.00) each for each Lot owned by such member, adjusted and payable as follows:
(3)(a) The first regular assessment for each Lot shall be due and payable upon the closing of the purchase of the dwelling unit by the Owner of the Lot in an amount which bears the same proportion to the regular assessment as the remaining number of days in the then current assessment period bears to the total number of days in such assessment period; provided, however, that the first regular assessment shall be the next regular assessment date if the assessment for the then current assessment period has been paid in full.

(3)(b) Regular assessments for each assessment period shall be due and payable in advance on the first day of April of each year thereafter.

(3)(c) Promptly at the end of each fiscal year of the Association, the Board of Directors shall adjust the regular assessment next due for each lot to reflect the proportionate share of each lot for any and all costs, expenses or obligations incurred by the Association in the then ending fiscal year over assessments received or receivable, and each Owner shall pay the regular assessment next due as adjusted.

(3)(d) The Board of Directors, in its discretion, may establish an installment program for the payment of any regular, special or deficit assessment and may charge interest in connection therewith.

(4) Capital Improvement Special Assessment: In addition to the regular assessments provided for herein, the Association may levy a special
assessment by resolution for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement to the Common Areas, if any; provided, however, that any such special assessment shall be first approved by two-thirds (2/3) of the votes of each class of Members who are voting in person or by proxy at a meeting duly called for this purpose. Such special assessment shall be due and payable according to the terms and conditions and in the manner specified in the Resolution of the Association.

(5) Uniform Assessment Rate: All regular, special and deficit assessments shall be fixed and established at the same rate for all Lots within the subdivision.

(6) Board of Directors' Duties: Subject to the foregoing provisions, the Board of Directors of the Association shall fix the amount of the assessment against each Lot for each assessment period at least thirty (30) days in advance of such date or period and shall prepare a roster of the Lots and the assessments applicable thereto to be maintained in the office of the Association and which shall be open to inspection by any Owner at all reasonable times. Written notice of the assessment shall thereupon be sent to every Owner subject thereto. In addition, the Association shall, upon reasonable demand and without charge, furnish to any Owner liable for such assessment(s) a certificate in writing signed by an officer or director of the Association, which states whether such assessment(s) have been paid and the amounts, if any, which remain due and unpaid.

(7) Effect of Non-Payment of Assessments; Personal Obligation of the Owner and Liens and Remedies of the Association; The Township of
Northville, the Homeowner's Association, and each Owner shall be beneficiaries of the obligation to pay regular and special assessments. In the event any assessment is not paid on the due date then such assessment shall become delinquent and a lien therefor shall thereupon arise and shall, together with interest thereon and costs of collection therefor (as hereinafter provided) be and become a continuing lien on such Lot until paid in full, and such lien shall be binding upon the Lot, the Owner thereof and his or her heirs, personal representatives, successors and assigns. Said lien may be enforced by the Homeowner's Association or the Township of Northville. The remedies of the Township of Northville shall in any event be cumulative, and the Township may elect any method authorized by law to collect funds expended by the Township for the maintenance of any of the Common Areas. Such assessments shall also be a personal obligation and debt of the Owner(s) and shall be binding upon such Owner(s) to pay such assessments and remain the personal obligation and debt of such Owner(s) for the statutory period. Any successor or assign in or to title may obtain from the Association a written statement as to any unpaid assessments and charges on such Lot in accordance with Paragraph 6 of this Article and such statement shall be binding upon the Association. In the event the assessment is not paid in full within thirty (30) days after delinquency, the assessment shall bear interest from the date of delinquency at the rate of nine percent (9%) per annum and the Association may bring an action at law against the Owner(s) personally obligated to pay the same or foreclose the lien against the Lot, and there shall be added to the amount of such assessment(s) and interest, the costs of preparing and filing the complaint in such action and/or in
connection with foreclosure and, in the event a judgment is obtained, the judgment shall include interest on the assessment as above provided and reasonable attorneys' fees together with all costs and expenses of the action.

(8) Survival of Lien. A sale or transfer of any Lot shall not, under any circumstances, relieve such Lot or the Owner(s) from liability for any assessments, interest or charges which have become due or from any lien therefor. The sale or transfer of any Lot in connection with a mortgage foreclosure proceeding or any proceeding in lieu thereof, shall not extinguish the lien of the assessments, interest and charges as to assessments, interest and charges due prior to such sale or transfer, and in no event shall the prior Owner thereof be relieved of any liability whatsoever for such obligation and 

(9) Exemptions and Modification of Assessments:

(9)(a) The Common Areas, if any, shall be exempt from any assessments, special assessments or deficiency assessments and from and against any liens or encumbrances therefor.

(9)(b) All Lots owned by Developer shall be exempt from all regular assessments, special assessments and deficiency assessments. Upon conveyance of any Lot by Developer to a Class A Member, this exemption for each such Lot shall thereupon cease and such Lot shall then be liable for the pro-rated balance of that year's established annual assessment and special assessment, if any; provided, however, that any Lots owned by Developer shall not be exempt from assessments.
by the Township of Northville for real property taxes and other charges.

(9)(c) The initial cost of development of the Common Areas, if any, shall be borne and paid for by Developer.

(10) **Builders:** Notwithstanding anything contained in this Declaration to the contrary, builders, developers and real estate companies who own or hold any Lot(s) for resale to customers in the ordinary course of business shall not be liable for the payment of any regular or special assessments imposed by the terms of this Article V; provided, however, that the exemption established by this Paragraph Ten (10) shall cease and terminate as to any Lot upon which construction has not commenced within two years from the date of this Declaration.

(11) **Property Taxes and Assessments:** Nothing contained in this Declaration shall in any way change, modify or relieve any Owner of any Lot(s) or Property within the Subdivision from their obligation to pay all of the lawful taxes and assessments as may be levied or assessed against said Lot(s) or Property by the Township of Northville, the County of Wayne, or the State of Michigan, and the obligations to pay all of said taxes and assessments shall remain fully enforceable as provided by law.

**ARTICLE VI**

**USE AND OCCUPANCY RESTRICTIONS AND COVENANTS**

(1) **Land and Building Use Restrictions:** Every Lot shall be restricted for use only as a one-family residential dwelling unit or model home for such purpose and all dwellings erected, altered, placed or permitted on any Lot shall be limited to twenty-five (25) feet in height or not in excess of two and one-half (2-1/2) stories, whichever is greater. A private garage or carport of a size which shall permit no more than three (3) automobiles may be erected on each Lot as a detached unit or attached to the dwelling unit.

(3) **Building Location:** All buildings and structures shall be located on each Lot at least thirty (30) feet from the front Lot line and shall otherwise comply with all height, setback, side lot and other building facing and location requirements applicable to single family residential subdivisions as may then be in effect according to the laws, regulations and ordinances of the Township of Northville or its successors or assigns. No building, structure or dwelling unit of any type on any Lot or Lots which border along Eight Mile Road shall have all or any part of its front side facing Eight Mile Road. For the purpose of these set-back and side-yard provisions, eaves, steps and open porches shall not be considered as part of any building or structure.

(4) **Lot Sizes:** Nothing contained herein shall be construed to prevent any Owner from erecting a single-family residential dwelling unit on a parcel of land in accordance with the size and set-back and side-yard provisions hereof, without reference to the platted common Lot lines; provided, however, that only one single-family residential dwelling unit shall be erected, placed or permitted to remain on any lot or combined contiguous lots, if any, and provided further, that said Owner shall fully comply with all the building, zoning and subdivision requirements of the Township of Northville.
(5) Easements: Easements for construction, installation, modification and maintenance of public utilities, surface drainage facilities and sanitary sewer, storm sewer and water main facilities are reserved as shall be shown on the plat and/or as may otherwise appear of record and as set forth herein and easements are hereby expressly reserved to Developer in, through and across a strip of land along all rear Lot lines as shall be shown on the plat or as may otherwise appear of record for the purpose of installation and maintenance of telephone and electric lines and conduits, cable television lines, if any, sanitary and storm sewers, water mains, gas lines and for surface drainage facilities. No structure, planting or other material or obstacle shall be placed or permitted to remain within the area reserved herein for such easements which may damage or interfere in any way with the installation and maintenance of such service facilities and utilities, including, without limitation, facilities for underground electrical and telephone distribution systems which may affect, change, obstruct or retard the flow or direction of water in and through drainage channels in such easements, or which may change, obstruct or retard the flow of surface water or
would be detrimental to the property of others and/or change or affect the
finished grade of any Lot once established by Developer. The easement area
contained in each Lot and all improvements therein shall be maintained in
presentable condition continuously by the Lot Owner, other than as to utilities
for which a public authority or utility company shall be responsible. The Lot
Owner shall be liable for damages to any service facilities and utilities there-
on, including damages to electric, gas and telephone distribution lines and
facilities therein and drainage ditches now located or hereafter constructed
in the subdivision shall not be drained, filled, altered, changed, dammed or
widened without the express written consent of Developer and the Board of
Directors of the Association.

(6) **Antennae:** Only one television antennae shall be constructed or
erected upon the exterior of any dwelling unit or structure on any Lot.

(The foregoing restrictions shall not be applicable to any activities by any
builders or Developer during any sales and construction periods).

(8) **Signs:** Signs may be displayed to the public on any Lot only if
one non-illuminated sign is displayed which is not more than six (6) square feet in area and pertains only to the sale or rental of the premises upon which it is maintained, and not more than two non-illuminated signs may be displayed for warning for no trespassing, safety or caution which are not in excess of two (2) square feet in area on each Lot; provided, however, that the foregoing restrictions shall not be applicable to any activities of any builders or Developer during any sales and construction periods.

(9) **Nuisances:** No noxious or offensive activity shall be carried on upon or in any dwelling Lot or structure nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood; provided, however, any builders or Developer model homes shall not be so restricted until sold.

(10) **Livestock and Poultry:** No animals, livestock, birds or poultry of any kind shall be raised, bred or kept on any Lot, except dogs, cats or other common household pets for domestic purposes only and such permitted household pets shall not be bred, kept or maintained for any commercial purposes whatsoever.

The foregoing shall not be the exclusive right or remedy of the Township of Northville, and all rights and remedies of the Township of Northville, and all rights and remedies otherwise provided to the Township of Northville by statute, ordinance, agreement or other provisions of this Declaration shall be available to the Township of Northville.

ARTICLE VIII
BINDING EFFECT

(1) Effective Date: Developer hereby declares that it intends to develop the Property in accordance with the proposed plat recorded herewith. To that end, upon execution of this Declaration, all of the terms, provisions and conditions of this Declaration shall take effect and shall immediately bind said Property.

(2) Binding Effect and Amendment: The covenants, restrictions and agreements of this Declaration shall run with and be binding upon the real property and each Lot and may be amended or modified by Developer at any time and from time to time prior to the sale of the first Lot of the subdivision
effective upon recording the same with the Register of Deeds, Wayne County, Michigan. Any such amendments or modification shall also be covenants, restrictions and agreements which shall run with the land and be binding upon the real property and each Lot. This Declaration shall continue for a term of twenty (20) years from the date it is recorded, after which time it shall automatically be extended for successive periods of ten (10) years, unless then terminated by instrument executed by not less than seventy-five (75%) percent of the Lot Owners and the Developer, in the event the Developer then continues to own any Lots. This Declaration may be amended after the sale of the first Lot in the subdivision during the first twenty (20) year period only by instrument executed by not less than ninety (90%) percent of the Lot Owners and thereafter by instrument signed by not less than seventy-five (75%) percent of the Lot Owners and by Developer in the event Developer continues to own any Lots and in the event any amendment affects in any way the retention pond and/or common areas, if any, such amendment shall not be effective unless the prior written consent of the Township of Northville, Michigan is first obtained.

(4) Enforcement: Enforcement of these covenants, agreements and restrictions shall be by any proceeding at law and/or in equity against any person or persons in violation thereof or who attempt to violate any of the covenants, agreements or restrictions, either to restrain violation hereof or
to recover damages, or both, and against the land to enforce any lien created
hereunder. Any failure by the Association of any Owner or Developer to en-
force any of the covenants, agreements or restrictions contained herein shall
not be deemed to be a waiver thereof or a waiver of any right to enforce the
same hereunder.

(5) Severability: Invalidation of any one or more of these covenants,
agreements or restrictions by judgment or court order shall not in any way
affect the validity or enforcement of any other provisions herein, which shall
remain in full force and effect.

IN WITNESS WHEREOF, the undersigned have executed this Declara-

ARTICLE II

PROPERTY SUBJECT TO THIS DECLARATION

The real property which is subject to and which shall be held, transferred, sold, conveyed and occupied pursuant to this Declaration is more particularly described in Exhibit A which is attached hereto and made a part hereof by this reference.
ARTICLE III
QUAIL RIDGE HOMEOWNERS' ASSOCIATION

(1) **Organization:** Developer hereby covenants that it shall, within six months of the date of this Declaration, organize a non-profit corporation under the laws of the State of Michigan which shall be known as the Quail Ridge Homeowners' Association. The Association and its Members shall have those rights and shall be subject to those duties as are described in this Declaration, and those rights and duties as may be contained or conferred by the Articles of Incorporation, the Bylaws of the Association or the Laws of the State of Michigan.

(2) **Articles, Bylaws:** The Association shall be organized, governed, and operated according to its Articles of Incorporation and its Bylaws, which shall be consistent with the provisions and purposes of this Declaration, and which shall contain those provisions as may be required by this Declaration and as are permitted by the laws of the State of Michigan.

(3) **Meetings, Notices and Quorum:** Meetings of the membership and the Board of Directors shall be held annually for the purpose of the election of Directors, at such places and times as may be provided in the Bylaws, and for such other purposes and at such other places and times as may be specified by written notice. Written notice of any membership meeting called for any purpose hereunder shall be sent to all Members at least fifteen (15) days in advance of such meeting and shall set forth the purpose thereof. At the first meeting of the Association, the presence of Members or of proxies entitled to cast sixty percent (60%) of all the votes of each of the outstanding
Class A and Class B Memberships shall constitute a quorum. In the event the required quorum is not present at such meeting, another meeting may be called, upon notice as set forth herein and the required quorum at such subsequent meeting shall be fifty percent (50%) of the required quorum at the preceding meeting.

(4) **Membership:** Every Owner of each Lot(s) shall be a "Member" of the Association immediately upon becoming an Owner and each membership shall be appurtenant to said lot and may not be separated from ownership of any lot.

(5) **Directors:** The management, business, and affairs of the Association, the direction of its work and the control of its property shall be vested in a Board of Directors consisting of five (5) members, at least one of whom shall be appointed by the Developer; provided, however, that Developer may at any time waive and release its right to appoint said director by written notice to the Association, and said directorship shall thereafter be filled as provided in Paragraph (3) of this Article III in the manner provided in the Bylaws. Promptly after the organization of the Association as provided in Paragraph 1 of this Article III, Developer shall appoint the First Board of Directors, which Board shall serve until the first annual membership meeting; thereafter, the Board of Directors, except such member as is appointed by the Developer, shall be elected and re-elected in the manner provided in the Bylaws.

(6) **Voting Rights:** The Association shall have two classes of membership, which shall be as follows:

(5)(a) **Class A Membership shall consist of all** Owners other than Developer and each Class A Membership
shall be entitled to one (1) vote for each Lot owned. When more than one person or entity holds an interest in any Lot (multiple ownership), all such persons shall be Members, but in no event shall there be more than one vote cast with respect to any such Lot and when more than one person or entity holds an interest in such Lot, such vote shall be exercised as they may, among themselves, agree and they shall so notify the Association in writing prior to any vote. In the event of multiple ownership and such Owners fail or refuse to notify the Association within thirty (30) days of the date set for the meeting, then and in such event the Owner whose name first appears on record title or on the land contract shall be deemed as the Member authorized to vote on behalf of all the multiple Owners and any vote cast in person or by proxy or the failure of said Owner to vote shall be conclusively binding on all such multiple Owners.

(6)(b) Class B Membership shall consist of Developer and those owners described in Paragraph Ten (10) of Article V. Class B Members shall be entitled to three (3) votes for each Lot owned. Class B Membership shall terminate and be converted to and become Class A Membership when seventy-five (75%) percent of all lots in the Subdivision are sold or conveyed to an Owner other than a Class B Member and such Owner becomes a Member.

(7) Voting: Except as otherwise provided in this Declaration or the Articles of Incorporation of the Association, on all matters requiring
the vote or consent of the membership of the Association, such action shall be authorized and may be taken upon the affirmative vote of the holders of a majority of the Class A Members present in person or by proxy at a duly called meeting of the Association at which a quorum is present, or upon the written consent without a meeting of the holders of a majority of the outstanding Class A Members entitled to vote.

ARTICLE IV

EASEMENTS, PROPERTY RIGHTS
AND ASSOCIATION PURPOSE

(1) **Members' Easements:** Every Member shall have a non-exclusive right and easement to use the Common Areas for the intended purposes of such Common Areas, if any, so designated on the proposed plat, and such easement shall be appurtenant to and shall pass with title to every Lot.

(2) **Title:** Developer hereby covenants that it shall convey to the Association the Common Areas lying within the Property as designated on the proposed plat of subdivision recorded herewith, free and clear of all liens and encumbrances, except easements and rights-of-way of record, and subject to the provisions of this Declaration; provided, however, that Developer may retain legal title to the Common Areas until such time as seventy-five percent (75%) of the lots have been sold and conveyed by the Developer, and the Owners thereof have become members of the Association, or until such time as Developer may be required to dedicate any of the Common Areas, if any, to the public use; provided further, that nothing herein shall prevent Developer from earlier conveying title to such Common Areas to the Association.

(3) **Association Rights:** The Association, if the Association is then the Owner of the common areas, shall have the right to dedicate or transfer
all or any part of the Common Areas, if any, to any public agency, authority
or utility for such purposes and subject to such conditions as may be agreed
upon by the Members; provided, however, that any dedication, transfer or
determination as to the conditions thereof shall be effective only upon execution
of an instrument signed by the holders of two-thirds (2/3) of each class
of all outstanding Class A and Class B Memberships and which is recorded
and confirms or approves such dedication, transfer or determination; and
further provided, however, that any dedication, transfer or determination as
to the conditions thereof shall be effective only upon the prior consent thereto
received from the Township of Northville, Wayne County, Michigan. Any-
thing contained herein to the contrary notwithstanding, Developer shall have
the exclusive right to dedicate or transfer all or any part of the Common Areas
to the public use, or to grant public or private easements or rights-of-way to
public or private utilities or governmental bodies in, over or upon the Common
Areas, if any, prior to conveyance to the Association and the Association shall
Receive the same subject thereto.

(4) **Access Easement:** The Association and the Township of Northville,
their authorized agents, officers and representatives shall have a perpetual
easement for reasonable access to the Common Areas, and storm water drain-
age system, if any, at all reasonable times for purposes of inspection, main-
tenance, repair, operation and improvement thereof. Entry by the Township
shall not constitute a dedication to the Township nor an acceptance of title by
the Township. The Township of Northville does not by its exercise of any right
herein provided or by its undertaking of any act or obligation in relation to the
Common Areas and storm water drainage system, constitute directly or in-
directly the Homeowners Association or Lot Owners as the agents or benefit-
ciaries of the Township of Northville, and shall in any event retain its full
governmental immunity. Any act, right or obligation of the Township, either specifically or by implication, arising from or occurring as a result of this Declaration shall be done or omitted by the Township in its sole and exclusive discretion. In no event shall the Township be liable in damages, by specific performance or otherwise to the Homeowners Association, or any Lot Owner or Owners, by reason of or from any matter in connection with this Declaration.

(5) Association Purposes: The Association shall have the duty and responsibility to maintain, operate and repair the Common Areas and the storm water drainage system for the benefit of the subdivision and the Members by whatever means may be necessary to assure the proper operation of the storm water drainage system and other common areas in the manner and for the purposes for which they were intended.

ARTICLE V
MAINTENANCE ASSESSMENT COVENANT

(1) Lien and Personal Obligation for Assessments: Developer, for and on behalf of each and every Lot within the real property, does hereby covenant and agree and each owner of any Lot by acceptance of a deed therefor whether or not it shall be set forth therein, is deemed to covenant and agree to pay to the Association when due: (a) all regular assessments or charges of the Association, (b) special assessments, if any, for capital improvements to be established and collected as hereinafter set forth, and (c) all other assessments for taxes, levies, assessments or other charges lawfully imposed or charged to the Association or the Common Areas; and each Owner does covenant, agree and accept all of the terms, conditions, covenants and agreements hereof in accordance herewith.
(2) **Purpose:** The purpose of the assessments levied by the Association shall be for the repair, maintenance, operation, management and improvement of the Common Areas, if any, including but not limited to the payment of all taxes and insurance thereon, the repair and replacement thereof, the operation thereof, additions thereto and improvements thereon, the preservation of the grades in the common areas, cutting of weeds, grass or other plant matter, elimination of insects and animals, cleaning of the common areas, removal of suet or debris from the storm water drain lines, the maintenance and repair of all dams and drain lines, and for the cost of labor, equipment, materials, management and supervision for and in connection thereof and of the Association. Notwithstanding anything contained herein to the contrary, in the event the Association fails or refuses to provide the necessary repairs, maintenance, operation, management and improvement of the Common Areas, if any, then and in such event the Township of Northville, its successors and assigns, shall have the right to cause such work to be performed and to assess all costs for the same under and pursuant to this Declaration and each Owner of such Lot consents to such assessments and agrees that such assessment shall be payable on demand to the Township of Northville. In addition to other methods of collection, the Township of Northville shall have the right to place such assessment on the municipal tax rolls of the assessed property.

(3) **Regular Assessment:** Each member of the Association, except the Developer and those Owners described in Paragraph Ten (10) of this Article V shall remit annual nonrefundable payments of regular assessments to the Association in the amount of Thirty Five Dollars ($35.00) each for each Lot owned by such member, adjusted and payable as follows.
(3)(a) The first regular assessment for each Lot shall be due and payable upon the closing of the purchase of the dwelling unit by the Owner of the Lot in an amount which bears the same proportion to the regular assessment as the remaining number of days in the then current assessment period bears to the total number of days in such assessment period; provided, however, that the first regular assessment shall be the next regular assessment date if the assessment for the then current assessment period has been paid in full.

(3)(b) Regular assessments for each assessment period shall be due and payable in advance on the first day of April of each year thereafter.

(3)(c) Promptly at the end of each fiscal year of the Association, the Board of Directors shall adjust the regular assessment next due for each lot to reflect the proportionate share of each lot for any and all costs, expenses or obligations incurred by the Association in the then ending fiscal year over assessments received or receivable, and each Owner shall pay the regular assessment next due as adjusted.

(3)(d) The Board of Directors, in its discretion, may establish an installment program for the payment of any regular, special or deficit assessment and may charge interest in connection therewith.

(4) **Capital Improvement Special Assessment**. In addition to the regular assessments provided for herein, the Association may levy a special
assessment by resolution for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement to the Common Areas, if any; provided, however, that any such special assessment shall be first approved by two-thirds (2/3) of the votes of each class of Members who are voting in person or by proxy at a meeting duly called for this purpose. Such special assessment shall be due and payable according to the terms and conditions and in the manner specified in the Resolution of the Association.

(5) **Uniform Assessment Rate:** All regular, special and deficit assessments shall be fixed and established at the same rate for all Lots within the subdivision.

(6) **Board of Directors' Duties:** Subject to the foregoing provisions, the Board of Directors of the Association shall fix the amount of the assessment against each Lot for each assessment period at least thirty (30) days in advance of such date or period and shall prepare a roster of the Lots and the assessments applicable thereto to be maintained in the office of the Association and which shall be open to inspection by any Owner at all reasonable times. Written notice of the assessment shall thereupon be sent to every Owner subject thereto. In addition, the Association shall, upon reasonable demand and without charge, furnish to any Owner liable for such assessment(s) a certificate in writing signed by an officer or director of the Association, which states whether such assessment(s) have been paid and the amounts, if any, which remain due and unpaid.

(7) **Effect of Non-Payment of Assessments; Personal Obligation of the Owner and Liens and Remedies of the Association:** The Township of
Northville, the Homeowner's Association, and each Owner shall be beneficiaries of the obligation to pay regular and special assessments. In the event any assessment is not paid on the due date then such assessment shall become delinquent and a lien therefor shall thereupon arise and shall, together with interest thereon and costs of collection therefor (as hereinafter provided) be and become a continuing lien on such Lot until paid in full, and such lien shall be binding upon the Lot, the Owner thereof and his or her heirs, personal representatives, successors and assigns. Said lien may be enforced by the Homeowner's Association or the Township of Northville. The remedies of the Township of Northville shall in any event be cumulative, and the Township may elect any method authorized by law to collect funds expended by the Township for the maintenance of any of the Common Areas. Such assessments shall also be a personal obligation and debt of the Owner(s) and shall be binding upon such Owner(s) to pay such assessments and remain the personal obligation and debt of such Owner(s) for the statutory period. Any successor or assign in or to title may obtain from the Association a written statement as to any unpaid assessments and charges on such Lot in accordance with Paragraph 6 of this Article and such statement shall be binding upon the Association. In the event the assessment is not paid in full within thirty (30) days after delinquency, the assessment shall bear interest from the date of delinquency at the rate of nine percent (9%) per annum and the Association may bring an action at law against the Owner(s) personally obligated to pay the same or foreclose the lien against the Lot, and there shall be added to the amount of such assessment(s) and interest, the costs of preparing and filing the complaint in such action and/or in
connection with foreclosure and, in the event a judgment is obtained, the judgment shall include interest on the assessment as above provided and reasonable attorneys' fees together with all costs and expenses of the action.

(8) **Survival of Lien.** A sale or transfer of any Lot shall not, under any circumstances, relieve such Lot or the Owner(s) from liability for any assessments, interest or charges which have become due or from any lien therefor. The sale or transfer of any Lot in connection with a mortgage foreclosure proceeding or any proceeding in lieu thereof, shall not extinguish the lien of the assessments, interest and charges as to assessments, interest and charges due prior to such sale or transfer, and in no event shall the prior Owner thereof be relieved of any liability whatsoever for such obligation and debt.

(9) **Exemptions and Modification of Assessments:**

(9)(a) The Common Areas, if any, shall be exempt from any assessments, special assessments or deficiency assessments and from and against any liens or encumbrances therefor.

(9)(b) All Lots owned by Developer shall be exempt from all regular assessments, special assessments and deficiency assessments. Upon conveyance of any Lot by Developer to a Class A Member, this exemption for each such Lot shall thereupon cease and such Lot shall then be liable for the pro-rated balance of that year's established annual assessment and special assessment, if any; provided, however, that any Lots owned by Developer shall not be exempt from assessments.
by the Township of Northville for real property taxes and other charges.

(9)(c) The initial cost of development of the Common Areas, if any, shall be borne and paid for by Developer.

(10) Builders: Notwithstanding anything contained in this Declaration to the contrary, builders, developers and real estate companies who own or hold any Lot(s) for resale to customers in the ordinary course of business shall not be liable for the payment of any regular or special assessments imposed by the terms of this Article V; provided, however, that the exemption established by this Paragraph Ten (10) shall cease and terminate as to any Lot upon which construction has not commenced within two years from the date of this Declaration.

(11) Property Taxes and Assessments: Nothing contained in this Declaration shall in any way change, modify or relieve any Owner of any Lot(s) or Property within the Subdivision from their obligation to pay all of the lawful taxes and assessments as may be levied or assessed against said Lot(s) or Property by the Township of Northville, the County of Wayne, or the State of Michigan, and the obligations to pay all of said taxes and assessments shall remain fully enforceable as provided by law.

ARTICLE VI
USE AND OCCUPANCY RESTRICTIONS AND COVENANTS

(1) Land and Building Use Restrictions: Every Lot shall be restricted for use only as a one-family residential dwelling unit or model home for such purpose and all dwellings erected, altered, placed or permitted on any Lot shall be limited to twenty-five (25) feet in height or not in excess of two and one-half (2-1/2) stories, whichever is greater. A private garage or carport of a size which shall permit no more than three (3) automobiles may be erected on each Lot as a detached unit or attached to the dwelling unit.
(2) **Dwelling Unit Size:** The main structure of any dwelling unit erected, altered, placed or permitted on any Lot shall contain a total floor area of not less than one thousand three hundred fifty (1,350) square feet. Garages, steps, carports, open and/or closed porches, breezeways, arcades or similar facilities shall not be considered in computing such floor area whether or not the same is an integral part of or connected to any dwelling; provided, however, that no more than twenty-five percent (25%) of the total lot areas may be covered by any permanent structure.

(3) **Building Location:** All buildings and structures shall be located on each Lot at least thirty (30) feet from the front Lot line and shall otherwise comply with all height, setback, side lot and other building facing and location requirements applicable to single family residential subdivisions as may then be in effect according to the laws, regulations and ordinances of the Township of Northville or its successors or assigns. No building, structure or dwelling unit of any type on any Lot or Lots which border along Eight Mile Road shall have all or any part of its front side facing Eight Mile Road. For the purpose of these set-back and side-yard provisions, eaves, steps and open porches shall not be considered as part of any building or structure.

(4) **Lot Sizes:** Nothing contained herein shall be construed to prevent any Owner from erecting a single-family residential dwelling unit on a parcel of land in accordance with the size and set-back and side-yard provisions hereof, without reference to the platted common Lot lines; provides, however, that only one single-family residential dwelling unit shall be erected, placed or permitted to remain on any lot or combined contiguous lots, if any, and provided further, that said Owner shall fully comply with all the building, zoning and subdivision requirements of the Township of Northville.
(5) **Easements:** Easements for construction, installation, modification and maintenance of public utilities, surface drainage facilities and sanitary sewer, storm sewer and water main facilities are reserved as shall be shown on the plat and/or as may otherwise appear of record and as set forth herein and easements are hereby expressly reserved to Developer in, through and across a strip of land along all rear Lot lines and in, through and across a strip of land along all side Lot lines as shall be shown on the plat or as may otherwise appear of record for the purpose of installation and maintenance of telephone and electric lines and conduits, cable television lines, if any, sanitary and storm sewers, water mains, gas lines and for surface drainage facilities. In addition, easements are hereby expressly reserved for use by any public utility service determined to be necessary or advisable by the Developer for the benefit of the subdivision. The use of these easements or any part thereof may be assigned by Developer at any time and from time to time to any person, firm, corporation, governmental agency, municipal authority or department furnishing one or more of the foregoing services and/or facilities, and any such easement herein reserved may be relinquished, waived and terminated, in whole or in part, by the Developer upon filing for record an appropriate instrument of relinquishment. No structure, planting or other material or obstacle shall be placed or permitted to remain within the area reserved herein for such easements which may damage or interfere in any way with the installation and maintenance of such service facilities and utilities, including, without limitation, facilities for underground electrical and telephone distribution systems which may affect, change, obstruct or retard the flow or direction of water in and through drainage channels in such easements, or which may change, obstruct or retard the flow of surface water or
would be detrimental to the property of others and/or change or affect the finished grade of any Lot once established by Developer. The easement area contained in each Lot and all improvements therein shall be maintained in presentable condition continuously by the Lot Owner, other than as to utilities for which a public authority or utility company shall be responsible.
